Consolidated and Hardened Maintenance Facilities
ITB -17775-0-2019/ST

Scope of Work: Hillsborough County is prequalifying contractors for the construction of four (4) new facilities at four (4) different locations within Hillsborough County. Each facility will consist of a hardened (Cat 5) office/warehouse building (40,000-50,000 square feet); and three (3) of the locations will also have a fleet services building with vehicle bays (20,000-25,000 square feet). All four locations will include site work including parking, utilities, outdoor storage, canopies etc. All construction will be based on engineered and approved plans and specifications. No design activities are included in this project. Interested contractors must be prequalified to be eligible to submit bids for this project, which is estimated to cost \$60 million.
