The committee members will evaluate the written proposals using criteria identified in Section III A. A list of top ranked proposals, firms within a competitive range, will be developed based upon the totals of each committee members' score for each proposal.

During the evaluation period, the Authority may interview some or all of the proposing firms. The Authority has established June 24, 2019 as the date to conduct interviews. All prospective Offerors are asked to keep this date available. No other interview dates will be provided, therefore, if an Offeror is unable to attend the interview on this date, its proposal may be eliminated from further discussion.

At the conclusion of the proposal evaluations, Offerors remaining within the competitive range may be asked to submit a Best and Final Offer (BAFO). At the conclusion of the evaluation process, the evaluation committee will recommend to Authority's management the Offeror whose proposal is most advantageous to the Authority.

C. AWARD

The Authority may also negotiate contract terms with the selected Offeror prior to award, and expressly reserves the right to negotiate with several Offerors simultaneously and, thereafter, to award a contract to the Offeror offering the most favorable terms to the Authority.

The Authority reserves the right to award its total requirements to one Offeror or to apportion those requirements among several Offerors as the Authority may deem to be in its best interest. In addition, negotiations may or may not be conducted with Offerors; therefore, the proposal submitted should contain Offeror's most favorable terms and conditions, since the selection and award may be made without discussion with any Offeror.

The selected Offeror will be required to submit to the Authority's Accounting department a current IRS W-9 form prior to commencing work.

D. NOTIFICATION OF AWARD AND DEBRIEFING

Offerors who submit a proposal in response to this RFP shall be notified via CAMM NET of the contract award. Such notification shall be made within three (3) business days of the date the contract is awarded.

Offerors who were not awarded the contract may obtain a debriefing concerning the strengths and weaknesses of their proposal. Unsuccessful Offerors, who wish to be debriefed, must request the debriefing in writing or electronic mail and the Authority must receive it within three (3) business days of notification of the contract award.

SCOPE OF WORK

MARKETING, PUBLIC INFORMATION AND OUTREACH SERVICES FOR METROLINK

INTRODUCTION

Orange County Transportation Authority (OCTA) was formed in June 1991 to address ongoing transportation needs in Orange County. The concept behind OCTA was to create one agency to develop and implement transportation programs designed to reduce traffic congestion and improve air quality. OCTA's Metrolink commuter rail service operates three lines with a total of 60 trains that provide service to Orange County. The countywide bus system operates 65 routes, including Stationlink rail feeder service as well as local fixed route, OC Flex micro transit service, community routes, intracounty express, and intercounty express service.

The goal of the Rail Marketing Program is to increase overall ridership through increased customer trips and through inducing trail usage amongst non-riders. OCTA is seeking a firm to partner with to develop market segmentation to identify high potential groups to be targeted for trial use. OCTA is looking for a firm that will develop an innovative approach to generate interest and trial use to reach our goal. Types of services that will help OCTA achieve these goals include:

- Integrated, Strategic Marketing Plan Development
- Marketing & Digital Marketing Campaign Development, Management and Optimization
- Email, social media and mobile marketing strategy development, implementation and optimization
- Online and traditional media planning, buying and optimization
- Ethnic marketing and translation
- Print and digital creative development, design/copywriting and production
- Market/customer research, segmentation study, online survey design, implementation and reporting
- Web, mobile app and video design and production
- Photography, collateral production, printing, distribution, specialty printing and other promotional items as required
- Onsite extension staff on an as needed basis

BACKGROUND

Metrolink is Southern California's commuter rail system linking residential communities to employment and activity centers. Formed in 1991, Metrolink is operated by the Southern California Regional Rail Authority (SCRRA) - a regional joint powers authority (JPA), Metrolink's five-agency membership including the Los Angeles County Metropolitan Transportation Authority (Metro), the Orange County Transportation Authority (OCTA), the Riverside County Transportation Commission (RCTC), the San Bernardino Associated Governments (SANBAG), and the Ventura County Transportation Commission. Metrolink operates 171 daily trains on seven lines, serving 62 stations, and carries nearly 43,000 riders each weekday throughout Southern California's five-county, 400-mile commuter rail system known as Metrolink.

Orange County Metrolink Service

There are three lines that provide service to Orange County. The Orange County (OC) Line, running between Oceanside and Los Angeles Union Station, began in 1994, followed by the

Inland Empire–Orange County (IEOC) Line, running between Oceanside and San Bernardino, in 1995, and the 91 Line, running from Riverside to Los Angeles via Fullerton, in 2002. The three lines serving Orange County provide a total of 54 trains (29 OC Line, 16 IEOC Line, and nine 91/PV Line) each weekday, serving 11 Orange County stations and carrying an average of more than 18,000 daily passengers.

