BID FILE 9780 – Senior Framed Awards

**** THIS ADDENDUM AMENDS THE REQUEST FOR BID ****

THIS IS TO LET BIDDERS KNOW THAT THIS REQUEST FOR BID HAS BEEN AMENDED WITH THE FOLLOWING QUESTIONS AND ANSWERS:

1. The estimated number of orders per year is 60. Is that 60 of each size? For a total of approximately 180 pieces?
 - a. **It would not be 60 of each size. Each sport chooses the size/style for the seniors on their team. For example, Tennis would not select the framed jersey for their seniors, but Football and Basketball probably would select the framed jersey. The number will vary based on the number of seniors within the sport.**
2. The Letter on the Jersey frame is that a Picture or a chenille Letter?
 - a. **The letter is a chenille letter.**
3. Will the University Provide the Picture or a file for us to print it off?
 - a. **The University will either provide the picture or a file to print it from.**
4. Can a better picture of the Jersey Frame be provided?
 - a. **Yes, please see below.**

A statement should be included in your bid indicating that you acknowledge this Addendum #1.
