**ADDENDUM NO. 3
IFB NO. 2020-018 TRP Roof Replacement**

This addendum addresses the following:

1. Bid Opening:
IFB 2020-018 will open as scheduled on **April 28, 2020 - 2:00pm.**

To meet the Local and State requirement of holding a public bid opening, this bid opening will be made available through a Zoom meeting.

All bids MUST be submitted through Johnson County's electronic bidding system, IonWave. <https://jocogov.ionwave.net>

You are welcome to log in to the Zoom meeting to view the bid opening, but it is NOT required. Per standard operating procedure, bid results will be posted in IonWave shortly after the bid opening at 2:00.

If you would like to view the bid opening via Zoom, please see the following meeting invitation and click on the link below or copy the link to a browser.

Meeting ID: 955 3298 6539

For anyone that chooses to view the bid opening via Zoom, you will be asked to introduce yourself so that Purchasing can keep a record of who attended the virtual meeting.

Video is not required. The meeting is set up so that all microphones are muted upon joining the meeting. You will need to unmute your microphone to introduce yourself and then re-mute for the remainder of the meeting, unless you have questions during the meeting. The Purchasing Administrator will be sharing the Ionwave screen during the entire meeting.

The Question Cut-Off Date for technical and scope questions has passed (April 23, 2020 - 5:00pm), however please send any questions regarding IonWave, the bid opening, or access to the Zoom meeting to:
