information requested and must address all points. The City does not encourage exceptions. The City is not required to grant exceptions and depending on the exception, the City may reject the proposal.

Other products will be considered upon showing the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics.
- Minor differences that do not affect the suitability of the supply or service for the City's needs may be accepted. Burden of proof that the product meets the minimum standards or is equal to the brand name product is on the proposer. The City reserves the right to reject proposals that the City deems unacceptable.

All decisions on compliance, evaluation, terms and conditions shall be made solely at the City's discretion and made to favor the City. No binding contract will exist between the proposer and the City until the City executes a written contract or purchase order.
- i.17 **OFFICIAL SOLICITATION DOCUMENT.** Changes to the solicitation document made by a proposer may not be acknowledged or accepted by the City. **INSTRUCTIONS – EVALUATION**

- i.22 **EVALUATION PROCESS.** Proposals will be reviewed by a screening committee comprised of City employees. The City staff may or may not initiate discussions with proposers for clarification purposes. Clarification is not an opportunity to change the proposal. Proposers shall not initiate discussions with any City employee or official.
- i.23 **CRITERIA FOR EVALUATION AND AWARD.** The City evaluates three (3) categories of information: responsiveness, responsibility, the technical proposal/price. All proposals must meet the following responsiveness and responsibility criteria.
  - a) **Responsiveness.** The City will determine whether the proposal complies with the instructions for submitting proposals including completeness of proposal which encompasses the inclusion of all required attachments and submissions. The City must reject any proposals that are submitted late. Failure to meet other requirements may result in rejection.
  - b) **Responsibility.** The City will determine whether the proposer is one with whom it can or should do business. Factors that the City may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced proposals, past performance, references (including those found outside the proposal), compliance with applicable laws, proposer's record of performance and integrity- e.g. has the proposer been delinquent or unfaithful to any contract with the City, whether the proposer is qualified legally to contract with the City, financial stability and the perceived ability to perform completely as specified. A proposer must at all times have financial resources sufficient, in the opinion of the City, to ensure performance of the contract and must provide proof upon request. City staff may also use Dun & Bradstreet and/or any generally available industry information. The City reserves the right to inspect and review proposer's facilities, equipment and personnel and those of any identified subcontractors. The City will determine whether any failure to supply information, or the quality of the information, will result in rejection.
  - c) **Technical Proposal.** The City will determine how well proposals meet its requirements in terms of the response to the specifications and how well the offer addresses the needs of the project. The City will rank offers using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation.
  - d) If less than three (3) responsive proposals are received, at the City's sole discretion, the proposals may be evaluated using simple comparative analysis instead of any announced method of evaluation, subject to meeting administrative and responsibility requirements.

For this RFP, the criteria that will be evaluated and their relative weights are:

<b>Evaluation Criteria (<i>proposal format, page 23</i>)</b>	<b>Points</b>
Demonstrated Experience of the Firm and Project Personnel ( <i>Tab 2</i> )	30
References ( <i>Tab 2</i> )	20
Project Plan/Approach and Timeframe for Services ( <i>Tab 3</i> )	40
Cost of Services ( <i>Tab 4</i> )	10

- i.24 **SHORT-LISTING.** The City at its sole discretion may create a short-list of the highest scored proposals based on evaluation against the evaluation criteria. Short-listed proposers may be invited to give presentations and/or interviews. Upon conclusion of any presentations/interviews, the City will finalize the ranking of shortlisted firms.
- i.25 **PRESENTATIONS/INTERVIEWS.** Presentations and/or interviews may be requested at the City's discretion. The proposer must provide a formal presentation/interview on-site at a City location upon request.
- i.26 **BEST & FINAL OFFERS.** The City may request best & final offers if deemed necessary, and will determine the scope and subject of any best & final request. However, the proposer should not

expect that the City will ask for best & finals and should submit their best offer based on the terms and conditions set forth in this solicitation.

- i.28 **CONTRACT NEGOTIATIONS AND ACCEPTANCE.** Proposer must be prepared for the City to accept the proposal as submitted. If proposer fails to sign all documents necessary to successfully execute the final contract within a reasonable time as specified, or negotiations do not result in an acceptable agreement, the City may reject proposal or revoke the award, and may begin negotiations with another proposer. Final contract terms must be approved or signed by the appropriately authorized City official(s). No binding contract will exist between the proposer and the City until the City executes a written contract or purchase order.

- f) The contractor hereby acknowledges and agrees that if the contractor does not comply with the public agency's request for records, the public agency shall enforce the contract provisions in accordance with the contract.
- g) A contractor who fails to provide the public records to the public agency within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes.
- h) If a civil action is filed against a contractor to compel production of public records relating to a public agency's contract for services, the court shall assess and award against the contractor the reasonable costs of enforcement, including reasonable attorney fees, if:
  - 1. The court determines that the contractor unlawfully refused to comply with the public records request within a reasonable time; and
  - 2. At least eight (8) business days before filing the action, the plaintiff provided written notice of the public records request, including a statement that the contractor has not complied with the request, to the public agency and to the contractor.
- i) A notice complies with subparagraph (h)2. if it is sent to the public agency's custodian of public records and to the contractor at the contractor's address listed on its contract with the public agency or to the contractor's registered agent. ---

background check policies. Any officer, employee, or agent that fails the background check must be replaced immediately for any reasonable cause not prohibited by law.

