***1.5. Vendor Agreements**

One or more items in this section are required.

Compliance Certification:

As an authorized company representative, I certify my firm or corporation:

Agrees to comply the requirements of Florida Statute 287.087 for a Drug Free Workplace.

Agrees to comply with the requirements of Florida Statute 448.095 for Employment Eligibility. Employers, contractors and their subcontractors are required to register and use the Department of Homeland Security's E-Verify system when hiring new employees for the term of the contract. Violations will result in contract termination. (E-Verify is operated by the U.S. Department of Homeland Security).

Bidder Certification (Construction Project - Total Bid with Unit Prices):

By my submission of a bid response, and in accordance with your solicitation, I hereby submit this proposal and agree, if my proposal is accepted, to execute a contract with the City of Ocala in accordance with the solicitation and proposer response. I certify I have read, and will be bound by, all the terms and conditions of this solicitation and any resulting addenda and amendments, in its entirety and understand the scope of work and specification requirements.

Bidder/Contractor has given the City or the Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by the City or the Engineer is acceptable to Bidder.

Bidder/Contractor acknowledges that the quantities provided in the Schedule of Bid Prices are estimates only, and are not guaranteed minimums. Awarded Contractor will be paid for actual Work completed based on the unit pricing provided in the Schedule of Bid Prices.

I certify I am the owner or an authorized officer or agent for the above company and the information supplied herein, including all pages attached, is correct and neither the applicant nor any person or concern in any connection with the applicant as a principal officer, so far as is known, is now debarred or otherwise declared ineligible by the City of Ocala from bidding for furnished materials, supplies or services to the City of Ocala or agency thereof.

Owner/Authorized Representative initials:

***1.6. SPECIAL CONDITIONS**

One or more items in this section are required.

BID BOND:

Bid security equal to five percent (5%) of the total bid must accompany each Bid.

Max. File Size you can upload is: 50MB. *.exe files will not be accepted

CARE OF WORK:

The Contractor shall be responsible for all damages to persons or property that occur as a result of his fault or negligence in connection with the prosecution of the work and shall be responsible for the proper care and protection of all work performed until completion and final acceptance, whether or not the same has been covered in whole or in part by payments made by the City of Ocala.

The Contractor shall avoid damaging sidewalks, streets, curbs, pavements, utilities, structures or any other property (except that which is to be replaced or removed) either on or adjacent to the site. He shall repair, at his own expense and in manner satisfactory to the City of Ocala, any damage thereto caused by his operations.

All water and gas mains, all sewer and other pipes, and all conduits and other underground work of any nature, crossing or projecting into any trench or excavation and all appurtenances thereto, such as Cast Iron Valve Boxes, curb boxes, manhole casting, etc., shall be sufficiently and adequately shored and supported by timber and planking and protected by the Contractor from injury, and any damage or injury thereto shall be repaired by the Contractor at his own expense to the satisfaction of the Engineer.

ADA NEEDS:

Please call the procurement professional shown on this listing forty-eight (48) hours in advance so arrangements can be made if reasonable accommodations are needed for you to participate in any meeting.

CITY OF OCALA STANDARD SPECIFICATIONS FOR CONSTRUCTION:

For this project, the Contractor will be bound by these specifications and conditions:

STANDARD SPECIFICATIONS FOR CONSTRUCTION OF STREETS, STORMWATER, TRAFFIC, WATER AND SEWER INFRASTRUCTURE

<https://www.ocalafi.org/Home/ShowDocument?id=17908>

The City reserves the right to re-open bidding for a Best-and-Final offer.

MAINTENANCE AND GUARANTEE BOND:

The successful Bidder will also be required to furnish a Maintenance and Guarantee Bond for a period of 3 year(s) for labor and 3 year(s) for materials from the date of substantial completion and acceptance of project by Owner.

