Bids to	Kern High School District
Owner's Agent	Business Services 5801 Sundale Ave

Description

Scope of Services	Contractor shall provide DSA PC Approved engineered plans and specifications with modifications as indicated in these specifications and drawings to the District's Architect for inclusion into the Architect's Site-Specific plans to be submitted to The Division of the State Architect for review and approval within 90 days of the award of this bid for any and all sites for which a building is ordered by the District. Contractor shall further assist the District's Architect in obtaining plan approval from The Division of the State Architect for any and all sites. Contractor shall be advised it is not necessarily the intent of the District to award and order buildings for all sites at the same time. The Contractor may be requested to provide plans and specifications and fabrication and delivery of buildings at various times as ordered by the District. See included drawings and specifications, and provide bid according to the "Summary of the Work", Section 00 11 00, Part 1 - General A. Upon DSA approval of the Architect's Site-Specific plans and specifications, the Contractor shall have the ordered buildings built within 60 days, and ready to deliver and complete installation within a week's notice to deliver.
