Addendum 2 (resulting from Questions/Answers)

IFB0281-032520 Canal St. Bridge Repairs

Question: Is there a contact person for the upstream dam so we can have the flow reduced during the hours of construction?

Answer: Flow will not be controlled for this project. It is anticipated that work will be completed in July/August/September when flows are typically low. The contract times are 60 Days for Substantial Completion from the Notice to Proceed. We will issue the Notice to Proceed and begin counting the contract days once flows are sufficiently reduced. Bids are due April 10th at 4:00 PM per Addendum 1.
