**Description**

**Scope of Services** The Project includes, without limitation, furnishing all necessary labor, materials, equipment and other incidental and appurtenant Work necessary for Domestic Hot Water Network Upgrade at 464 N. Rexford Dr, Beverly Hills, CA 90210 as described in the drawings and specifications.  
The Work encompasses Mechanical, Electrical, Plumbing and general construction trades and primarily includes installation of a new energy efficient system for domestic hot water that makes use of existing hot water supply lines and includes new return lines, water heater, storage tank and circulation pump to create a hot water return loop for Levels 1, 2 and 3 of the building. The sequence of work shall be phased in order to minimize the impact to the hot water availability to the Police facility, particularly the showers at locker rooms. Refer to exhibits SK-1, SK-2 and SK-3.