BIDDER CONTRACTS:

Bidder contracts/agreements will not be accepted. City of Ocala contracts will be used for all goods and services. The requirement of bidder contracts and/or bidder written terms and conditions may result in bid rejection. The City will consider adding appropriate bidder clauses into our contract; please upload any desired clauses with your solicitation response.

CONTRACT TIME:

Contractor agrees, as a condition for submitting a bid, that the Work will be substantially completed within 60 day(s), and completed and ready for final payment in accordance with the Agreement within 7 day(s) after substantial completion.

The Contractor agrees to commence work on the date specified in a written "Notice to Proceed" by the City for each project assigned. Such "Notice to Proceed" will be issued at the pre-construction conference, not to exceed 10 days from the preconstruction date.

The Contractor must be able to mobilize and begin construction no later than 10 working days after notification, and complete the project by the time limit specified in the "Notice to Proceed." At no time will the Contractor be allowed to lag behind.

CLARIFICATIONS AND CORRECTIONS:

The City of Ocala reserves the right, where it may serve the City's best interest, to request additional information or clarifications from bidders/proposers, or to allow corrections of errors or omissions.

PUBLIC CONSTRUCTION BOND:

The successful Bidder shall furnish to the City, as Owner, a certified, and recorded Public Construction Bond, drafted per Florida Statute 255.05, in an amount not less than: \$ TOTAL PROJECT AMOUNT

This Public Construction Bond is required to guarantee the bidder will deliver a completed project, and will pay all persons supplying them with labor and/or material for the project.

CONTRACTOR'S EMPLOYEES:

The foreman, employees, mechanics and other employed by the Contractor shall be skilled in the work given to them to do. Any employee of the Contractor who may use profane or abusive language to the Engineer or any Inspector, or otherwise impede or embarrass him in the performance of his duties, or who obstructs the progress of the work, shall upon the request of the Engineer, be immediately discharged and not again employed without consent of the Engineer.

In doing any work contemplated by this contract, eight (8) hours shall constitute a legal day's work by any laborer or workman employed by said Contractor hereon.

CONFLICT OF INTEREST:

Disclose the name(s) of any employee, officer, director, shareholder, or agent of your firm that is also a City of Ocala employee or public official:

[Empty text box]

Disclose the name(s) of any City of Ocala employee or public official that is a known relative of an employee, officer, director, shareholder, or agent of your firm:

[Empty text box]

Failure to disclose known conflicts of interest may result in bid rejection and/or contract termination, if awarded.

City of Ocala employees who have a 5% or more interest in a bidder's firm must also complete an "Officer and Employee Disclosure Statement" which can be obtained at [www.bidocala.com](#) under Vendor Resources. This form includes instructions and relative Florida statutes. Failure to complete this form, if applicable, may result in bid rejection.

FINAL ESTIMATE FOR PAYMENT:

After the Contractor has approved, or approved under protest, the Engineer's final estimate, final payment will be processed based on the entire sum, or the undisputed sum in case of approval under protest, determined to be due the Contractor less all previous payments and all other amounts to be deducted under the provisions of the contract.

CONTRACT FAILURE - BIDDING SUSPENSION

I understand and agree to the following:

Bidders who submit a bid and/or enter into a contract with the City of Ocala and fail to fulfill the contract term, for any reason, will be subject to future bidding

suspension for year (1), and up to a possible three (3) year bid debarment for serious contractual failures.

Owner/Authorized Company Representative initials:

LIQUIDATED DAMAGES:

The Contractor shall pay the City \$ 1,690 for each calendar day that expires after the time specified for Substantial Completion, until the Work is substantially completed. After Substantial Completion, if the Contractor shall neglect, refuse, or fail to complete the remaining Work within the Contract Times or any proper extension thereof granted by the City, the Contractor shall pay an additional \$ 200 per day for each calendar day that expires after the time specified until Final Completion and acceptance of the project by the City.

