Commodity Codes

Commodity Code	Description
30190	Construction and maintenance support equipment including ladders and scaffolding and construction sheds and trailers
22100	Heavy construction machinery and equipment including equipment for paving and earth moving
24100	Material handling machinery and equipment including lifting equipment and accessories and conveyors and accessories

Description

It is the intent of Salt Lake City Corporation to enter into an agreement with one or more qualified suppliers to provide equipment rental services to assist the City when the need arises for items such as light equipment, heavy equipment, insulated asphalt oil pup tankers, tools and other miscellaneous related items as needed.

Offeror's are encouraged to submit proposals for all equipment categories, but not required to do so. The selected supplier(s) shall be required to provide rental items on a short term or long-term basis to assist in meeting the City's needs. The resulting agreement(s) shall be non-exclusive with the City reserving the right to acquire rental items, at its discretion, from other sources during the term of the agreement.