In 2006, the OC and IEOC lines began offering service on weekends, year-round. In February 2010, due to budget constraints, weekend service was scaled back by nearly 50 percent. Seasonal weekend service (July through October) was implemented in 2010 and 2011, when demand and ridership typically increase. Due to numerous passenger requests and to provide additional capacity, year-round expanded weekend service resumed in the first quarter of fiscal year (FY) 2012-13. The OC Line weekend service is funded by OCTA and Metro. The IEOC Line weekend service is funded by OCTA, RCTC, and SANBAG.

A special weekend pass was introduced in 2011. Metrolink's Weekend Day Pass gives you unlimited rides all day Saturday or Sunday for only \$10. The Weekend Day Pass is available for purchase at all Metrolink station ticket vending machines that offer weekend service.

The Rail 2 Rail Program, which began in 2003, allows Metrolink monthly pass holders the option of riding Amtrak Pacific Surfliner trains at no additional charge, provided that the passholder travels within the stations identified on the monthly pass. In Orange County, a valid Metrolink ticket or pass also permits free transfers to local OCTA bus routes that directly serve a Metrolink station, including Stationlink.

In 2011, Metrolink began operating special train service to Angels weekday home games that start at 7:05 p.m. The special trains, called the Angels Express, run on the OC Line southbound from L.A. Union Station to Anaheim and back; northbound from Laguna Niguel/Mission Viejo to Anaheim and back, and on the IEOC Line from Riverside Downtown to Anaheim and back for Friday games only. Special roundtrip fares have also been established, \$7 for regular, \$6 for senior/disabled, \$4 for ages 6-18 and free rides for ages 5 and under. Ridership over the last five years has increased, from over 20,000 boardings in 2011 to over 38,000 boardings in 2018.

The total FY 2017-18 ridership (weekday and weekend) for the three Metrolink lines serving Orange County, including Rail 2 Rail passengers, total about 5.1 million. Total weekday ridership in Orange County declined 0.9 percent in FY 2017-18 versus the previous FY, while total weekend ridership grew by 5 percent. Annual revenue totaled \$35.7 million, which is .05 percent lower than the previous FY.

Systemwide Metrolink ridership surpassed 11.6 million riders for FY 2017-18. Systemwide revenue for FY 2017-18 was over \$82.5 million, which was 0.04 percent less than FY 2016-17.

MARKETING APPROACH

OCTA's Strategic Plan supports gathering feedback from customers and stakeholders to ensure ongoing dialog between OCTA and their customers. Periodic surveys of Metrolink customers play a role in assisting OCTA to better understand customer perceptions and attitudes, satisfaction levels and travel behaviors and needs. The most recent Metrolink Customer Satisfaction Survey and Market Study were conducted in 2012. The full report can be found at <http://www.octa.net/About-OCTA/Publications/Market-Research/>. A snapshot of the results of OCTA's Metrolink riders is as follows:

Existing Riders that Use Services in Orange County:

- Vast majority of riders had a positive assessment of their riding experience
- 8 out of 10 rated their experience as excellent or good
- 72% of riders used Metrolink for work
- Nearly half of respondents were monthly pass holders

Non-Users in Orange County:

- 49% are familiar with Metrolink service in Orange County
- 67% have a favorable opinion of Metrolink
- 11% have used Metrolink in the past year
- Almost 60% would be interested in riding on Metrolink in the future

Survey results indicate that OCTA's Metrolink customers have a positive opinion, are highly satisfied and the majority use it to commute to work. With the diverse and expansive geography of Orange County, the greatest challenge faced is removing the transit choice rider from their vehicle and converting them into potential new riders. The development and implementation of innovative programs to reach this new rider base will be one of the core focuses in 2019. In addition to the new programs, the selected firm shall be responsible for maintaining the following ridership programs:

- Customer Communications
Create traditional public information and/or customer communications.

