ATTACHMENT A
STATEMENT OF TERMS SHEET

Respondent's Company Name: _____ **Date:** _____

The Respondent is required to complete this **STATEMENT OF TERMS SHEET FORM** and submit it as part of its response to this RFP. Additional sheets may be submitted that discuss and provide the basis of the pricing (fixed or variable), changes in terms, assumptions, etc.

The Respondent is to provide a purchase price under the Part A - Base Proposal Form. At the Respondent sole choosing, provide a price for the County to pay the Contractor for the processing and disposal of landfill leachate under Part B - Add-On Option to the Base Proposal. Under this solicitation, the County will only accept proposals from Respondents providing for Part A Services only or Part A with Part B Services. Respondents providing Proposals for Part B Services only will not be accepted. Proposals that include the Part B Option for the disposal of leachate may be given preference in this evaluation process.

General Information:

1. Baseline Landfill Gas Amount: Minimum Amount of LFG to Become Economically Viable:
_____scfm.
2. Time Period Commitment from the Effective Date of the Agreement to Commercial Operations
_____ months.
3. Tax and Emission Credits. Percentage of any savings passed on to the County: _____%.
4. Amount of LFG needed to process and dispose of 40,000 gpd of Landfill Leachate:
_____ scfm.

Compensation Schedule:

Part A - Base Proposal: LFG to Energy Process

1. Unit Rate Fee. Payment to the County for LFG Delivered at the Delivery Point:
\$_____per MMBtu (2020 Dollars).
2. Unit Rate Fee: Alternative Method or Adjustment Factor, frequency, or index to adjust the Unit Rate Fee, if any: _____

Part B - Add-On Option to the Base Proposal – Disposal of 40,000 gpd of Landfill Leachate
