ALTHOUGH THE RFP MAY USE MANDATORY WORDS LIKE "SHALL," "WILL," "SHOULD" OR "MUST," AND MAY DEFINE CERTAIN ITEMS AS REQUIREMENTS, THE DEPARTMENT RESERVES THE RIGHT, IN ITS DISCRETION, TO WAIVE ANY DEVIATIONS FROM THESE PROVISIONS. IN ADDITION, THERE IS NO GUARANTEE THAT SUCH DEVIATIONS WILL BE DEEMED IN THE STATE'S BEST INTEREST OR A MINOR IRREGULARITY.

SECTION 2 – CONTRACT CONDITIONS

2.0 GENERAL CONTRACT CONDITIONS

Standard terms and conditions that will apply to the contract which results from the solicitation event are provided in this section. General Contract Conditions (Form PUR 1000 – incorporated herein by reference) is a downloadable document which must be downloaded for review. This document need not be returned with the Proposer's Proposal. SECTION 3 - INTRODUCTION

3.0 INTENT

The State of Florida Department of Education (hereinafter referred to as the "Department") is soliciting written Proposals from qualified Proposers to establish a term contract of which the term is anticipated to begin upon execution of the contract and be effective for thirty-six (36) months thereafter. Award may be made to the responsible and responsive vendor(s) that the Department determines will provide what is most advantageous to the state, taking into consideration price and other criteria set forth in this document.

The resulting contract may be renewed for up to an additional two (2) one-year terms, see Form PUR 1000 for renewal requirements

3.1 PURPOSE

The purpose of this Request for Proposal (RFP) is to provide the specified vending machines and accessory vending machine equipment that can be used in facilities operated by blind and legally blind individuals. The Contractor(s) will be required to provide Florida statewide uniform purchase, replacement parts, warranty service, terms of service, and repair service. Further, the Contractor(s) will be required to deliver, install, and provide on-site training of each vending machine and/or accessory equipment awarded for the Department's Randolph-Sheppard Program.

3.2 BACKGROUND

The Division of Blind Services (DBS) is responsible for administering the Randolph-Sheppard Program enacted in 1936, 20 USC 107 et. seq., and as amended. The 1936 Act was passed to provide legally blind persons with remunerative employment, enlarge their economic opportunities and encourage self-sufficiency through the operation of vending facilities. The DBS developed a program based on federal law requirements that mandated the blind and legally blind be provided with effective tools, materials, and vocational training in all aspects of vending facility operation. The DBS selected equipment that could be standardized statewide in order to provide ease of operation, have interchangeable parts and enable operators' upward mobility, and relocation opportunities with no retraining. During the 2018-19 State Fiscal Year, DBS purchased a total of 63 new vending machines for facilities operated by blind and legally blind individuals. The DBS is unique in the responsibility of training and preparing legally blind individuals for employment. The need for consistent training procedures and uniform business tools is critical to successful employment.

3.3 DEFINITIONS

After the award, said Proposer will be referred to as the "Contractor". For the purpose of this document, the term "Proposer" means a potential Contractor acting on its own behalf and on behalf of those individuals, partnerships, firms, or corporations comprising the Proposer's team. The term "Proposal" means the complete response of the Proposer to the RFP, including properly completed forms and supporting documentation. The term "contract" refers to the agreement between the Department and the Contractor resulting from this RFP. A "responsive bid" is a Proposal submitted by a responsive and responsible vendor which conforms in all material respects to the solicitation. However, for purposes of determining what is material, please refer to Section 1 of this RFP. Use of the terms "shall," "will," "should" and "must," or the designation of items as "requirements," does not mandate that such items are material. The Department reserves the right to waive deviations, in its discretion. "Deliverable" means a tangible, specific, quantifiable and measurable event or item that must be produced to complete a project or part of a project directly related to the scope of services.

