IV. QUALITY:

Vendors and/or the manufacturers of materials supplied to the City of Milwaukee shall inspect all of the materials for compliance with the appropriate City specifications prior to their shipment to the City.

- A. Materials that found to be non-complaint for whatever reason will be rejected and returned for full credit, including shipping costs.
- B. Vendors and/or manufacturers who ship materials that are found to be non-complaint will also be responsible for the following:
 - a. Reimbursing the City for the cost of inspecting the materials that are rejected.
 - b. Reimbursing the City for the difference in cost between the open market and the bid price for the rejected materials.
 - c. Providing the City with the necessary information for the return of the rejected materials (i.e. RGA #, Return Address, etc.) within ten (10) calendar days of receiving a written notification of rejection, and making arrangements for the pickup of the rejected materials.

NOTE: Rejected materials must be picked up within twenty-five (25) working days of providing the City with the return goods information. If they are not picked up, they will be scrapped.