The liquidated damages set forth herein shall not be accumulative. If Substantial Completion of the Work is not met within the time specified for final completion of all Work, the liquidated damages shall continue to be at the rate or rates specified for default on Substantial Completion until Substantial Completion is attained. If the Work is not then finally completed, the rate or rates specified for default on final completion shall apply until final completion is attained.

The City shall have the right to deduct the liquidated damages from any money in its hands, otherwise due, or to become due, to the Contractor, or to initiate applicable dispute resolution procedures and to recover liquidated damages for non-performance of this Contract within the time stipulated.

Nothing in this section is intended to limit the right to obtain injunctive relief or any and all relief as may be appropriate. Permission allowing the Contractor to continue and finish any part of the work after the time fixed for its completion or after the date to which the time for completion may have been extended shall in no way operate as a waiver on the part of the City of any of its rights under this Agreement.

PROGRESS PAYMENTS AND RETAINAGE:

Progress payments will be made at least once each month as work is completed. Retainage under the Contract Documents will be held as collateral security to secure completion of the Work. Payment will be made each month in the amount of ninety-five percent (95%) of the estimated value of the services provided at the job site during the previous calendar month, provided the work is reasonably complete. The Owner will withhold five percent (5%) of the amount of each progress payment. The last payment due along with the release of retainage for this contract will be paid by the Owner to the Contractor only after the Contractor has furnished the Owner the Consent of Surety of the recorded bond for final payment.

PROGRESS REPORTS/UPDATED SCHEDULES:

A progress report and updated project schedule must be submitted with each monthly pay request indicating the Percent of Services Completed to Date. This report will serve as support for payment to Contractor and the basis for payment in the event project is suspended or abandoned.

FDOT STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION (LATEST EDITION):

This project will require the Contractor to follow these specifications:

Florida Department of Transportation Standard Specifications for Road and Bridge Construction (latest edition):

<http://www.fdot.gov/programmanagement/Implemented/SpecBooks/>

PERFORMANCE EVALUATION:

At the end of the contract, the City may evaluate vendor performance. This evaluation will become public record.

FLORIDA STATUTE 287.133: Public Entity Crime; denial or revocation of the right to transact business with public entities.

Vendor on its behalf and its affiliates agrees and affirms that it has not been placed on the convicted vendor list following a conviction of a public entity crime as provided for in Section 287.133(2)(a), Florida Statutes, which states: a person or affiliate who has been placed on the convicted vendor list following a conviction for public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases or real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO, for a period of 36 months from the date of being placed on the convicted vendor list.

Owner/Authorized Company Representative initials:

TRAFFIC CONTROL AND BARRICADES:

The Contractor shall mitigate impact on local traffic conditions to all extents possible. The Contractor is responsible for establishing and maintaining appropriate traffic control and barricades. The Contractor shall provide sufficient signing, flagging and barricading to ensure the safety of Vehicular and Pedestrian traffic at all locations where work is being done for this project.

In addition to the requirements set forth in the bid, the Contractor shall maintain at all times a good and sufficient fence, railing or barrier around all exposed portions of said work in such a manner as to warn vehicular and pedestrian traffic of hazardous conditions.

Should the Contractor fail to properly barricade his work or stored material sites in the manner outlined above, the City may have the necessary barricading done, and all cost incurred for said barricading shall be charged to the Contractor.

TIMELY PAYMENT FOR PURCHASES OF CONSTRUCTION SERVICES:

Payments shall be made no later than the time periods established by Section 218.735, Florida Statutes.

Prime contractors shall pay subcontractors for satisfactory performance of their contracts no later than 30 days from receipt of each payment the City of Ocala makes to the prime contractor, or as specified in the current F.S. 218.735, whichever time frame is earlier.

REQUESTED AND ADDITIONAL DOCUMENTS

Upload any requested and additional documents here:

Not Uploaded

Max. File Size you can upload is: 50MB. *.exe files will not be accepted

REQUIRED LICENSES AND CERTIFICATIONS:

I hereby certify my firm currently holds all licenses and certifications as required by the Scope of Work/Scope of Service. Immediately upon award, vendor will be required to submit all licenses and certifications.

Owner/Authorized Company Representative initials:

SAFETY AND ENVIRONMENTAL:

Vendor will be responsible at all times for precautions to achieve the protection of all persons including employees and property throughout the resulting contract term. The Vendor shall make an effort to detect hazardous conditions and shall take prompt action where necessary to avoid accident, injury or property damage. EPA, DEP, OSHA, and all other applicable safety laws and ordinances shall be followed as well as American National Standards Institute Safety Standards. All hazardous spills, accidents, injuries or claims or potential claims shall be reported promptly to the City Risk Management Department at 352-629-8359.

Agrees to comply with the safety and environmental requirements above.

Owner/Authorized Company Representative initials:

SOLICITATION DOCUMENTS:

The City of Ocala (City) has no responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the official City links below:

Bid Ocala: <http://www.bidocala.com/>

ProRFx Florida: <http://florida.prorfx.com/>

Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

SUBCONTRACTORS AND DBE GOALS:

The bidder represents the subcontractors listed below are financially responsible and are qualified, insured, licensed, and certified to do the work required.

The bidder will endeavor to use DBE/MBE subcontractors whenever possible. The City of Ocala adopts FDOT's goal of 10.65% as a race-neutral DBE goal. FDOT funded projects have an overall DBE goal of 10.65%. The Ocala International Airport's DBE goal is 12%. DBE firms can be located via this directory:

[Florida Department of Transportation DBE Directory](#)

No subcontractors will be utilized.

Bidder/Prime must perform a minimum of 30% of the work with their own forces unless specified differently in the Scope of Work.

NOTE: Bidder/Prime not providing an accurate, good faith estimate of subcontractor percent (%) of work may have their bid rejected.

1.7. Electronic Bid Response

ELECTRONIC BID RESPONSE REQUIRED:

All bids/proposals **MUST be electronically submitted** by or before the due date under the appropriate solicitation/listing accessed online at: www.bidocala.com or www.prorfx.com

Bids/proposals **may not be submitted by any other means** other than as described above. The City will **NOT** accept bids/proposals sent by U.S. Mail, private couriers, fax or email.

- If you wish to respond to the listing, click on the "Bid on this item" link and complete the fields presented to you.

Scope Of Work

This project consists of Improving the stormwater retention area at **Lake Wyomina at the 300 BLK of NE 12th Ave., Ocala, FL.**

Contractor will provide ALL materials, labor, equipment and all incidentals and appurtenances that are required to complete the construction of the Wyomina drainage retention area retrofit project. This is a unit price contract. The City of Ocala will pay the contractor for the actual units that the contractor provides, installs or constructs on the project. With ALL applicable parts and services specified in the Exhibit B- Plan Set. Including, but not limited to the following:

- Surveying/as-builts
- Bonds
- Mobilization
- Dewatering
- Excavation
- Import and export material
- Grading
- Stormwater structures
- Installation of stormwater piping
- Installation of filter fabric
- Installation of liner

- Installation of Bold & Gold® CTS Biosorption Activated Media
- Fence removal and installation
- Well abandonment

Non-Mandatory Site Visit

A **non-mandatory site visit** will be held on **Friday, November 20, 2020 at 10:00 a.m.** EST at **Lake Wyomina at the 300 BLK of NE 12th Avenue, Ocala, FL.** Attendance at the site visit is not required to participate in this bid.

