

## ADDENDUM NO. 1

### City of Watsonville Lincoln Street Safety Improvements

Project No. ST-20-03  
October 12, 2020

#### TO ALL BIDDERS:

The following items clarify or modify the Contract Documents. Any cost adjustment resulting from this Addendum shall be included and accounted for in the amount of the Bid. **Receipt of this Addendum shall be acknowledged by reference on the bid Proposal Form.**

Answers to the following four (4) Bidder Questions are provided in **red** below for all Bidder's incorporation into their bids:

1. There are no Lateral pipe size chart. Please provide.

See Addendum #2 Sheets L-1.0 & L-1.1 attached

2. Refer to Irrigation Schedule on sheet L-1.0, The dash line is shown as new Mainline; however, on sheet L-1.1 the dash line is shown for existing mainline. Please confirm all mainlines in this project are existing.

See Addendum #2 Sheets L-1.0 & L-1.1 attached

3. There are 2EA controllers shown on Bid form item no. 28. But on the plan just show the location of one controller. Please provide the location of another controller.

See Addendum #2 Sheets L-1.0 & L-1.1 attached

4. Please provide bid line item for landscape maintenance for base bid and additive alternate B.

Maintenance is included in other pay items. Include the following language revision on page SP-55:

"These pay items include all labor, materials, tools, equipment, **maintenance** and incidentals and for doing all work....."

**All other conditions to remain the same, including October 15, 2020, 11 AM bid opening.**

**Attachments:  
Revised Plan Sheets L-1.0 and L-1.1**

**END OF DOCUMENT**
