**Questions and answers:**

**Q1. Can you provide any background on any recent HSIP grant applications regarding the location and type of project?**

A1. City of Carlsbad has submitted HSIP Cycle 10 grant applications for pedestrian safety improvements at six uncontrolled crosswalks on Carlsbad Blvd including installation of roadway in-pavement warning lights, bulb-outs, and green paint bike lane approaching crosswalks. These uncontrolled crosswalks by the coast are heavily utilized by pedestrians and have collision histories involving pedestrians or bicyclists.

**Q2. Is the City open to a public involvement strategy that has a virtual component given the COVID protocols in place?**

A2. Yes, City is open to a public involvement strategy that has virtual component.

**Q3. Does the Cover sheet or table of contents count towards the 15-page limit?**

A3. No, a cover sheet and or the table of contents will not be included in the total page count.
