March 17, 2020

## **NOTICE TO ALL BIDDERS: BID OPENING INFORMATION**

Reference - Invitation For Bids: IFB #155860 e-bid 3590  
Commodity: Water Activated Cold Patch  
Dated: March 02, 2020  
For Delivery To: VDOT Statewide  
Bid Due: March 18, 2020  
Pre-bid Conference: N/A

The Coronavirus has continued to grow in seriousness and is impacting organizations across the Commonwealth and throughout the world. The CDC has declared the COVID-19 an international pandemic and have highlighted the potential impact of the disease. Even though the risk of infection is relatively low, it is important to recognize the risk and prepare. While we appreciate the outpouring of interest in this event, the health and well-being of our clients, partners, and employees is our primary concern. In light of this, VDOT is following the Governor's Declaration of Emergency and providing teleconference options in lieu of an in-person meeting.

Please utilize the following conference information to access the Bid Opening for Water Activated Cold Patch on March 19, 2020 at 10:30am.
