Description

State Street Water Line 470 West to 300 West

Sealed Bids for construction of the State Street Water Line 470 West to 300 West Project will be received through the online bid service SciQuest until 2pm local time on Tuesday, December 4, 2018 at which time the service will close and Bids will be opened and tabulated. The Project consists of installing 1,100 feet of 8-inch PVC pipe in State Street in American Fork City, beginning at 470 West and heading east to 300 West. Work includes installing new service connections and fire hydrants within the Project area. Work to be performed includes valves, fittings, meters, excavation, backfilling, and repaving. Owner requires the Project to be substantially completed by May 15, 2019. A mandatory pre-Bid conference will be held at 10am local time on Tuesday, November 27, 2018 at the American Fork City Public Works Office located at 275 East 200 North in American Fork, Utah 84003. Bid Documents will be available on November 9. The Owner reserves the right to accept or reject any or all proposals. For more information contact Lane Peirce at Franson Civil Engineers, 801-756-0309 or lpeirce@fransoncivil.com.