S.16 **SECURITY CLEARANCE AND REMOVAL OF CONTRACTOR PERSONNEL.** The City will have final authority, based on security reasons: (i) to determine when security clearance of Contractor personnel is required; (ii) to determine the nature of the security clearance, up to and including fingerprinting Contractor personnel; and (iii) to determine whether or not any individual or entity may provide services under this Agreement. If the City objects to any Contractor personnel for any reasonable cause not prohibited by law, then Contractor will, upon notice from the City, remove any such individual from performance of services under this Agreement.

S.17 **DEFAULT.**

- a. A party will be in default if that party:

- b. Contractor will be in default of this Agreement if Contractor is debarred from participating in City procurements and solicitations in accordance with Section 27 of the City's Purchasing and Procedures Manual.
- c. **Notice and Opportunity to Cure.** In the event a party is in default then the other party may, at its option and at any time, provide written notice to the defaulting party of the default. The defaulting party will have thirty (30) days from receipt of the notice to cure the default; the thirty (30) day cure period may be extended by mutual agreement of the parties, but no cure period may exceed ninety (90) days. A default notice will be deemed to be sufficient if it is reasonably calculated to provide notice of the nature and extent of such default. Failure of the non-defaulting party to provide notice of the default does not waive any rights under the Agreement.
- d. **Anticipatory Repudiation.** Whenever the City in good faith has reason to question Contractor's intent or ability to perform, the City may demand that Contractor give a written assurance of its intent and ability to perform. In the event that the demand is made and no written assurance is given within five (5) calendar days, the City may treat this failure as an anticipatory repudiation of the Agreement.

S.18 **REMEDIES.** The remedies set forth in this Agreement are not exclusive. Election of one remedy will not preclude the use of other remedies. In the event of default:

- a. The non-defaulting party may terminate the Agreement, and the termination will be effective immediately or at such other date as specified by the terminating party.
- b. The City may purchase the services required under the Agreement from the open market, complete required work itself, or have it completed at the expense of Contractor. If the cost of obtaining substitute services exceeds the contract price, the City may recover the excess cost by: (i) requiring immediate reimbursement to the City; (ii) deduction from an unpaid balance due to Contractor; (iii) collection against the proposal and/or performance security, if any; (iv) collection against liquidated damages (if applicable); or (v) a combination of the aforementioned remedies or other remedies as provided by law. ## DETAILED SPECIFICATIONS

---

---

1. **INTRODUCTION.** The City of Clearwater is a vibrant coastal community of approximately 116,585 citizens located on Florida's Gulf Coast. Clearwater is a progressive city that is committed to enhancing residents' lives while preserving a heritage that is rich in culture and exquisite in landscape. Located approximately 30 minutes from both Tampa and St. Petersburg, Clearwater enjoys immediate access to natural amenities such as the Gulf of Mexico and Tampa Bay, and cultural offerings from a variety of museums, galleries, concert venues and theatres.
  
2. **CULTURAL ARTS BACKGROUND.** Clearwater is fortunate to have a vibrant, lively, and engaging arts community. The City provides facilities and annual operating funding for the delivery of arts and cultural services and programming through the Cultural Affairs Division, part of the City Manager's office. In addition, the City significantly benefits from third-party programming by a variety of arts organizations, such as the Clearwater Arts Alliance, Ruth Eckerd Hall, and Pinellas County Schools as well as numerous arts businesses and individual artists.

The Cultural Affairs Division mission is to facilitate, stimulate, and enhance the cultural life in Clearwater for residents and visitors alike. To do so, the city collaborates with Clearwater's many cultural organizations, creative businesses and industries, and its many artists in all mediums, acting as a catalyst in further developing a vibrant and cohesive arts community, and strengthening arts education, cultural tourism, and economic development.

In 2002, the City partnered with the Clearwater Arts Alliance and Dr. Craig Dreeszen (Dreeszen and Associates) to publish the 2002 Clearwater Cultural Plan. This comprehensive community plan identified community needs and cultural resources, defining objectives, goals, and strategies to develop the arts and culture of Clearwater and enhance access to arts and culture for citizens and visitors alike. Direct results of the Clearwater Cultural Plan include the creation of the City's Cultural Affairs Division and the founding of the Clearwater Public Art & Design Program, a municipal percent-for-art program, in 2005.

Beyond civic entities and arts partner agencies, several private art galleries and collectives form the base of Clearwater's arts and cultural industry. In addition, Clearwater is home to several nationally recognized TV, film, and stage actors as well as many visual, musical, and literary artists.

3. **RFP OBJECTIVE.** The City of Clearwater is soliciting written proposals from qualified consultants with experience in conducting citywide, comprehensive cultural arts assessments to develop a Clearwater Cultural Arts Strategic Plan to support the goals and mission of the city's Cultural Affairs Division. This consultant will assess and analyze the current arts and cultural environment through surveys, public meetings, and stakeholder groups to determine the needs and interests of the entire community as well as future opportunities and partnerships.

The arts and culture play a vital role in Clearwater's social and economic well-being. Although broad in scope and definition, arts and cultural activities include public festivals, events and celebrations, films, lectures, exhibits, arts education, and public art, among others. These expressions form the essence of how the community remembers and celebrates its past, expresses itself in the present, and projects an image into the future. The foundation provided through the process of the research, development, and distribution of a Cultural Arts Strategic Plan will allow for Clearwater to define its arts and cultural vision and priorities.
