4. **PRICING**

4.1 **Most Favored Customer Pricing.**

Contractor warrants that, for the term of the contract, the prices, rates, discounts, terms, and benefits set out in the proposal, including any subsequent agreed upon amendment to it, will be equal to or better than the lowest prices, best rates, largest discounts, and most favorable terms and benefits, both separately and in combination, at which Contractor sells equivalent items. If Contractor provides more favorable pricing, rates, discounts, terms and benefits to any customer, it shall immediately apply all such pricing, rates, discounts, terms and benefits to pending County purchase orders and offer such pricing, rates, discounts, terms and benefits for all future purchases made by the County.

4.2 **All-Inclusive Pricing.**

Pricing is all-inclusive, including any ancillary fees and costs required to accomplish the Scope of Work and all aspects of Contractor's proposal as accepted by the County. Details of service not explicitly stated in the Scope of Work or in Contractor's proposal, but necessarily a part of, are deemed to be understood by Contractor and included herein. All administrative, reporting, or other requirements, all overhead costs and

Any request for rate increase will only be considered at the time of a contract extension and must be submitted sixty (60) days prior to the adjustment. Any request for rate increase shall be a factor in the extension review process and if approved, be implemented by a formal contract change order. The County will have the right to request and receive additional information, statistics, financial records etc., and to direct the content, form, and format of presentation as it deems necessary to validate the Contractor's request for a rate adjustment. Failure to respond to the County's request within the time frames specified will nullify the Contractor's request. The County will determine whether the requested rate increase or alternate option is in its best interest and adjustments will be subject to availability of monies appropriated, if applicable.

withhold or make partial payment for any rejected services if Contractor is still in the process of re-performing or otherwise curing the grounds for the County's rejection.

- a. **Rights in Work Product.** Unless otherwise noted in the terms and conditions of this contract, all intellectual property originated or prepared by Contractor pursuant to the contract, including but not limited to, inventions, discoveries, intellectual copyrights, trademarks, trade names, trade secrets, technical communications, records reports, computer programs and other documentation or improvements thereto, including Contractor's administrative communications and records relating to the contract, shall be considered work product and shall be the exclusive property of Contractor, provided that County has Government Purpose Rights to that work product as and when it was delivered to County.
  - (1) "Government Purpose Rights" are: (i) the unlimited, perpetual, irrevocable, royalty free, non-exclusive, worldwide right to use, modify, reproduce, release, perform, display, sublicense, disclose and create derivatives from that work product without restriction for any activity in which the County is a party; (ii) the right to release or disclose that work product to third parties for any County purpose; and (iii) the right to authorize those to whom it rightfully releases or discloses that work product to use, modify, release, create derivative works from the work product for any County purpose; such recipients being understood to include the federal government, the state government, and various local governments.

  - (1) Any derivative works of such pre-existing material or elements thereof that are created pursuant to the contract are part of that work product;
  - (2) Any elements of derivative work of such pre-existing material that was not created pursuant to the contract are not part of that work product; and

(3) Except as expressly stated otherwise in the contract, nothing in the contract is to be construed to interfere or diminish Contractor's or its affiliates' ownership of such pre-existing materials.

d. **Developments Outside of Contract.** Unless expressly stated otherwise in the Terms and Conditions, the contract does not preclude Contractor from developing competing materials outside the contract, irrespective of any similarity to materials delivered or to be delivered to the County hereunder.

14.8 **Subcontracts.** The Contractor shall not enter into any subcontract under this contract for the performance of this contract without the advance written notice to the Procurement Officer. The Contractor shall clearly list any proposed subcontractors and the subcontractor's proposed responsibilities. It is expressly understood that all persons employed by the Contractor, either directly or indirectly, shall be considered employees or agents of the Contractor and not the County. Nothing contained in any contract or joint venture agreement shall create any contractual relationships between any subcontractor and County, nor shall the same create any obligation on the part of the County to pay any subcontractor. The subcontract shall incorporate by reference the terms and conditions of this contract.