Contractor Requirements

- Installation of a Bold & Gold® CTS Biosorption Activated Media along the bank of the DRA as shown on the plans.
- Contractor is to follow the specifications for the Bold & Gold® CTS Biosorption Activated Media installation in Exhibit D-Bold & Gold CTS Filtration Media Specification.
- Installation of the Bold & Gold Filtration Media shall include all material as shown in detail on Sh#7 of Plan Set.
- Contractor is responsible for the dewatering of the pond. The contractor is not permitted to pump water into the existing wells on site.
- All unsuitable will be counted as dry loads. Plan to allow unsuitable to dry before removing from site.
- Contractor must be a licensed Underground Utility or General Contractor in the State of Florida to submit a bid for this project.
- Well abandonment, contractor must abandon existing 16" well and all apparatus, included to abandon well. This will include the cost of all materials and removal of existing manhole for the abandonment. Cut existing well casing below water level or near grade. All this must be completed after new well is active and working with new drainage system.
- Contractor will supply all bonds, materials, mobilization, MOT, surveying, as-builts, labor, equipment and all permits needed to fully complete project
- Contractor is responsible for all permits required by outside agencies.
- The contractor and all subcontractors will be required to conform to the labor standards and employment requirements set forth in the bid documents.
- The contractor must perform a minimum of 40% of the work with their own forces.
- Project schedule shall be submitted to the Project Manager for review and approval prior to ground breaking on site.
- Contractor is responsible for density testing. Backfilling and compaction procedures shall be performed in accordance with City of Ocala Specification 31 23 23.00, and the FDOT Standard Specifications for Road and Bridge Construction (Latest Edition) and FDOT Design standards (Latest Edition), or as otherwise directed in writing by the City of Ocala.
- Contractor is responsible for removing all materials deemed unsuitable by third party geotechnical firm and replacing all unsuitable materials with clean compactable fill at no additional cost to the City.

Erosion, Sediment, and Flood Control

- Provide, maintain, and operate temporary facilities to control and contain erosion and sediment on site and to protect work and existing facilities from stormwater runoff during construction. Maintain drainage ways and construct temporary drainage facilities to allow runoff to flow properly.
- Contractor shall care for and maintain roadways, existing storm/sewer structures, water mains and other facilities within the limits of construction. Lack of daily maintenance shall be cause for the project to be stopped until issues are resolved.

Construction Work Areas

- The City of Ocala is not responsible for providing property or lay down yards to the contractor for their materials or equipment. If private property is used, the City requires a copy of the agreement between the property owner and the contractor. **Utilizing private property without written permission is prohibited.** Components of the project, including temporary work and storage areas, will be located on-site per project. Staging areas will be sited inside the right-of-way or within City property. Material and equipment staging areas will be kept in a clean and orderly fashion. Material will be transported to the proper station for construction, assembly. Provide on-site sanitary facilities as required by Governing agencies. The contractor will not be permitted to use the City sanitary facilities during construction.
- Construction work area must be backfilled or protected by construction fencing at the end of each business day. Any work areas in roadways must at least be filled temporarily with asphalt millings or covered with a FDOT approved steel road plate before the roadway can be opened to traffic. If millings are used the contractor must maintain the millings daily until the millings are replaced with permanent asphalt.

Safety and Protection

- The contractor shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the work. Such responsibility does not relieve subcontractors of their responsibility for the safety of persons or property in the performance of their work, nor for compliance with applicable safety laws and regulations. Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to: all persons on the site or who may be affected by the work; all the work and materials and equipment to be incorporated therein, whether in storage on or off the site; and other property at the site or adjacent thereto, including trees, shrubs, lawns, walks, pavements, roadways, structures, other work in progress, utilities, and underground facilities not designated for removal, relocation, or replacement in the course of construction.
- The contractor shall comply with all applicable laws and regulations relating to the safety of persons or property, or to the protection of persons or property from damage, injury, or loss; and shall erect and maintain all necessary safeguards for such safety and protection. Contractor shall notify Owner; the owners of adjacent property, underground facilities, and other utilities; and other contractors and utility owners performing work at or adjacent to the site when prosecution of the work may affect them. The City of Ocala may stop work at any time an unsafe condition arises on site. Work will be authorized to continue after the unsafe condition has been corrected.

