ADDENDUM NO. 1

ITB 20-B-158LL, FIRE PROTECTION SPRINKLER SYSTEM, INSPECTION, REPAIRS AND PARTS

The purpose of this addendum is to provide the following clarifications, changes, modifications and/or additions to the solicitation documents. This addendum is an integral part of the Solicitation/Contract Documents and shall take precedence over what was previously stated in the solicitation document.

The following has been posted to the website as part of this Addendum 1:

- Attachment B – Location Information

The following questions have been received:

- Q1. Can we receive a system count?
 A1. See Attachment B – Location Information
- Q2. Please supply the last winning bid tabulations on the last awarded contract
 A2. All of the information for the previous solicitation is posted to the county website at www.volusia.org/bidlist. Click on search, enter the solicitation number 15-B-191PW and click on the paper clip in the left hand column, click Guest Log in. All documents are listed here – including the tabulation/Award Recommendation.
- Q3. On the annual inspection as well as the quarterly inspections, please provide for each building, total number of sprinkler systems, total number of water flow and tamperers per building and the number of floors per building.
 A3. See Attachment B – Location Information
- Q4. Are there any Fire Pumps included in the contract? If so, please indicate type and size.
 A4. See Attachment B – Location Information
- Q5. Is there a way we can get a copy of the inspection reports from all the listed buildings for us to get system counts in order to provide accurate pricing? If this is not possible, how do we go about scheduling site visits for a survey?
 A5. System counts are available on Attachment B – Location Information.

All other terms and conditions remain unchanged.