14.9 **Non-Discrimination.** Contractor shall comply with the State of Arizona Executive Order No. 2009-09 and all other applicable federal, state and local laws, rules, and regulations regarding non-discrimination and equal opportunity, including the Americans with Disabilities Act.

Contractor and each subcontractor acknowledge that under A.R.S. § 41-4401, the County retains the legal right to inspect the papers of any Contractor or subcontractor employee who works under the contract to ensure that Contractor or subcontractor is in compliance with the foregoing warranty and understands that a breach of the foregoing warranty under shall be deemed a material breach of the contract that is subject to penalties up to and including termination of the contract.

14.11 **Offshore Performance of Certain Work Prohibited.** Any services that are described in the specifications or Scope of Work that directly serve the County or its clients and involve access to secure or sensitive data or personal client data shall be performed within the defined territories of the United States. Unless specifically stated otherwise in the specifications, this paragraph does not apply to indirect or 'overhead' services, redundant back-up services, services performed through remote access to the County network, or services that are incidental to the performance of the contract. This provision applies to work performed by Subcontractors at all tiers. Responders shall declare all anticipated offshore services in the proposal.

14.12 **Estimated Quantities.** Unless expressly stated otherwise in the solicitation, the (a) Contractor shall not impose any minimum dollar amount, item count, services volume, or services duration on orders; (b) County makes no commitment of any kind concerning the quantity or monetary value of activity, work or services actually initiated or completed during the term of the contract; (c) Contractor shall only deliver or perform as authorized by orders; and (d) County is not limited as to the number of orders it may issue for the contract.

14.13 **Non-Exclusivity.** This contract is entered into with the understanding and agreement that it is for the sole convenience of Pinal County. The County reserves the right to obtain like materials or services from another

source when necessary without penalty or obligation. The County reserves the right to make additional awards by aggregate, line item, regional area, or any other division of goods and services as determined to be in the best interest of the County.

- 14.14 Additions and Deletions to Contract. The County reserves the right to add and/or delete goods or services to the Contract. If a service requirement is deleted, payment to the Contractor will be reduced proportionately, to the amount of service reduced in accordance with the bid price. If additional materials are required from a Contract, prices for such additions will be negotiated between the Contractor and the County.
- 14.15 Applicable Taxes. The Contractor shall be responsible for paying all applicable taxes. Pinal County is subject to all applicable state and local transaction privilege taxes. The County is exempt from certain federal excise tax on manufactured goods. The County will provide the necessary exemption certificates as evidence. Transaction privilege taxes apply to the sale and are the responsibility of the seller to remit. Failure to collect such taxes from the buyer does not relieve the seller from its obligation to remit taxes. Contractor and all subcontractors shall pay all Federal, state and local taxes applicable to its operation and any persons employed by the Contractor. Contractor shall, and require all subcontractors to hold the County harmless from any responsibility for taxes, damages and interest, if applicable, contributions required under Federal, and/or state and local laws and regulations and any other costs including transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation. The County has entered into various cooperative purchasing agreements with other Arizona government entities in order to conserve resources, reduce overhead and purchase costs and improve delivery time. The contract resulting from this Solicitation may be extended for use by other municipalities, school districts and government agencies in the State of Arizona with the approval of the Contractor. Orders placed by other agencies and payment thereof will be the sole responsibility of that agency. The County shall not be responsible for any disputes arising out of transactions made by others. Contractor shall sell to cooperative entity at the same price and on the same lead times and other terms and conditions on which it sells to the County, with the sole exception of any legitimately additional costs for extraordinary shipping or delivery requirements if the cooperative entity is having materials delivered or installed or services performed at locations not contemplated in the contracted pricing (e.g. delivery at a location outside Arizona).
- 14.17 Transitions. During commencement of the contract the Contractor shall attend transition meetings with outgoing suppliers as requested by the County to coordinate efforts, ease the transition, and minimize disruption in the County's operations. The County may elect to have outgoing suppliers complete some or all of their work or orders in progress to help ensure the safest and most efficient transition possible, even if that scope is covered under the contract with the new supplier. Conversely, the County anticipates having a continued need for the same materials and services upon expiration or earlier termination of the contract. Accordingly, Contractor shall work closely with any new (incoming) supplier and the County to ensure a smooth and complete transfer. The County's representative shall coordinate all transition activities and facilitate joint development of a comprehensive transition plan by both the existing Contractor and the incoming supplier. During the outgoing transition, the County may elect to have the outgoing Contractor

