

RFP 672 D1 Lowboy Trailer

ADDENDUM 1

1. Do you want aluminum wheels inside and out?
In regards to question 1 aluminum wheels were specified to minimize corrosion between dissimilar metals so prefer aluminum wheels inside and out however feel free to show outside or all-around as an option to remain competitive with other vendors that may equip either way as I did not specify one way over another.
2. Do you want wood filled or ladder ramps? (it's the same price ether way)
2 ladder ramps.
3. Is Eager Beaver Grey ok for color?
3 show gray as an exception with silver as an added expense as we are trying to stay true to fleet uniformity.
