I. Project Overview

A. Introduction; Statement of Purpose

The City of Philadelphia (City), acting through its Water Department (PWD or Department), is seeking proposals, through this Request for Proposal (RFP), from qualified utility locating and marking companies to provide underground utility marking services for water main, sewer, and storm water infrastructure, and provide expertise when and where required. This RFP is not for a specific project or location, but for the servicing of ongoing daily requests received from the PA One Call system, as required by Pennsylvania Act 287, the “Underground Utility Line Protection Act”. The dollar amount of the contract will be at the sole discretion of the Water Department.

B. Department Overview

The Department serves the Greater Philadelphia region by providing integrated water, wastewater, and storm water services. The Department's primary mission is to plan for, operate, and maintain both the infrastructure and the organization necessary to purvey high quality drinking water, to provide an adequate and reliable water supply for all household, commercial, and community needs, and to sustain and enhance the region's watersheds and quality of life by managing wastewater and storm water effectively. In fulfilling its mission, the Department seeks to be customer-focused, delivering services in a fair, equitable, and cost-effective manner, with a commitment to public involvement. Having already served the City and region for nearly two centuries, the Department's commitment for the future includes an active role in the economic development of Greater Philadelphia and a legacy of environmental stewardship.

The City reserves the right, in its sole discretion, (i) to waive any failure to comply with the terms of this Notice to Applicants if it determines it is in the best interest of the City to do so; and (ii) to require or negotiate terms and conditions different from and/or additional to the Contract Terms in any final contract resulting from this contract opportunity, without notice to other Applicants and without affording other Applicants any opportunity to revise their proposals based on such different or additional terms.

E. The Philadelphia Tax and Regulatory Status and Clearance Statement

To assist the City, through its Department of Revenue and Department of Licenses and Inspections, in determining this status, each Applicant is required to submit with its proposal the certification statement entitled City of Philadelphia Tax and Regulatory Status and Clearance Statement which is attached to this RFP as Appendix C.

If the Applicant is not in compliance with the City's tax and regulatory codes, an opportunity will be provided to enter into satisfactory arrangements with the City. If satisfactory arrangements cannot be made, Applicants will not be eligible for award of the contract contemplated by this RFP.

The selected Applicant will also be required to assist the City in obtaining the above information from its proposed subcontractors (if any). If a proposed subcontractor is not in compliance with City Codes and fails to enter into satisfactory arrangements with the City, the non-compliant subcontractor will be ineligible to participate in the contract contemplated by this RFP and the selected applicant may find it necessary to replace the non-compliant subcontractor with a compliant subcontractor. Applicants are advised to take these City policies into consideration when entering into their contractual relationships with proposed subcontractors.

If an Applicant or a proposed subcontractor is not currently in compliance with the City's tax and regulatory codes, please contact the Revenue Department to make arrangements to come into compliance at 215-686-6600 or revenue@phila.gov.

Applicants need not have a City of Philadelphia Business Income and Receipts Tax Account Number (formerly Business Privilege Tax Account Number) and Commercial Activity License Number (formerly Business Privilege License Number) to respond to this RFP, but will, in most circumstances, be required to obtain one or both if selected for award of the contract contemplated by the RFP.¹ Applications for a Business Income and Receipts Tax Account Number or a Commercial Activity License² may be made on line by visiting the City of Philadelphia Business Services Portal at <https://www.phila.gov/services/business-self-employment/business-taxes/> and clicking on "Get a tax account." If you have specific questions, call the Department of Revenue at 215-686-6600 for questions related to City of Philadelphia Business Income and Receipts Tax Account Number or the Department of Licenses and Inspections through 215-686-8686 for questions related to the Commercial Activity License.

¹ Applicants that have a Business Privilege Tax Number should use that number, as it is automatically their Commercial Activity License Number, and need not apply for a new Commercial Activity License Number. Similarly, Applicants with a Business Privilege Tax Account Number should use that number as their Business Income and Receipts Tax Account Number.

² Commercial Activity Licenses are not typically required for non-profit organizations; however, Business Income and Receipts Tax Account Numbers typically are required.

Applicants and any subcontractors at any tier proposed by Applicants are strongly encouraged to consult Chapter 17-1300 of the Philadelphia Code,³ the General Provisions, and the About/Minimum Wage and Equal Benefits Ordinances Impacting Some City Contractors links on the eContract Philly home page for further details concerning the applicability of this Chapter to, and obligations it imposes on certain City contractors and subcontractors at any tier. In addition to the enforcement provisions contained in Chapter 17-1300, the successful Applicant’s failure or the failure of any subcontractor at any tier to comply (absent an approved waiver) with the provisions of Chapter 17-1300, or any discrimination or retaliation by the successful Applicant or Applicant’s subcontractors at any tier against any of their employees on account of having claimed a violation of Chapter 17-1300, shall be a material breach of any Service Contract resulting from this RFP. By submitting a proposal in response to this RFP, Applicants acknowledge that they understand, and will comply with the requirements of Chapter 17-1300, and will require the compliance of their subcontractors at any tier if awarded a contract pursuant to this RFP. Applicants further acknowledge that they will notify any subcontractors at any tier proposed to perform services related to this RFP of the requirements of Chapter 17-1300.