4.4 PROCUREMENT PROTESTS / NOTICE OF RIGHTS

Pursuant to F.S., Section 120.57(3) (b):

Any person who is adversely affected by the agency decision or intended decision shall file with the agency a notice of protest in writing within 72 hours after the posting of the notice of decision or intended decision. With respect to a protest of the terms, conditions, and specifications contained in a solicitation, including any provisions governing the methods for ranking bids, proposals, or Proposals, awarding contracts, reserving rights of further negotiation, or modifying or amending any contract, the notice of protest shall be filed in writing within 72 hours after the posting of the solicitation. The formal written protest shall be filed within ten (10) days after the date the notice of protest is filed. Failure to file a notice of protest or failure to file a formal written protest shall constitute a waiver of proceedings under this chapter. The formal written protest shall state with particularity the facts and law upon which the protest is based. Saturdays, Sundays, and state holidays shall be excluded in the computation of the 72-hour time periods provided by this paragraph.

Section 120.57(3)(a) provides:

Failure to file a protest within the time prescribed in section 120.57(3), F.S., or failure to post the bond or other security required by law within the time allowed for filing a bond shall constitute a waiver of proceedings under chapter 120, F.S."

Florida Administrative Code (F.A.C.) Rule 28-110.002(2) defines the term "decision or intended decision," and includes the solicitation terms (and any addenda), the award of the contract, and a rejection of all bids.

At the time of filing the Formal Written Protest the protestor must also file a Protest Bond payable to the Department in an amount equal to 1 percent of the estimated contract amount. F.S., Section 287.042(2) (c) and F.A.C. Rule 28-110.005 contain further terms relating to the Protest Bond, including how to determine the estimated contract amount. In lieu of a Protest Bond, the Department will accept cashier's checks, official bank checks or money orders. The bond shall be conditioned upon the payment of all costs and charges that are adjudged against the protestor in the administrative hearing in which the action is brought and in any subsequent appellate court proceeding.

The Notice of Protest, Formal Written Protest, and Protest Bond shall be addressed to the issuing office as identified in **SECTION 4.3** above, and filed with the agency clerk.

4.5 ORAL INSTRUCTIONS / CHANGES TO THE REQUEST FOR PROPOSAL (ADDENDA)

No negotiations, decisions, or actions will be initiated or executed by a Proposer as a result of any oral discussions with a state employee. Notice of changes (addenda) will be posted on the VBS, under this Proposal number. It is the responsibility of all potential Proposers to monitor this site for any changing information prior to submitting a Proposal.

4.6 MODIFICATIONS, RESUBMITTAL AND WITHDRAWAL

Proposers may modify submitted Proposals at any time prior to the Proposal due date. Requests for modification of a submitted Proposal shall be in writing and must be signed by an authorized representative of the Proposer. in a sealed envelope to be opened at the same time as the Proposal. The RFP number, opening date and time should appear on the envelope of the modified Proposal.

Unless specifically requested by the Department, any amendments, revisions, or alterations to Proposals will not be accepted after the closing for the receipt of Proposals.

4.7 RESTRICTIONS ON COMMUNICATIONS WITH DEPARTMENT STAFF

Proposers shall not communicate with any Department staff concerning this RFP except for the Department contact person identified in **SECTION 4.3 PROPOSAL QUESTIONS AND ANSWERS** of this RFP. Only those communications which are in writing from the Bureau of Contracts, Grants, and Procurement Management Services shall be considered as a duly authorized response on behalf of the Department. For violation of this provision, the Department reserves the right to reject a Proposer's Proposal.

Respondents to this solicitation or persons acting on their behalf may not contact, between the release of the solicitation and the end of the 72-hour period following the agency posting the notice of intended award, excluding Saturdays, Sundays, and state holidays, any employee or officer of the executive or legislative branch concerning any aspect of this solicitation, except in writing to the procurement officer or as provided in the solicitation documents. Violation of this provision may be grounds for rejecting a Proposal.

