## Bid Detail

### Description

**Scope of Services** The anticipated scope of work for this oncall JOC Railroad General Electrical and Communication Services Contract consists primarily of, but is not limited to, railroad electrical and communications work, including network communications, fiber optic network installations, Closed Circuit TV, Train to Wayside communications, general site work and improvements, and all required incidental professional and technical services for SANDAG and its member agencies, MTS, and North County Transit District (NCTD) (Owner) at locations throughout San Diego County

**Other Details** Additional Contractor Experience Requirements:

1. Self-performance of at least three railroad electric and communication projects in the past five years with a minimum contract value of \$1,000,000 on an active passenger rail system, either heavy rail or light rail.
2. Self-performance of at least three projects within the past ten years involving one or more of the following aspects of railroad electric and/or communications: train to wayside communications, network communications, fiber optic network installations, station electric, and passenger communications.
3. Contractor shall provide a Project Manager and an onsite Superintendent to manage work, who each have at least ten years of combined railroad electric and communications experience on light rail and/or Class 5 (49CFR213) track construction.
4. Contractor shall have five years of experience working within an active railroad right-of-way in accordance with Code of Federal Regulations Title 49, Part 214 "Railroad Workplace Safety."

**Notes** A non-mandatory prebid meeting will be held on Tuesday June 4th, 2019 at SANDAG, 401 B Street, 7th Floor Board Room, San Diego, CA, 92101 (in the Wells Fargo Building). Networking for subs and primes: 8:30 - 9:00 a.m. Prebid starts at 9:00 a.m. Attendees must check in at the 7th floor reception desk and staff will direct them to the meeting room. All prospective bidders are highly encouraged to attend.

**Local Programs & Policies** SANDAG is an equal opportunity employer, and as a matter of policy, encourages the participation of small businesses that are owned and controlled by minorities and women. The project may be funded in whole or in part with Federal Transit Administration (FTA). DBE Goals will be set at the Job Order level based on Scope of Work and funding source and fall within an estimated range of 0-25.00%. See Exhibit H for a partial list of DBE firms in Southern California. SANDAG is the only source of information about SANDAG projects. It is the bidder's responsibility to download all information and addenda from the website. When you register your firm and download the IFB files, your firm will automatically be added to the PROSPECTIVE BIDDERS list.