In such cases, the Contractor shall cooperate fully with the County's employees and other suppliers and carefully fit, connect, accommodate, adjust, or sequence its work to the related work by others. Where the contract requires handing-off Contractor's work to others, Contractor shall cooperate as the County instructs regarding the necessary transfer of its work product, services, or records to the County or the other suppliers. Contractor shall not commit or permit any act that interferes with the County's or other suppliers' performance of their work, provided that, the County shall enforce the foregoing section equitably among all its suppliers so as not impose an unreasonable burden on any one of them.

For clarity of intent, the foregoing means that if Contractor is required to comply with certain security requirements in order to deliver, install, or perform at that particular location, then it shall do so nonetheless and without entitlement to any additional compensation or additional time for performance if those particular requirements are not expressly stated in the contract. Contractor is reminded that violation under Pinal County Security policy 2.10 to possess a firearm, ammunition, or an explosive device in a County building is a material breach of contract and grounds for termination for default.
- b. Protection of Facilities and Grounds. Contractor shall deliver or install the materials and perform the services without damaging any County facilities or grounds. Contractor shall repair or replace any damage it does cause promptly and at its own expense, subject to whatever instructions and restrictions the County needs to make to prevent inconvenience or disruption of operations. If Contractor fails to make the necessary repairs or replacements and do so in a timely manner, the County will be entitled to exercise its remedies under paragraph 17.5 "Right to Offset."

14.20 Advertising, Publishing, and Promotion of Contract. The Contractor shall not use, advertise or promote information for commercial benefit concerning this contract without the prior written approval of the Procurement Officer.

## 15. CONTRACT CHANGES.

15.1 Contract Amendments. The contract is issued under the authority of the County Board of Supervisors. Only a contract amendment can modify the contract and then only if it does not change the contract's general scope. Purported changes to the contract by a person not expressly authorized by the Procurement Officer or made unilaterally by Contractor will be void and without effect; Contractor will not be entitled to any claim made under the contract based on any such purported changes.

- 15.2 Signing of Contract Amendments. Contractor's counter-signature (or "approval") of contract modifications is not required to give effect if the contract amendment only covers either:
- a. Extension of the term of the contract within the maximum aggregate term;
  - b. Revision to Procurement Officer appointment or contact information; or
  - c. Modifications of a clerical nature that have no effect on terms, conditions, price, scope, or other material aspect of the contract.

In every case other than those listed in a, b, and c above, both parties' signature (or "approval") of a contract modification is required to give it effect.

- 14.3 Assignment and Delegation. Contractor shall not assign in whole its rights or delegate in whole its duties under the contract without the Procurement Officer's prior written consent, which consent the Procurement Officer may withhold at his or her discretion. The Procurement Officer shall not unreasonably withhold approval of assignment or delegation. If Contractor's proposed assignment or delegation stems from a split, sale, acquisition, or other non-merger change in control, then no such consent will be given in any event without the assignee or delegate giving County satisfactory and equivalent evidence or assurance of its financial soundness, competency, capacity, and qualification to perform as that which Contractor possessed when County first awarded it the contract. This contract and all of the terms, conditions and provisions herein, shall extend to and be binding upon the heirs, administrators, executors, successors, and assigns of the parties hereto.

Failure to do so may, at the sole discretion of the County, constitute a material breach of the contract.

The insurance requirements herein are minimum requirements for this contract and in no way limit the indemnity covenants contained in this contract. The County in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor from liabilities that might arise out of the performance of work under this contract by the Contractor, its agents, representatives, employees or subcontractors, and the Contractor is free to purchase additional insurance.