Maintain promotion of the Angels Express, as well as develop new, targeted station promotions.
- Outreach Programs
Develop new and maintain existing special events that create awareness and usage of Metrolink service through community participation, such as Lunar New Year, Swallows Day Parade, Ocean Festival, etc. This provides a unique opportunity to educate and entice reluctant potential riders. Creating partnerships will allow maximum exposure while defraying cost.
- Metrolink Weekends
Develop new and maintain existing Metrolink Weekend service campaigns/promotions to create awareness and usage of Metrolink Weekends service in Orange County and the special \$10 weekend day pass.
- Evergreen Marketing
Develop fresh, relevant, high-quality branding and timeless content to continue Metrolink awareness

 1. Job-by-job estimate of time and materials needed to complete the assignment, approved by the designated OCTA Marketing Program Administrator

- Position train service as a viable transportation option for home to work, recreational and other trips

SCOPES OF SERVICES

As the demographics and communication behaviors of residents of Orange County and those in close proximity to rail stations, continue to change, marketing OCTA's rail service is becoming increasingly complex. 7 (3) CONSULTANT's proposal dated ____; (4) all other documents, if any, cited herein or incorporated by
8 reference.

9 **ARTICLE 11. CHANGES**

10 By written notice or order, AUTHORITY may, from time to time, order work suspension and/or
11 make changes in the general scope of this Agreement, including, but not limited to, the services furnished
12 to AUTHORITY by CONSULTANT as described in the Scope of Work. If any such work suspension or
13 change causes an increase or decrease in the price of this Agreement, or in the time required for its
14 performance, CONSULTANT shall promptly notify AUTHORITY thereof and assert its claim for
15 adjustment within ten (10) calendar days after the change or work suspension is ordered, and an
16 equitable adjustment shall be negotiated. However, nothing in this clause shall excuse CONSULTANT
17 from proceeding immediately with the Agreement as changed.

18 **ARTICLE 12. DISPUTES**

19 A. Except as otherwise provided in this Agreement, any dispute concerning a question of fact
20 arising under this Agreement which is not disposed of by supplemental agreement shall be decided by
21 AUTHORITY's Director, Contracts Administration and Materials Management (CAMM), who shall reduce
22 the decision to writing and mail or otherwise furnish a copy thereof to CONSULTANT. The decision of
23 the Director, CAMM, shall be final and conclusive.

24 B. Pending final decision of a dispute hereunder, CONSULTANT shall proceed diligently with
25 the performance of this Agreement and in accordance with the decision of AUTHORITY's Director,
26 CAMM. This Disputes clause does not preclude consideration of questions of law in connection with

1 decisions provided for above. Nothing in this Agreement, however, shall be construed as making final
2 the decision of any AUTHORITY official or representative on a question of law, which questions shall be
3 settled in accordance with the laws of the State of California.

4 **ARTICLE 13. TERMINATION**

5 A. AUTHORITY may terminate this Agreement for its convenience at any time, in whole or part,
6 by giving CONSULTANT written notice thereof. Upon said notice, AUTHORITY shall pay CONSULTANT
7 its allowable costs incurred to date of termination and those allowable costs determined by AUTHORITY
8 to be reasonably necessary to effect such termination. Thereafter, CONSULTANT shall have no further
9 claims against AUTHORITY under this Agreement.

10 B. In the event either Party defaults in the performance of any of their obligations under this
11 Agreement or breaches any of the provisions of this Agreement, the non-defaulting Party shall have the
12 option to terminate this Agreement upon thirty (30) days' prior written notice to the other Party. Upon
13 receipt of such notice, CONSULTANT shall immediately cease work, unless the notice from AUTHORITY
14 provides otherwise. Upon receipt of the notice from AUTHORITY, CONSULTANT shall submit an invoice
15 for work and/or services performed prior to the date of termination. AUTHORITY shall pay
16 CONSULTANT for work and/or services satisfactorily provided to the date of termination in compliance
17 with this Agreement. Thereafter, CONSULTANT shall have no further claims against AUTHORITY under
18 this Agreement. AUTHORITY shall not be liable for any claim of lost profits or damages for such
19 termination.

20 **ARTICLE 14. INDEMNIFICATION**

21 CONSULTANT shall indemnify, defend and hold harmless AUTHORITY, its officers, directors,
22 employees and agents from and against any and all claims (including attorneys' fees and reasonable
23 expenses for litigation or settlement) for any loss or damages, bodily injuries, including death, damage to
24 or loss of use of property caused by the negligent acts, omissions or willful misconduct by CONSULTANT,
25 its officers, directors, employees, agents, subcontractors or suppliers in connection with or arising out of
26 the performance of this Agreement.

ARTICLE 15. ASSIGNMENTS AND SUBCONTRACTS

A. Neither this Agreement nor any interest herein nor claim hereunder may be assigned by CONSULTANT either voluntarily or by operation of law, nor may all or any part of this Agreement be subcontracted by CONSULTANT, without the prior written consent of AUTHORITY. Consent by AUTHORITY shall not be deemed to relieve CONSULTANT of its obligations to comply fully with all terms and conditions of this Agreement.