4.8 CONFIDENTIAL, PROPRIETARY, OR TRADE SECRET MATERIAL

The Department takes its public records responsibilities as provided under Chapter 119, F.S., and Article I, Section 24 of the Florida Constitution, very seriously. If Proposer considers any portion of the documents, data or records submitted in response to this solicitation to be confidential, trade secret or otherwise not subject to disclosure pursuant to Chapter 119, F.S., the Florida Constitution or other authority, Proposer must clearly mark and identify in its Proposal those portions which are confidential, trade secret or otherwise exempt. Proposer must also simultaneously provide the Department with a separate redacted copy of its Proposal. This redacted copy shall contain the Department's solicitation name, number, and the name of the Proposer on the cover, and shall be clearly titled "Redacted Copy." The Redacted Copy shall be provided to the Department at the same time Proposer submits its Proposal to the solicitation and must only exclude or obliterate those exact portions which are claimed confidential, proprietary, or trade secret, or otherwise exempt. **The Proposer should also provide one (1) electronic copy (compact disc (CD), flash drive, etc.) of their Redacted Copy.**

Proposer shall be responsible for defending its determination that the redacted portions of its Proposal are confidential, trade secret or otherwise not subject to disclosure. Further, Proposer shall protect, defend, and indemnify the Department for any and all claims arising from or relating to Proposers' determination that the redacted portions of its Proposal are confidential, proprietary, trade secret or otherwise not subject to disclosure.

If Proposer fails to submit a Redacted Copy with its Proposal, the Department is authorized to produce the entire documents, data or records submitted by Proposer in answer to a public records request for these records. Notwithstanding the foregoing, the Department reserves the right to disclose any materials as public records unless it determines, in its discretion, that an exemption to disclosure applies to the record.

4.9. POOR PERFORMANCE NOTICE

The Proposer should provide for both the Proposer and its employees, subcontractors, and subcontractor employees, copies of any and all documents regarding complaints filed, investigations made, warning letters or inspection reports issued, any notice of breach, notice of default, termination notice, suspension notice, or any disciplinary action initiated or taken under any contract or job performance within the past seven (7) years. For each instance listed, provide a narrative summary of the contract's purpose and scope of work, the Proposer's performance, including the concerns of the project owner, and any major adverse findings. In addition, provide the contract or job number, the name of the owner, the term of the contract, the name, address, and telephone

number of the owner's contract manager. Please also include any relevant documentation evidencing the performance issues.

The Department reserves the right to seek further information on this matter from the Proposer or to make inquiries with the project owner. The information obtained from this review may be reflected in the Proposer's score or used to declare the Proposer not a responsible vendor.

4.10 WITHDRAWAL OF A PROPOSAL

A Proposer may withdraw a Proposal by written notice to the Department on or before the deadline specified for the receipt of Proposals in **SECTION 3.4 CRITICAL EVENT DATES** of this RFP. Such written notice is to be submitted to the Issuing Office at the address specified in **SECTION 4.3 PROPOSAL QUESTIONS AND ANSWERS** of this RFP.

4.11 CONDITIONS TO THE PROPOSAL

No conditions may be applied to any aspect of the RFP by the prospective Proposer. Any conditions placed on any aspect of the Proposal documents by the prospective Proposer may result in the Proposal being rejected as a conditional Proposal. **DO NOT WRITE IN CHANGES ON ANY RFP SHEET.** The only recognized changes to the RFP prior to Proposal opening will be a written addenda issued by the Department. The Proposer recognizes the Department's right to ignore the condition and treat the Proposal as if no conditions exists.

4.13 AWARD

As in the best interest of the state, the right is reserved to award based on **all or none, groups of services, or any combination** thereof, to a responsive, responsible Proposer. As in the best interest of the state, the right is reserved to reject any and/or all Proposals or to waive any minor irregularity in Proposals received. 5.10 SUBMISSION OF PROPOSALS BY SUBSIDIARIES OR AFFILIATES

A Proposer, its subsidiaries, affiliates, or related entities is limited to one Proposal. Submission of more than one Proposal per activity by a Proposer may cause the rejection of all Proposals submitted by the Proposer. In the alternative, the Department may decide, in its sole discretion, which Proposal to evaluate and consider. A subsidiary or affiliate of a prime Proposer may also be included as a subcontractor in another Proposer's Proposal.