Policy shall contain a waiver of subrogation against Pinal County and its officers, officials, agents, and employees for losses arising from work or service performed by or on behalf of the Contractor. This requirement shall not apply to each Contractor this is exempt under A.R.S. 23-901, and when such Contractor executes the appropriate waiver form.

  - (2) Insurance provided by the Contractor shall not limit the Contractor's liability assumed under the indemnification provisions of this contract.

- d. Acceptability of Insurers. Contractor shall purchase and maintain the herein stipulated minimum insurance from a company or companies duly licensed by the State of Arizona and possessing a current A.M. Best rating of not less than A-6. In lieu of State of Arizona licensing, the stipulated insurance may be purchased from a company or companies, which are authorized to do business in the State of Arizona, provided that said insurance companies meet the approval of the County. The County in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.
- e. Verification of Coverage. Contractor shall furnish the County with certificates of insurance or formal endorsements as required by the contract at least fourteen (14) calendar days prior to commencing work or services under the contract. Such certificates shall identify this contract number and project description and shall be sent directly to the attention of Pinal County Purchasing Department. If a policy does expire during the life of the contract, a renewal certificate must be sent to the County a minimum of fourteen (14) calendar days prior to the expiration date. The form of any insurance policies, limits, endorsements and forms must be acceptable to the County. The County shall not be obligated, however, to review such policies and/or endorsements or to advise Contractor of any deficiencies in such policies and endorsements, and such receipt shall not relieve Contractor from, or be deemed a waiver of County's right to insist on strict fulfillment of Contractor's obligations under this Contract.

- f. Subcontractors. All coverages for all tiers of Subcontractors shall be subject to the minimum insurance requirements identified above. The County reserves the right to require, at any time throughout the life of this contract, proof from the Contractor that its Subcontractors have the required coverage.
- g. Approval and Modifications. The County reserves the right to review or make modifications to the insurance limits, required coverages, or endorsements throughout the life of this contract, as deemed necessary. The parties specifically intend that the Contractor indemnitors shall indemnify the relevant County indemnitees from and against indemnified basic claims in all instances except where the indemnified basic claim arises solely from those County indemnitees' own negligent or willful acts or omissions. Wherever the indemnification under this subparagraph applies, Contractor is responsible for primary loss investigation, defense, and judgment costs for an on behalf of the other Contractor indemnitors with respect to County indemnitees, and accordingly Contractor is also responsible for any cooperation, contribution, or subordination between or amongst the Contractor indemnitors. In consideration of the award of the contract by a County indemnitee, Contractor hereby waives all rights of subrogation against County indemnities for losses arising from the work.
- d. It is the specific intention of the County and the Contractor that the County shall, in all instances, except for the gross negligent or willful acts of the County, be indemnified, defended and held harmless by the Contractor from and against any all demands, claims, suits, losses, and damages.

In any event, the notice must make specific reference to this paragraph specifying the causes of the delay in the notice and, if the effects of the occurrence are on-going, provide an initial notification and thereafter the delayed party shall provide regular updates until such time as the effects are fully known. To the extent it is able, the delayed party shall cause the delay to cease promptly and notify the other party when it has done so. The parties will extend the time of completion by contract amendment for a period equal to the time that the results or effects of the delay prevented the delayed party from performing.
- b. **Excusable Delay is Not a Default.** Failure in performance by either party will not constitute default hereunder or give rise to any claim for damages or loss of anticipated profits if and to the extent that such failure was or is being caused by an occurrence of force majeure.
- c. **Default Diminishes Relief.** Entitlement to relief from the effects of an occurrence of force majeure is diminished to the extent that the delay did or will result from the affected party's default unrelated to the occurrence, in which case the other party's normal remedies and the affected party's obligations would apply undiminished.

16.6 Third Party Antitrust Violations. The Contractor assigns to the County any claim for overcharges resulting from antitrust violations to the extent that those violations concern materials or services supplied by third parties to the Contractor, toward fulfillment of this contract.