Working Hours

- The City's normal working hours are Monday through Friday from 7:00 a.m. to 5:00 p.m. If additional hours are necessary, the contractor must give 48 hours advanced notice to the Project Inspector/Project Manager. Inspectors are not obligated to work weekends. Night work may be allowed and approved if conditions warrant the work cannot be performed during regular work hours. The contractor shall not receive

additional compensation for the night work. No work will be permitted on City observed holidays. Some work including, but not limited to, abandonments of existing piping systems, as well as connections, replacements, extensions thereto and thereof may necessitate work being done after or before normal work hours, said decision resting solely with the Engineer. Normally such extended hours will be required only to maintain service to existing customers or to minimize inconvenience to the public. This shall be considered incidental to the construction and no additional compensation shall be allowed therefore.

Bonds

- **BID BOND:** Bid security equal to five percent (5%) of the total bid must accompany each bid. (This will be uploaded in electronic form only in the section labeled "Bid Bond." The original document will be maintained by the contractor unless requested to produce by the City.)
- **PUBLIC CONSTRUCTION BOND:** The successful bidder will be required to furnish a certified, recorded Public Construction Bond (as security for the faithful performance of the payment of all bills, and obligations arising from the performance of the contract).
- **MAINTENANCE AND GUARANTEE BOND:** The successful bidder will also be required to furnish a Maintenance and Guarantee Bond for 10% of the total project value, prior to final payment for a period of three (3) years for labor and three (3) years for materials from the date of final completion.

Contract Time

The contract time to substantial completion is sixty (60) calendar days. The contract time to final completion is ten (10) calendar days after substantial. Contractor agrees, as a condition for submitting a bid, that this project will be completed in the time agreed upon between the City and the contractor. The contractor agrees to commence work on the date specified in a written "Notice to Proceed" by the City. Such "Notice to Proceed" will be issued at the pre-construction conference. The contractor must be able to mobilize and begin construction no later than 10 calendar days after notification and complete the project by the time limit specified in the "Notice to Proceed." At no time will the contractor be allowed to lag behind.

Liquidated Damages

The contractor shall pay the City liquidated damages using F.D.O.T. graduating schedule for the value of the project for each calendar day that expires after the time specified for substantial completion, until the Work is substantially completed. After substantial completion, if the contractor shall neglect, refuse, or fail to complete the remaining work within the agreed upon projected times or any proper extension thereof granted by the City, the contractor shall pay an additional \$200.00 per day for each calendar day that expires after the time specified until final completion and acceptance of the project by the City.

The liquidated damages set forth herein shall not be accumulative. If substantial completion of the work is not met within the time specified for final completion of all Work, the liquidated damages shall continue to be at the rate or rates specified for default on substantial completion until substantial completion is attained. If the work is not then finally completed, the rate or rates specified for default on final completion shall apply until final completion is attained. The City shall have the right to deduct the liquidated damages from any money in its hands, otherwise due, or to become due, to the contractor, or to initiate applicable dispute resolution procedures and to recover liquidated damages for non-performance of this contract within the time stipulated.

Nothing in this section is intended to limit the right to obtain injunctive relief or any and all relief as may be appropriate. Permission allowing the contractor to continue and finish any part of the work after the time fixed for its completion or after the date to which the time for completion may have been extended shall in no way operate as a waiver on the part of the City of any of its rights under this agreement.

Project Specifications

This project will require the contractor to have the following specifications and documents, which are incorporated by reference: City of Ocala "Standard Specifications for Construction of Streets, Stormwater, Traffic, Water and Sewer Infrastructure" available at: <https://www.ocalafl.org/Home/ShowDocument?id=17908>

Florida Department of Transportation (FDOT) Standard Specifications for Road and Bridge Construction (January 2019) available at: <http://www.fdot.gov/programmanagement/Implemented/SpecBooks/>

FDOT Design Standards can be obtained from: <http://www.fdot.gov/roadway/DS/18/STDs.shtm>

Contractor must have the above specifications and documents, in addition to up-to-date copies of contract documents, shop drawings and plans for each individual project, at the project site always.