5.11 PROHIBITION OF GRATUITIES

However, this prohibition does not prevent a vendor who responds to a request for information from being eligible to contract with an agency.

5.15 ACCESSIBLE ELECTRONIC INFORMATION TECHNOLOGY

Proposers submitting Proposals to this solicitation must provide electronic and information technology resources in complete compliance with the accessibility standards provided in Sections 282.601-282.606, F.S., and Rule 60-8.002, F.A.C. These standards establish a minimum level of accessibility.

5.16 SCRUTINIZED COMPANIES LISTS

Section 287.135, Florida Statutes, requires that at the time a company submits a bid or proposal for a contract for goods or services of \$1 million or more, the company must certify that the company is not on either the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Both lists are created pursuant to section 215.473, Florida Statutes.

Proposals of \$1 million or more should include the attached ***Scrutinized Companies Lists*** Form (Attachment H) to certify the Proposer is not on either of those lists. The Form should be submitted with the Technical Proposal.

- A. Bills for fees or other compensation for services or expenses shall be submitted in detail sufficient for a proper preaudit and postaudit thereof.
 - B. Travel expenses will be reimbursed only if expressly authorized by the terms of the Contract. Bills for any travel expenses shall be submitted in accordance with s. 112.061, F.S.
 - C. The Department may unilaterally cancel this Contract if the Contractor refuses to allow access by members of the public to all documents, papers, letters and materials made or received in conjunction with the Contract that are subject to Chapter 119, F.S., and are not exempt from public inspection by s 119.071, F.S., or by other provisions of general or special law.
 - D. The Deliverables specified in the Contract must be received and accepted in writing by the Department's Contract Manager before Contractor is entitled to payment.
 - E. To complete this Contract, all services must be performed and/or goods received on or before the date(s) specified in the Contract.
 - F. If this Contract is expressly renewable, it may be renewed for a period that may not exceed three years or the term of the original contract, whichever is longer. The renewal price for the contracted service is set forth in the bid, proposal, reply. Cost for renewal shall not be changed. Renewals shall be contingent on satisfactory performance evaluations by the Department and subject to the availability of funds. Exceptional purchase contracts pursuant to s. 287.057(3)(a) and (c), F.S., may not be renewed.
- II. In fulfilling its obligations under this Contract and Chapter 119, F.S., Contractor must comply with the requirements outlined in s. 119.0701, F.S. If Contractor fails to comply with a public records request pursuant to Chapter 119, F.S., the Department may take any action under this Contract necessary to ensure compliance with Florida's public records laws, including, but not limited to, demanding compliance with a public records request, seeking indemnification from Contractor regarding an action brought to enforce a public records request sent to Contractor, or terminating the Contract. Pursuant to s. 119.0701, F.S., Contractor must:

