

REQUEST FOR QUALIFICATIONS ADVERTISEMENT State of Colorado University of Colorado Boulder

Notice Number: 18-27

Project Number/Name: CP009547 - ECEE-HVAC RENOVATION (CM-SB267)
Estimated Construction Cost: \$ 5.2 million

Project Description

The University of Colorado Boulder seeks a qualified Architect/Engineer Team to provide the following scope of services:

Renovation of existing HVAC system with an emphasis on replacing equipment with future replacement of distribution infrastructure. Consideration of existing system deficiencies and future building needs.

See the RFQ and associated documents for a detailed description of professional services required of the team.

Minimum Requirements

1. Recent and direct experience with projects of a similar scope and budget.
2. Capability to undertake a project of this magnitude within an existing occupied facility.
4. Demonstrated ability to plan, coordinate and manage a project of similar scope and budget.
5. State of Colorado licensed design professionals with expertise in a University setting.

Firms meeting the minimum requirements may obtain the RFQ documents online at <http://www.colorado.edu/fm/design-construction/open-submittals>.
