The Bidder shall provide a separate copy of its bid that contains redactions of content that the bidder contends is confidential financial information or a trade secret. If a bidder, however, fails to provide a redacted copy, the final contract without the bid documents could be posted and if someone makes a Maryland Public Information Act request for the bid, then once the request comes in, Purchasing can advise the submitter that the County intends to publicly produce the bid unless the submitter provides a redacted version with its bid response.