Following the award of a Service Contract subject to Chapter 17-1900 and prior to execution of the Service Contract by the City, the successful Applicant shall certify that its employees have received the required notification of the employment benefits available to life partners and that such employment benefits will actually be available, or that the successful Applicant does not provide employment benefits to the spouses of married employees. The successful Applicant's failure to comply with the provisions of Chapter 17-1900 or any discrimination or retaliation by the successful Applicant against any employee on account of having claimed a violation of Chapter 17-1900 shall be a material breach of the any Service Contract resulting from this RFP. The City Department shall deem it a positive factor where the Applicant has, in the City's sole discretion, met the Local Business Entity or Local Impact criteria.

I. LGBTQ Applicant Opportunity Data

As part of the City's commitment to diversity, equity and inclusion in all aspects of City procurement, the City is collecting data to identify the number of companies beneficially owned and controlled by Lesbian, Gay, Bisexual, Transgender and Queer persons who wish to do business with the City (collectively, "LGBTQ businesses"). The data will be used to identify the number of LGBTQ businesses currently doing business with the City. It will also assist in efforts to include LGBTQ certified businesses into the City's vendor database. Response to this form, Appendix E, is voluntary.

J. Mandatory Online Application Requirements

You must apply online in order to be eligible for award of the non-competitively bid contract opportunity described in this RFP; proposals and any other related documents prepared in response to this RFP will not be considered unless they are filed to the correct contract opportunity established for this RFP (identified by opportunity number), within the prescribed time period, through eContract Philly, which can be accessed on the City's website at <https://philawx.phila.gov/econtract/>.⁴ The posting of this RFP on eContract Philly is also referred to as a Notice of Contracting Opportunity.

The City requires that any Applicant who establishes an account on eContract Philly and utilizes that account for the purpose of responding to a particular contract opportunity is the same individual or business entity that, if awarded the contract, will enter into and perform the resulting contract with the City. **Applicants MUST ensure that the company name and Tax Identification Number (TIN) with which they are registered on eContract Philly is the identical name and TIN under which they are submitting their application. Any deviation from this may result in the disqualification of the Applicant at the sole discretion of the City. If the Applicant wishes to apply for an opportunity using a name or TIN which is different from the registration account, the Applicant must register the new name and TIN with eContract Philly before submitting its application for the opportunity.** Except in the case of joint ventures, applications posted on eContract Philly from Applicants that purport to be filing an application on behalf of another individual or business entity will not be considered, even if the other business entity is an affiliate of the Applicant.

In the case of multiple business entities that if awarded a contract have formed, or intend to form a joint venture to perform the contract, a single business entity may file an application on behalf of all such business entities so long as (i) the filing business entity is or will be a member of the joint venture, (ii) the application is made in the name of the existing or proposed joint venture, (iii) documentation is submitted with the application identifying all business entities that comprise, or will comprise, the joint venture, and demonstrating a binding agreement among those business entities to perform the contract as the joint venture identified in the application (for a joint venture that has not yet been formed, documentation signed by each identified business entity evidencing a commitment to form the joint venture if awarded the contract is sufficient), and (iv) the non-filing business entities are eligible for award of a City contract and make the disclosures required by Chapter 17-1400 of the Philadelphia Code (described in greater detail below) within fourteen (14) days after the joint venture receives notice that it has been awarded the contract.

Pursuant to Chapter 17-1400 of the Philadelphia Code, Applicants are required to disclose their direct and indirect campaign contributions to candidates who are running for, and/or incumbents who are currently serving in local Philadelphia elected office and to political committees/parties that are operating in Philadelphia (federal campaign contributions are not included **unless** the subject of the campaign is also running for, or currently serving in a local Philadelphia elected

office); any consultants used in responding to the RFP and contributions those consultants have made; prospective subcontractors; and whether Applicant or any representative of Applicant has received any requests for money or other items of value or advice on particular firms to satisfy minority-, woman- or disabled-owned business participation goals from City employees. This information, as well as a proposal or any other response document required, is part of the online application. For more information, please consult the text of Chapter 17-1400 (especially section 17-1402(1)(b)(i).(2) and section 17-1405), consult the reference materials found on the website, e-mail econtractphilly@phila.gov, or call 215-686-4914.