B. AUTHORITY hereby consents to CONSULTANT's subcontracting portions of the Scope of Work to the parties identified below for the functions described in CONSULTANT's proposal. CONSULTANT shall include in the subcontract agreement the stipulation that CONSULTANT, not AUTHORITY, is solely responsible for payment to the subcontractor for the amounts owing and that the subcontractor shall have no claim, and shall take no action, against AUTHORITY, its officers, directors, employees or sureties for nonpayment by CONSULTANT.

CONSULTANT shall provide AUTHORITY, or other agents of AUTHORITY, such access to CONSULTANT's accounting books, records, payroll documents and facilities, as AUTHORITY deems necessary. CONSULTANT shall maintain such books, records, data and documents in accordance with generally accepted accounting principles and shall clearly identify and make such items readily accessible to such parties during CONSULTANT's performance hereunder and for a period of four (4) years from the date of final payment by AUTHORITY. AUTHORITY's right to audit books and records directly related to this Agreement shall also extend to all first-tier subcontractors identified in Article 15 of this Agreement. CONSULTANT shall permit any of the foregoing parties to reproduce documents by any means whatsoever or to copy excerpts and transcriptions as reasonably necessary.

ARTICLE 17. CONFLICT OF INTEREST

CONSULTANT agrees to avoid organizational conflicts of interest. An organizational conflict

1 of interest means that due to other activities, relationships or contracts, the CONSULTANT is unable,
2 or potentially unable to render impartial assistance or advice to the AUTHORITY; CONSULTANT's
3 objectivity in performing the work identified in the Scope of Work is or might be otherwise impaired; or
4 the CONSULTANT has an unfair competitive advantage. CONSULTANT is obligated to fully disclose
5 to the AUTHORITY in writing Conflict of Interest issues as soon as they are known to the
6 CONSULTANT. All disclosures must be submitted in writing to AUTHORITY pursuant to the Notice
7 provision herein. This disclosure requirement is for the entire term of this Agreement.

8 **ARTICLE 18. CODE OF CONDUCT**

9 CONSULTANT agrees to comply with the AUTHORITY's Code of Conduct as it relates to
10 Third-Party contracts which is hereby referenced and by this reference is incorporated herein.
11 CONSULTANT agrees to include these requirements in all of its subcontracts.

12 **ARTICLE 19. PROHIBITION ON PROVIDING ADVOCACY SERVICES**

13 CONSULTANT and all subconsultants performing work under this Agreement, shall be
14 prohibited from concurrently representing or lobbying for any other party competing for a contract with
15 AUTHORITY, either as a prime consultant or subconsultant. Failure to refrain from such
16 representation may result in termination of this Agreement.

17 **ARTICLE 20. FEDERAL, STATE AND LOCAL LAWS**

18 CONSULTANT warrants that in the performance of this Agreement, it shall comply with all
19 applicable federal, state and local laws, statutes and ordinances and all lawful orders, rules and
20 regulations promulgated thereunder.

21 **ARTICLE 21. EQUAL EMPLOYMENT OPPORTUNITY**

22 In connection with its performance under this Agreement, CONSULTANT shall not discriminate
23 against any employee or applicant for employment because of race, religion, color, sex, age or national
24 origin. CONSULTANT shall take affirmative action to ensure that applicants are employed, and that
25 employees are treated during their employment, without regard to their race, religion, color, sex, age or
26 national origin. Such actions shall include, but not be limited to, the following: employment, upgrading,

1 demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other
2 forms of compensation; and selection for training, including apprenticeship.

3 **ARTICLE 22. PROHIBITED INTERESTS**

4 CONSULTANT covenants that, for the term of this Agreement, no director, member, officer or
5 employee of AUTHORITY during his/her tenure in office or for one (1) year thereafter shall have any
6 interest, direct or indirect, in this Agreement or the proceeds thereof.

7 **ARTICLE 23. OWNERSHIP OF REPORTS AND DOCUMENTS**

8 A. The originals of all letters, documents, reports and other products and data produced under
9 this Agreement shall be delivered to and become the property of AUTHORITY. Copies may be made for
10 CONSULTANT's records but shall not be furnished to others without written authorization from
11 AUTHORITY. Such deliverables shall be deemed works made for hire and all rights in copyright therein
12 shall be retained by AUTHORITY.

