**QUOTE SPECIFICATIONS
FOR
STUMP CUTTER**

The following specifications describe the minimum requirements for a stump cutter (grinder). The equipment quoted shall be of new, current design production model and available to the commercial market. The complete unit must comply with all the State of Arkansas and Federal Safety Requirements. The City reserves the right to review the manufacturer's specifications and to choose the unit deemed to be in the city's best interest. In the regard, bidders are hereby advised that serviceability and functionality will be factors of award in addition to price.
