

NOTICE

Invitation to Bid

Audio Visual Equipment and Installation

10/28/2020

Summary: The City of South Burlington, Vermont is seeking qualified audio-visual installers with whom the City may contract for the installation of audio-visual equipment for the new South Burlington Public Library & City Hall.

The building is currently under construction, with ceiling rough-ins beginning in November 2020, ceilings flooding beginning in January, major equipment installation in the early spring/summer, and City move-in beginning June 2020.

This project includes fit-up of public service desks, public displays, an auditorium, activity rooms, a digital lab, and meeting rooms. There are also building wide systems for paging and room scheduling. Pre-bid walk-through (non-mandatory) will be Tuesday, November 3, at 9 AM.

Due Date: Thursday **November 12, 2 PM**

To Obtain RFB: Send an e-mail request to Ilona Blanchard, Community Development Director - iblanchard@SouthBurlingtonVT.gov
