

Specifications:

The EFNEP with Alabama Extension is looking for a single vendor to provide all listed promotional products needed for educational programming.

- Specifications are attached for each product listed.
- Items will be shipped in one shipment or variable counts to 16 locations. Shipping and variable counts list is attached.
- Samples of each product and Alabama Extension approval will be required before a purchase order is issued. Please be prepared to submit samples to Auburn within 5 business days of the request. Samples will not be returned, unless vendor intends to retrieve them at their own expense.
- Items will be shipped in one shipment or variable counts to 16 educators in 16 locations. Shipping list is attached.
- Samples of each product and Alabama Extension approval are required prior to production of each item.
- All items must be received no later than January 15, 2019 (although earlier shipping is acceptable).
 - Shipment should list the contents & quantity of each box on the exterior of the box
- Alabama Extension reserves the right to order additional quantities at consistent pricing.
- Bid requires compliancy in Consumer Product Safety and FDA certification (papers **MUST** accompany the bid) where applicable. If the CIPSA information is not included, bids will be rejected.
