The District assumes no responsibility for documents sent through the mail. Further, the District assumes no liability or responsibility for the failure or inability of any bidder to successfully download any and all contract documents, including but not limited to specifications, proposal forms and/or plans, as a result of any type of technological computer and/or software system failure or breakdown that restricts, prohibits or prevents successful downloading of any and all District contract documents by the bidder, whether caused by the District or other parties, directly or indirectly.

Proposals must be submitted on proposal forms. Proposal forms are to be placed in the special envelope furnished by the Metropolitan Water Reclamation District of Greater Chicago, and shall conform to all the terms and conditions of the Bidding Requirements, attached hereto. The bidder shall place the complete set of Contract documents in a sealed envelope clearly marked as follows:

Sealed Bid Depository, MOB Lobby
Metropolitan Water Reclamation District of Greater Chicago
100 E Erie Street
Chicago, Illinois 60611
Proposal For: Contract 18-916-21

Failure to submit the complete set of contract documents as specified may render the bid non-responsive and the bid may be rejected.

Bidders are to include with their proposal signed copies of any addenda, or acknowledge receipt of any addenda, if the District issued any addenda to this contract. Failure to do so may be cause for the rejection of any bid. If bidding documents are available online, any addenda issued for this contract will be available online at the District's website, www.mwrd.org. Addenda will also be mailed, delivered, or faxed to each person receiving a set of such contract documents and to such other prospective bidders as shall have requested that they be furnished with a copy of the addenda.

Each proposal must be accompanied by a bid deposit in the form of cash (U.S. currency only), cashier's check, certified check, or bid bond as stated in the bidding Requirements and Instructions to bidders contained in the Contract Documents.

The Bid Deposit for this Contract is \$41,250.00.

Prior to award of the Contract, the lowest responsible Bidder must demonstrate compliance with the MWRDGC 2017 Multi-Project Labor Agreement by submitting to the Director of Procurement and Materials Management a signed Certificate of Compliance with the 2017 Multi-Project Labor Agreement (MPLA). The Agreement and Certificate of Compliance are contained in the Contract Documents.

Bidders on contracts in excess of Ten Thousand Dollars (\$10,000.00) will be required to comply with the President's Executive Order No. 11246 as amended to date, regarding NON-DISCRIMINATION IN EMPLOYMENT. The requirements for bidders and Contractors under this order are explained in Appendix C of the Contract Documents. The provisions of Appendix C also apply to each Subcontractor on the contract receiving in excess of Ten Thousand Dollars (\$10,000.00).

Each bidder must submit with their proposals a signed and completed **MBE, WBE, and SBE Utilization Plan** which lists each business

intended to be used as a MBE, WBE, SBE on pages UP-2, UP-3, and UP-4 and supplemental pages as necessary. **The bidder must sign the Signature Section page on UP-5.** Failure to submit a signed MBE, WBE, and SBE Utilization Plan will result in a bid being deemed non-responsive and the bid will be rejected. Also, if a Waiver is sought, the bidder is required to sign pages UP-5 and UP-6, the Waiver Request Form; failure to do so will be viewed as non-responsive and the bid will be rejected.

Each bidder must submit **with their bid package** an original or facsimile copy of MBE, WBE, and SBE **Subcontractor's Letter of Intent, page UP-7** for each subcontractor listed on their MBE, WBE, and SBE Utilization Plan. The submitted MBE, WBE, and SBE Subcontractor's Letter of Intent must be completed and signed by the subcontractor and accompanied with a copy of the subcontractor's current Letter of Certification from a state, local government or agency or documentation demonstrating that the subcontractor is a MBE, WBE or SBE within the meaning of the **Affirmative Action Ordinance Revised Appendix D**. Failure to submit the MBE, WBE, and SBE Utilization Plan signed by the bidder at the time of the bid opening and the MBE, WBE, and SBE Subcontractor's Letter of Intent signed by each MBE, WBE, and SBE will be viewed as non-responsive and the bid will be rejected.

If the bidder exceeds the allowable **Supplier Utilization** amount which is stated in the bid documents, the bid will be viewed as non-responsive. Therefore, the bidder may not exceed the use of a MBE, WBE, or SBE supplier for more than 25% of each respective MBE, WBE, or SBE goal, unless the Director of Procurement and Materials Management has authorized a Supplier's Exception notated on page AU-1.

Where a bidder is a business owned and controlled by a minority woman (M/WBE), or where the bidder utilizes a M/WBE in a joint venture or as a subcontractor, the bidder may count the M/WBE participation toward the achievement of either its MBE or WBE goal, but not both.

The work under this Contract is classified as "Mechanical" for MBE, WBE, and SBE Utilization goals. The associated goals are 20% Minority-owned Business Enterprises, 9% Women-owned Business Enterprises, and 10% Small Business Enterprises.

The Bidders agree to fulfill the Special Training Provisions for Apprentices as specified in the Appendix K (attached) and to provide training opportunities throughout the life of the Contract. The requirements of the Special Training Provisions for Apprentices are 190 minority and/or female hours for the purposes of this Contract.

It is required that the prospective bidder indicate participation by signing each applicable Utilization Plan contained within the Contract Document. The bidder to whom the contract is awarded must be prepared to comply with the requirements of the Affirmative Action Ordinance Revised Appendix D during the life of the contract.