 - C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the records to the Department; and
 - D. Upon completion of the Contract, transfer, at no cost, to the Department all public records in possession of the Contractor or keep and maintain public records required by the Department to perform the service. The invoice shall set forth details sufficient for a proper pre-audit and post-audit including, where applicable, the products and services delivered and completion dates. Upon receipt of the invoice, the Department of Education Comptroller will request confirmation from the Contract Manager that the delivered products and services are satisfactory and payment is due. - V. As used in this Contract, the term "Deliverable" refers to tangible "commodities", as defined in s. 287.012(5), F.S., which the Contractor provides pursuant to the Contract and to reports or other tangible or documentary evidence which demonstrate that the Contractor has performed the services required by the Contract. The following provisions govern Deliverables, as applicable:
- A. Each Deliverable must be physically delivered to the Department's Contract Manager, or to a person designated by the Contact Manager. If delivery is made to a designee, the Contractor shall give written notice to the Contract Manager of the delivery. A Deliverable is not received until the Contract Manager has physical control of deliveries or has written notice that the designee has physical control.
 - B. In each case in which the approval of a Deliverable is dependent upon tests being conducted by the Department or Contractor, independently or jointly, the Department's inspection and approval of the Deliverable shall not be subject to the five (5) day provision in s. 215.422, F.S., but shall be governed by the terms and conditions of the acceptance testing plan as stated in Attachment A or applicable section, until approved in accordance with the plan.
 - C. In each case of a Deliverable of information technology, as defined at s. 287.012(14), F.S., unless specified otherwise in Attachment A or applicable section, the acceptance testing plan is deemed to include as a minimum the reliable performance of the information technology in accordance with its design specifications in:
 - 1. a test environment that simulates the production environment as much as is reasonably possible; and
 - 2. the production environment for which it is intended for a period of time sufficient for the information technology to have experienced the major foreseeable exigencies of the production functions.
 - D. The Department's inspection, including testing when applicable, shall determine whether or not the Deliverables appear to be in compliance with the Contract. The Contractor shall be notified in writing of any apparent deficiency. The written notice shall detail the specific action required by the Contractor to correct the deficiency. The Contractor shall timely correct such deficiency and resubmit the deliverable for acceptance.
- VI. The Contractor represents and agrees that information submitted in support of its requests for payment is the basis of payment and is true and accurate to the best of knowledge of the responsible signatory. A violation of this provision shall subject the violator to the provisions of s. 68.082, F.S., pertaining to false claims against the State, and/or s. 837.06, F.S., pertaining to false official statements.
- VII. This paragraph applies if this Contract expires in a fiscal year subsequent to the fiscal year in which the Contract is entered. The State of Florida's fiscal year comprises July 1 through June 30. The Department's and State of Florida's performance and obligation to pay under this Contract is contingent upon an annual appropriation by the Legislature.
- VIII. Notwithstanding anything to the contrary contained in a State Term Contract, Contractor warrants that all commodities, as defined in s. 287.012, F.S., shall meet the specifications of the Contract and shall be merchantable and fit for the particular purposes intended by the Contract.
- IX. The Contractor further warrants that as to each Deliverable produced pursuant to this Contract, Contractor's production of the Deliverable, and the Department's use of the Deliverable, will not infringe on the copyrights of any third party. This provision applies to each work of authorship in which copyrights subsist pursuant to 17 U.S.C. Sections 102-105 and to each exclusive right established in 17 U.S.C. Section 106. In furtherance of this provision the Contractor additionally warrants that:
- A. As to each work of software or other "information technology", as defined in s. 287.012(15), F.S., in which copyrights subsist, the Contractor has acquired the rights by conveyance or license to any third party software or other information technology, which was used to produce the Deliverable;
 - B. As to each image and sound recording incorporated into a Deliverable, the Contractor has acquired the necessary rights, releases, and waivers from the person whose image or sound is included, or from the holder of the copyrights subsisting in the literary, musical, dramatic, pantomime, choreographic, pictorial, graphic, sculptural, motion pictures, audiovisual work or sound recording from which the included image or sound recording was taken.
- X. The Contractor further warrants that the Contractor shall not disclose to any third party, without the express, prior, written approval of the Department, any personally identifiable information about any student. This applies to information which came from any record or report of a Florida public education institution or from any education record which is subject to the Family Educational Rights and Privacy Act, 20 U.S.C. Section 1232g. The terms "record a report" and "student" shall have the meanings prescribed in s. 1002.22(2)(c) and (d), F.S. The term "educational record" shall have the meaning prescribed in 20 U.S.C. Section 1232g(a)(4).
- XI. In the event that the Governor and Cabinet are required to impose a mandatory reserve on appropriations, the Department shall amend this Contract to place in reserve the amount determined by the Department of Education to be necessary because of the mandatory reserve. Such amendments may provide for adjustments in the Deliverable products and services as may be necessary.
- XII. Intellectual property is subject to following additional provisions:
- A. Anything by whatsoever designation it may be known, that is produced by, or developed in connection with, this Contract shall become the exclusive property of the of the State of Florida and may be copyrighted, patented, or otherwise restricted as provided by Florida or federal law. Neither the Contractor nor any individual employed under this Contract shall have any proprietary interest in the product.
 - B. With respect to each Deliverable that constitutes a work of authorship within the subject matter and scope of U.S. Copyright Law, 17 U.S.C. Sections 102-105, such work shall be a "work for hire" as defined in 17 U.S.C. Section 101 and all copyrights subsisting in such work for hire shall be owned exclusively by the Department pursuant to s. 1006.39, F.S., on behalf the State of Florida.
 - C. In the event it is determined as a matter of law that any such work is not a "work for hire", Contractor shall immediately assign to the Department all copyrights subsisting therein for the consideration set forth in the Contract and with no additional compensation.
 - D. The foregoing shall not apply to any preexisting software, or other work of authorship used by Contractor, to create a Deliverable but which exists as a work independently of the Deliverable, unless the preexisting software or work was developed by Contractor pursuant to a previous Contract with the Department or a purchase by the Department under a State Term Contract.
 - E. The Department shall have full and complete ownership of all software developed pursuant to the Contract including without limitation:
 - 1. The written source code;
 - 2. The source code files;

