Description Information

Pursuant to the State Purchasing Act (Official Code of Georgia Annotated §§50-5-50 et seq.), this electronic Request for Quotes (eRFQ) is being issued by the Technical College System of Georgia (TCSG) on behalf of Athens Technical College (ATC) to establish a one-time purchase with one qualified supplier who will provide various pieces of Diesel Equipment for their Diesel Equipment Technology Program (hereinafter, the State Entity) as further described in this eRFQ.

Athens Technical College is seeking one supplier that can provide SnapOn Diagnostic Equipment plus Aligners and Scanners their Diesel Equipment Technology Program. The Program is interested in purchasing items and related services that can meet or exceed the attached specifications (NO SUBSTITUTION ON BRAND AND MODEL). The V3300 Alignment System w/AC400 Wheel Clamps, CR-KIT-VIN Reader Aligner, Zeus Intelligent Diagnostics & Information System, MicroVAT Elite Tester, and 19.4 Modis Edge USD Upgrade will be used for student instruction and will accompany the existing curriculum. The equipment will be used at the location of 1317 Athens Highway, Elberton GA 30635. Please review the eRFQ instruction document and the Bid Specification Sheet within the attachment section of the Team Georgia Marketplace (TGM) Bid Event for more information.
