## **ADDENDUM No. 2**

As-Needed Traffic Data Information Services - (RFQ 10492)

Addendum No. 2 forms a part of the contract documents and changes the original documents only in the manner and to the extent stated.

### **QUESTIONS AND ANSWERS:**

- Q:** **Question 1 – Page 7, Section 2:** The insurance requirements are double the industry standard requirements for the traffic data collection industry. Would the County reduce the Commercial General Liability requirements to \$1,000,000 per occurrence with a \$2,000,000 General Aggregate limit? Would the County reduce the Professional Liability to \$1,000,000 per occurrence with an aggregate limit of not less than \$1,000,000?
- A:** We will maintain the levels presented in the RFQ. No changes. Umbrella/Excess (follow-form) insurance coverage is an alternative acceptable way to meet requirements as well.
