Other Details Questions and Resolution of Discrepancies
No oral representations or interpretation will be made to any bidder as to the meaning of the contract documents. Request for interpretation shall be made in writing, and delivered to the City at least seven (7) days before the time announced for opening the proposals. Interpretation, where necessary, will be made by the City in the form of an addendum to the contract documents, and when issued, will be sent as promptly as is practical to all parties to whom the bid documents have been issued via PlanetBids. All such addenda shall become part of the contract. Request for information regarding this procedure or other similar information, shall be directed to the project manager listed above.

Bid Detail**Notes** LICENSE REQUIREMENTS

For publicly bid park projects a General Engineering Contractor "A" or "B" License is required. The "A" or "B" contractor is categorized as a general engineering or general building contractor as stated in the Business and Professions Code (B&P) Section 7056 or 7057 of Article 4. Classifications on the California Contractors State License Board website.

Local Programs & Policies Local Business Enterprise Requirements

The City of Sacramento's Local Business Development program establishes an annual local business enterprise (LBE) participation goal for City contracts, and authorizes City departments to require minimum LBE participation levels in individual contracts. Under City Code section 3.60.270, all bidding contractors must meet or exceed the minimum LBE participation requirement specified in the contract's bid specifications to qualify as a responsive bidder. For information on meeting the City of Sacramento's Local Business Enterprise (LBE) project goals, please visit the City of Sacramento's small business web site at: <http://www.cityofsacramento.org/Finance/Procurement/Contract-Ordinances>
