Project: 2020 Fruita Roundabouts Project

Issue Date: November 9, 2020

Project Engineer: John Vasey

The City of Fruita (City) received three (3) responsive bids for construction of the 2020 Fruita Roundabouts Project. These bids were opened publicly via virtual methods and read aloud. Following the bid opening, the bids were further reviewed and evaluated for completeness and accuracy.

The bids received are considerably higher than the Engineer's Estimate and the budgeted amount for this project. The City has hereby decided to reject all bids and re-evaluate the project scope and funding sources. The City would like to thank those companies that submitted a bid proposal.
