- (a) Applicability. This section applies if the contract requires the CONTRACTOR to procure or develop Electronic and Information Resources (EIR) for [HHS AGENCY], or to change any of [HHS AGENCY's] EIR. This section also applies if the contract requires the CONTRACTOR to perform a service or supply goods that include EIR that:
 - (i) [HHS AGENCY] employees are required or permitted to access; or

This section does not apply to incidental uses of EIR in the performance of a contract, unless the parties agree that the EIR will become property of the state or will be used by the HHS agency's Client/Recipient after completion of the contract. Nothing in this section is intended to prescribe the use of particular designs or technologies or to prevent the use of alternative technologies, provided they result in substantially equivalent or greater access to and use of a product / service.
- (b) Definitions. For purposes of this Section:
 - "**Accessibility Standards**" means the Electronic and Information Resources Accessibility Standards and the Web Site Accessibility Standards/Specifications.
 - "**Electronic and Information Resources**" means information resources, including information resources technologies, and any equipment or interconnected system of equipment that is used in the creation, conversion, duplication, or delivery of data or information. The term includes, but is not limited to, telephones and other telecommunications products, information kiosks, transaction machines, Internet websites, multimedia resources, and office equipment, including copy machines and fax machines.

Under Texas Government Code Chapter 2054, Subchapter M, and implementing rules of the Texas Department of Information Resources, [HHS AGENCY] must procure Products that comply with the Accessibility Standards when such Products are available in the commercial marketplace or when such Products are developed in response to a procurement solicitation. Accordingly, CONTRACTOR must provide electronic and information resources and associated Product documentation and technical support that comply with the Accessibility Standards.
- (d) Evaluation, Testing and Monitoring.
 - (i) [HHS AGENCY] may review, test, evaluate and monitor CONTRACTOR's Products and associated documentation and technical support for compliance with the Accessibility Standards. Neither (1) the review, testing (including acceptance testing), evaluation or monitoring of any Product, nor (2) the absence of such review, testing, evaluation or monitoring, will result in a waiver of the State's right to contest the CONTRACTOR'S assertion of compliance with the Accessibility Standards.
 - (ii) CONTRACTOR agrees to cooperate fully and provide [HHS AGENCY] and its representatives timely access to Products, records, and other items and information needed to conduct such review, evaluation, testing and monitoring.
- (e) Representations and Warranties.

 - (B) if the Products will be in the custody of the state or an HHS agency's client or recipient after the contract expiration or termination, the Products will continue to comply with such Accessibility Standards after the expiration or termination of the contract term, unless [HHS AGENCY and/or Client/Recipient, as applicable] uses the Products in a manner that renders it noncompliant.
 - (ii) In the event CONTRACTOR should have known, becomes aware, or is notified that the Product and associated documentation and technical support do not comply with the Accessibility Standards, CONTRACTOR represents and warrants that it will, in a timely manner and at no cost to [HHS AGENCY], perform all necessary steps to satisfy the Accessibility Standards, including but not limited to remediation, replacement, and upgrading of the Product, or providing a suitable substitute.
 - (iii) CONTRACTOR acknowledges and agrees that these representations and warranties are essential inducements on which [HHS AGENCY] relies in awarding this contract.
 - (iv) CONTRACTOR's representations and warranties under this subsection will survive the termination or expiration of the contract and will remain in full force and effect throughout the useful life of the Product.
- (f) Remedies.
 - (i) Pursuant to Texas Government Code Sec. 2054.465, neither CONTRACTOR nor any other person has a cause of action against [HHS AGENCY] for a claim of a failure to comply with Texas Government Code Chapter 2054, Subchapter M, and rules of the Department of Information Resources.
 - (ii) In the event of a breach of CONTRACTOR's representations and warranties, CONTRACTOR will be liable for direct and consequential damages and any other remedies to which [HHS AGENCY] may be entitled. Failure to state delivery time obligates Respondent to deliver in 14 calendar days. Delivery shall be made during normal working hours only, unless prior approval has been obtained from the HHS agency.
- 13.2. If delivery will be delayed, Contractor shall notify the HHS agency. Default in promised delivery or failure to meet specifications authorizes the HHS agency to purchase goods and/or services elsewhere and charge full increase, if any, in cost and handling to defaulting Contractor. Any damages incurred by the HHS agency as a result of the default may also be assessed to the defaulting Contractor.
- 13.3. Products delivered that fail to meet specifications or are not the actual item(s) awarded on the contract shall be rejected or returned at the vendor's expense. Item(s) may be purchased on the open market, and any resulting increase in price shall be charged to awarded vendor.

CANCELLATION FOR NONCOMPLIANCE: HHSC may cancel all or any part of the resulting purchase order and/or contract if the Contractor fails to comply with any requirement of the purchase order and/or contract, including but not limited to this solicitation and its General Terms and Conditions. Contractor must pay those costs and damages finally awarded against the State of Texas in any such claim.
- 18.
