

PUBLIC NOTICE OF

A REQUEST FOR FORMAL BID PROPOSALS FOR BUTTE COLLEGE WASTE WATER TREATMENT PLANT DREDGING AND DISPOSAL PROJECT

NOTICE IS HEREBY GIVEN that the BUTTE-GLENN COMMUNITY COLLEGE DISTRICT (District), acting by and through its Board of Trustees, will receive sealed Bid Proposals for the Contract for the Work generally described as **WASTE WATER TREATMENT PLANT DREDGING AND DISPOSAL PROJECT** located on the District's Butte College Campus located at 3536 Butte Campus Drive, Oroville, California 95965.

The base bid in general shall consist to provide all labor, materials, equipment and supplies necessary to complete the removal of the sludge and vegetation from the bottom of the pond 2 to original soil. Rock walls will be cleaned of all vegetation and returned to original condition. Provide all transportation and disposal of sludge and vegetation on a dry ton basis from pond 2. Provide all labor, materials, equipment and supplies necessary to complete the removal of the sludge and vegetation from the bottom of the sludge drying beds to the top of sand drain beds. District will need use of sludge drying beds by third week of project. Provide all transportation and disposal of sludge and vegetation on a dry ton basis from drying beds. The District has established an estimated project budget of \$250,000 for completing the construction of the Project. The start date for the project is June 24, 2020 and scheduled completion date is September 31, 2020.

Latest date and time for submittal of Bid Responses is up to, but not later than May 26, 2020 at 2:00 PM. There is a Mandatory Job Walk May 18, 2020 at 10:00 AM. Any Bid Proposals received after the due date and time will not be considered and will be returned to the firm. An Electronic copy of the Bid and Contract Documents are available at <http://www.butte.edu/departments/fpm/bid.html> at no cost.

Advertising Dates – May 08, 2020 and May 14, 2020
