

14.1.2 If any funds other than federally appropriated funds have been paid or will be paid to any person for making lobbying contacts to an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this Contract, the undersigned shall complete and submit Standard Form--LLL, "Disclosure of Lobbying Activities."

14.1.3 The undersigned shall require that the language of this certification be included in all sub-awards (including subcontracts, sub-grants and Contracts under grants, loans and cooperative agreements) at all tiers and that all sub-recipients shall certify and disclose accordingly.

14.2 This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352, as amended. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$150,000 for each such failure.

14.3 The Contractor certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.A. § 3801, *et. seq.* apply to this certification and disclosure, if any.

15. BUY AMERICA ACT CERTIFICATION

The Buy America Act requirements apply to federally assisted construction Contracts, and acquisition of goods or rolling stock Contracts valued at more than \$150,000.

15.1 By submission of this offer, the Offeror certifies, and in the case of a joint offer, each party thereto certifies as to its own organization, that in connection with this procurement it will comply with 49 U.S.C. § 5323(j) and 49 C.F.R. Part 661, which provide that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 C.F.R. § 661.7 Separate requirements for rolling stock are set out at 49 U.S.C. § 5323(j)(2)(C) and 49 C.F.R. § 661.11.

15.2 An Offeror must submit to the Authority, the appropriate Buy America Act certification (below) with all offers on FTA funded Contracts, except those subject to a general waiver. **Offers that are not accompanied by a completed Buy America Act certification must be rejected as nonresponsive.** This requirement does not apply to lower tier subcontractors. Mark the applicable certifications below:

AMENDMENT NO. 001

- 3.1.3 The Contractor shall comply with all applicable technical documents and equipment specifications defined in the Lift Equipment Requirements Manual (Attachment B). Images and renderings included in the specification sheets are provided for representational purposes of WMATA's requirements and design intent and are not intended to restrict product selection to the any given manufacturer.
- 3.1.4 The delivery schedule will be contingent upon WMATA's acceptance of the completed space at the identified locations above. If the delivery dates must be changed, due to construction or other causes, WMATA may modify the terms of this Contract.

3.2 Summary of Work to be Performed

The Contractor shall supply and install the lift equipment that meets the performance criteria and specifications shown in Attachment B. ***The Contractor shall provide electricians with professional credentials – licenses, certificates or registrations issued by the Commonwealth of Virginia Department of Professional and Occupational Regulation (DOPR).*** The scope of the services to be performed by the Contractor will include the following:

- 3.2.1 Supply, install and test the lift equipment that either meets or exceeds the specifications as defined in Attachment B – Lift Equipment Requirements Manual. WMATA and project team will approve the equipment from the selected Contractor prior to delivery and installation.
- ## 3.2.2 Deliver and install equipment at the designated location and test the equipment for proper operation. ***The Contractor shall provide licensed electricians to perform electrical connections to the building electrical service, where required.*** Refer to the lift equipment schedule in Attachment B for the quantity and locations, and in the drawings in Attachment A for the specific location within each building. ##
- 3.2.3 Furnish all supplies, tools and equipment necessary to perform installation and testing of the equipment. For avoidance of doubt, Installation refers to activities necessary to make the furnished equipment ready for its intended operation, including but not limited to assembly, setup, lubrication, interconnection, programming, calibration and synchronization.
- 3.2.4 Demonstrate to the designated WMATA representative that all equipment is in fully operating condition as a pre-requisite for acceptance.
- 3.2.5 For any lift equipment that requires an external battery charger, the charger must be supplied with the unit, installed and operational.