3. The executable code;
 4. The executable code files;
 5. The data dictionary;
 6. The data flow diagram;
 7. The work flow diagram;
 8. The entity relationship diagram; and
 9. All other documentation needed to enable the Department to support, recreate, revise, repair, or otherwise make use of the software.
- XIII. The Department reserves the right, at its option, to issue a change order to delete work tasks reducing the total Contract amount by up to 10%. An addition of work tasks within the scope of the Contract, an increase in the total Contract amount, or a decrease of more than 10% of the total Contract amount, shall be implemented only by a Contract amendment signed by both the Department and the Contractor.
- XIV. Pursuant to s. 216.347, F.S., no funds awarded under this Contract may be used for the purpose of lobbying the Legislature, the judicial branch, or a State agency.
- XV. The Contractor understands that s. 20.055, F.S., requires every contractor and subcontractor to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing; and the Contractor shall comply with this requirement. The Contractor shall grant access to all records pertaining to the Contract to the Department's Inspector General, General Counsel and other agency representatives, the State Auditor General, the Office of Program Policy and Government Accountability, and the Chief Financial Officer.
- XVI. The Contractor agrees to permit onsite visits by designated Department employees or agents to conduct audits to ensure compliance with Section 20.055, Florida Statutes. These audits may require Department access to records and data, computers and communications devices, and other materials whether owned or operated by the Contractor. Access may include, but is not limited to, user level and/or system level access to any computing or communications device; access to information (electronic, hardcopy, etc) that may be produced, transmitted or stored on the Contractor's equipment or premises; access to work areas; and access to interactively monitor and log traffic on the Contractor's networks.
- XVII. The Contractor must carry general liability insurance, which shall include errors and omissions coverage. The amount of coverage shall be a minimum of \$1,000,000 or the aggregate total of all contractual agreements between the Contractor and the agencies and political subdivisions of the State of Florida, whichever is greater. The Contractor shall add the Department as an additional insured on the general liability coverage. The insurance shall cover all of the Contractor's operations under this Contract and shall be effective throughout the Term of this Contract, as well as any renewals or extensions thereto. It is not the intent of this Contract to limit the types of insurance otherwise required by this Contract or that the Contractor may desire to obtain or be required to obtain by law. The Contractor must submit a Certificate of Insurance indicating coverage for general liability purposes and additional insured coverage, and shall maintain and pay for same throughout the Term of this Contract. A Certificate of Insurance indicating adequate coverage shall be submitted to the Department prior to the time the Contract is entered. Any and all insurance policies shall be through insurers qualified to do business in Florida.
- XVIII. When applicable, the Contractor agrees to provide the Department upon execution of this Contract with a performance bond or other security deposited with the Department in the total amount of the Contract or another amount if specified in the procurement specifications or Attachment A, guaranteeing that the Contractor will perform all work according to this Contract, within the time and price specified in the Contract. A performance bond shall be issued from a surety company, qualified to do business in Florida.
- XIX. The Contractor may not assign or subcontract all or any portion of this Contract without the advance written consent of the Department.
- XX. In all cases in which the Contractor, with the advance written consent of the Department, assigns or subcontracts, all or any portion of the Contract:
- A. The Contractor shall monitor the subcontractor or assignee and establish controls to avoid or mitigate risks identified by the Department or the Contractor; and
 - B. The Contractor shall allow the Department to monitor subcontractor or assignee activity and compliance, and the Contractor shall require the subcontractor or assignee to promptly submit to the Department, at the Department's request, complete and accurate documentation pertaining to the subcontract or the Contract.
- XXI. The Contractor shall coordinate with and assist the Department's Contract Manager in the performance of the latter's responsibilities, which include without limitation:
- A. Monitoring the activities of the Contractor;
 - B. Receiving and reviewing the reports of the Contractor to determine whether the objectives of the Contract are being accomplished;