13 B. All ideas, memoranda, specifications, plans, manufacturing, procedures, drawings,
14 descriptions, and all other written information submitted to CONSULTANT in connection with the
15 performance of this Agreement shall not, without prior written approval of AUTHORITY, be used for any
16 purposes other than the performance under this Agreement, nor be disclosed to an entity not connected
17 with the performance of the project. CONSULTANT shall comply with AUTHORITY's policies regarding
18 such material. Nothing furnished to CONSULTANT, which is otherwise known to CONSULTANT or is or
19 becomes generally known to the related industry shall be deemed confidential. CONSULTANT shall not
20 use AUTHORITY's name, photographs of the project, or any other publicity pertaining to the project in
21 any professional publication, magazine, trade paper, newspaper, seminar or other medium without the
22 express written consent of AUTHORITY.

23 C. No copies, sketches, computer graphics or graphs, including graphic artwork, are to be
24 released by CONSULTANT to any other person or agency except after prior written approval by
25 AUTHORITY, except as necessary for the performance of services under this Agreement. All press
26 releases, including graphic display information to be published in newspapers, magazines, etc., are to be

1 handled only by AUTHORITY unless otherwise agreed to by CONSULTANT and AUTHORITY.

2 **ARTICLE 24. PATENT AND COPYRIGHT INFRINGEMENT**

3 A. In lieu of any other warranty by AUTHORITY or CONSULTANT against patent or copyright
4 infringement, statutory or otherwise, it is agreed that CONSULTANT shall defend at its expense any claim
5 or suit against AUTHORITY on account of any allegation that any item furnished under this Agreement
6 or the normal use or sale thereof arising out of the performance of this Agreement, infringes upon any
7 presently existing U.S. letters patent or copyright and CONSULTANT shall pay all costs and damages
8 finally awarded in any such suit or claim, provided that CONSULTANT is promptly notified in writing of
9 the suit or claim and given authority, information and assistance at CONSULTANT's expense for the
10 defense of same. However, CONSULTANT will not indemnify AUTHORITY if the suit or claim results
11 from: (1) AUTHORITY's alteration of a deliverable, such that said deliverable in its altered form infringes
12 upon any presently existing U.S. letters patent or copyright; or (2) the use of a deliverable in combination
13 with other material not provided by CONSULTANT when such use in combination infringes upon an
14 existing U.S. letters patent or copyright.

15 B. CONSULTANT shall have sole control of the defense of any such claim or suit and all
16 negotiations for settlement thereof. CONSULTANT shall not be obligated to indemnify AUTHORITY
17 under any settlement made without CONSULTANT's consent or in the event AUTHORITY fails to
18 cooperate fully in the defense of any suit or claim, provided, however, that said defense shall be at
19 CONSULTANT's expense. If the use or sale of said item is enjoined as a result of such suit or claim,
20 CONSULTANT, at no expense to AUTHORITY, shall obtain for AUTHORITY the right to use and sell
21 said item, or shall substitute an equivalent item acceptable to AUTHORITY and extend this patent and
22 copyright indemnity thereto.

23 **ARTICLE 25. FINISHED AND PRELIMINARY DATA**

24 A. All of CONSULTANT's finished technical data, including but not limited to illustrations,
25 photographs, tapes, software, software design documents, including without limitation source code,
26 binary code, all media, technical documentation and user documentation, photoprints and other graphic

1 information required to be furnished under this Agreement, shall be AUTHORITY's property upon
2 payment and shall be furnished with unlimited rights and, as such, shall be free from proprietary restriction
3 except as elsewhere authorized in this Agreement. CONSULTANT further agrees that it shall have no
4 interest or claim to such finished, AUTHORITY-owned, technical data; furthermore, said data is subject
5 to the provisions of the Freedom of Information Act, 5 USC 552.

6 B. It is expressly understood that any title to preliminary technical data is not passed to
7 AUTHORITY but is retained by CONSULTANT. Preliminary data includes roughs, visualizations,
8 software design documents, layouts and comprehensives prepared by CONSULTANT solely for the
9 purpose of demonstrating an idea or message for AUTHORITY's acceptance before approval is given
10 for preparation of finished artwork. Preliminary data title and right thereto shall be made available to
11 AUTHORITY if CONSULTANT causes AUTHORITY to exercise Article 11, and a price shall be
12 negotiated for all preliminary data.

13 **ARTICLE 26. FORCE MAJEURE**

14 Either party shall be excused from performing its obligations under this Agreement during the time
15 and to the extent that it is prevented from performing by an unforeseeable cause beyond its control,
16 including but not limited to: any incidence of fire, flood; acts of God; commandeering of material, products,
