Description

This Request for Information (RFI) is issued for the Department of Human Services. **Please refer to the document in the Buyer Attachments section for a description of the information being requested.**

The State cannot enter into a contract as a result of this RFI. This RFI is not a procurement process and may not be used to make a purchase or enter into a contract. A procurement unit is required to use a standard procurement process in order to make a purchase or enter into a contract. A response to a request for information is not an offer and may not be accepted to form a binding contract.

Information submitted to or by a governmental entity in response to a request for information is protected under Section 63G-2-305. As such, vendors do not need to submit a Claim of Confidentiality.

The goal of this RFI is to gather information and gauge the level of interest of potential providers to establish a network of Service Specialists who will:

- Provide guidance and support to case management in selecting and linking to services;
- Coordinate and support the service network;
- Assist in the deployment and scaling of new services;
- Help to coordinate need and availability; and
- Help to engage providers in filling gaps in services at the local level.

Submit responses to ogdcontracts@utah.gov with "RFI Response" in the subject line. Submit responses by November 10, 2020.