 - D. Evaluating the process used by the Contractor to monitor the activities of any subcontractor or assignee; and
 - E. Accessing, directly, the subcontractors and assignees, as the Contract Manager deems necessary.
- XXII. This Contract may not be modified unless in writing signed by the Department and the Contractor.
- XXIII. The Department and the Contractor waive application of the principle of contract construction that ambiguities are to be construed against a contract's drafter, and agree that this Contract is their joint product.
- XXIV. The Department and the Contractor acknowledge that they have had their respective attorneys review and approve this Contract or that they have had the opportunity to do so.
- XXV. This Contract shall be governed by the laws of the State of Florida, and venue for purposes of any action brought to enforce or construe the Contract shall lie in Leon County, Florida.
- XXVI. Failure of the Department to declare any default immediately upon the occurrence or knowledge thereof, or delay in taking any action in connection therewith, does not waive such default. The Department shall have the right to declare any such default at any time and take such action as might be lawful or authorized under the Contract, at law, or in equity. No Department waiver of any term, provision, condition or covenant of the Contract shall be deemed to imply or constitute a further Department waiver of any other term, provision, condition or covenant of the Contract, and no payment by the Department shall be deemed a waiver of any default under the Contract.
- XXVII. Time is of the essence with regard to each and every obligation of the Contractor contained in the Contract. Each such obligation is deemed material, and a breach of any such obligation (including a breach resulting from the untimely performance thereof) shall constitute a material breach.
- XXVIII. The Contractor shall indemnify and hold harmless the Department, its attorneys, agents and employees, from and against any and all third party claims, suits, debts, damages, and causes of action, whatsoever, whether arising in law or in equity, arising out of or relating to Contractor performance or failure

to perform under this Contract. The indemnification shall include reasonable attorney fees and costs incurred by the Department, its attorneys, agents and employees, in the defense of any such claim, suits or causes of action, as aforesaid.

- Each Vendor doing business with the State of Florida for the sale of commodities or contractual services as defined in section 287.012, Florida Statutes, shall register in MyFloridaMarketPlace, in compliance with Rule 60A-1.031, Florida Administrative Code, unless exempt under Rule 60A-1.031(3) Florida Administrative Code.
- B. MyFloridaMarketplace Transaction Fee
- The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system. Notwithstanding the provisions of Rule 60A-1.031, et seq., the assessment of a transaction fee shall be contingent upon Federal approval of the transaction fee assessment program and continued payment of applicable federal matching funds.
- For payments within the State accounting system (FLAIR or its successor), the Transaction Fee shall, when possible, be automatically deducted from payments to the Vendor. If automatic deduction is not possible, the Vendor shall pay the Transaction Fee pursuant to Rule 60A-1.031(2), Florida Administrative Code. By submission of these reports and corresponding payments, Vendor certifies their correctness. All such reports and payments shall be subject to audit by the State or its designee.

- Failure to comply with these requirements shall constitute grounds for declaring the Vendor in default and recovering reprocurement costs from the Vendor in addition to all outstanding fees. VENDORS DELINQUENT IN PAYING TRANSACTION FEES MAY BE EXCLUDED FROM CONDUCTING FUTURE BUSINESS WITH THE STATE.
- XXXVI. The Contractor shall comply with all applicable Federal, State and County laws, ordinances, rules, and regulations applicable to the Contractor and applicable to its performance under this Contract.