Applicants are advised that under Chapter 17-1400 individuals and businesses that make campaign contributions in excess of the amounts set forth in Section 17-1404(1), as periodically adjusted, are ineligible to enter into a City contract or subcontract at any tier. Applicants should take this into consideration in electing to apply for this opportunity or in selecting subcontractors if awarded a contract to perform the work sought by this RFP.

At their option, Applicants may require that their subcontractors disclose to the Applicants, the subcontractors' direct and indirect campaign contributions to candidates who are running for, and/or incumbents who are currently serving in local Philadelphia elected office and to political committees/parties that are operating in Philadelphia (federal campaign contributions are not included unless the subject of the campaign is also running for, or currently serving in a local Philadelphia elected office). Disclosure forms may be found on the Disclosure/Eligibility – Subcontractor Disclosure tab on eContract Philly. Applicants are not required to submit these forms to the City.

Applicants who have failed to file complete applications to the correct opportunity – including the online disclosure forms – through the eContract Philly online application process prior to the closing date and time will not be considered for the contract.

You are encouraged to start and complete your online application on eContract Philly as early as possible. Please be aware that internet connection speed depends on a variety of factors including: configuration of your computer, configuration of your business or home network, the condition of the wiring at your location, network or internet congestion (available bandwidth). Please prepare and plan accordingly to ensure a timely submission. Your proposal and other application documents will not be considered submitted until you sign the application and click on the “submit” button at the conclusion of the eContract Philly process. It is your responsibility to make sure that you have signed and submitted your complete application to the correct contract opportunity established for this RFP.

You can begin uploading (or attaching) your proposal and other application materials at any time. It is especially prudent for you to start uploading your attachments earlier if you have a large number of attachments (e.g. over five documents) or larger-sized attachments (e.g. above 5 MB). Please be advised that the eContract Philly website will not accept documents larger than 8 MB. If you have documents larger than 8 MB, you must separate them into smaller documents in order to successfully upload them to the system. Until you sign and submit your application, your materials are not accessible to any staff with the City of Philadelphia. Once you have

signed and submitted your application, your application is accessible only to appropriate contract staff within the City of Philadelphia.

You are advised that any individual who signs and submits an application on eContract Philly must be an authorized signatory of the Applicant, authorized to both bind the Applicant to its proposal and to make the disclosures required to complete the eContract Philly process. Therefore, in conjunction with their electronic signatures provided at the conclusion of the submission of their applications online, signatories will be required to certify that they are the Applicant or are employees or officers of the Applicant duly authorized to execute the application and make disclosures on the Applicant's behalf; and they represent and covenant that, to the best of their knowledge after appropriate inquiry, all of the information and disclosures provided are true and contain no material misstatement or omissions.

K. Selection Process

This RFP is not a competitive bid subject to the requirement of Section 8-200 of the Philadelphia Home Rule Charter that award be made to the lowest responsible bidder. Cost to the City is a material factor, but it is not the sole, or necessarily the determining factor, in proposal evaluation. The City may, at its sole discretion, award a contract resulting from this RFP to a person or entity other than the responsible Applicant submitting the lowest price. If the City chooses to award a contract, that contract will be awarded to the Applicant whose proposal the City determines, in its sole discretion, is the most advantageous to the City and in the City's best interest.

The City will base its selection on criteria that include, but are not limited to:

1. Superior ability or capacity to meet particular requirements of contract and needs of City Department and those it serves
2. Eligibility under Code provisions relating to campaign contributions
3. Superior prior experience of Applicant and staff
4. Superior quality, efficiency and fitness of proposed solution for City Department
5. Superior skill and reputation, including timeliness and demonstrable results
6. Special benefit to continuing services of incumbent, such as operational difficulties with transition or needs of population being served
7. Benefit of promoting long-term competitive development and allocation of experience to new or small businesses, including those owned by minority or disabled persons or by women
8. Lower cost
9. Administrative and operational efficiency, requiring less City oversight and administration
10. Anticipated long-term cost effectiveness
11. Meets prequalification requirements
12. Applicant's certification of its Local Business Entity/Local Impact status pursuant to Executive Order 04-12

If a contract is awarded pursuant to this RFP, in compliance with Section 17-1402 (c) of the Philadelphia Code, a notice will be published on the City's eContract Philly website

(<https://philawx.phila.gov/econtract/>) listing the names of all Applicants and identifying the successful Applicant and the basis for the award to that Applicant. This notice will appear on the City’s website for at least one week before the contract is executed. In no event, however, shall the City Department or City Agency issuing this RFP be obligated to debrief unsuccessful Applicants as to the basis for its decision not to award a contract to them.

Except as may be stated otherwise in such amendment, the terms and conditions of this Contract shall apply throughout each Additional Term.

V. General Rules Governing RFPs/Proposals; Reservation of Rights and Confidentiality

A. Revisions to RFP

The City reserves the right to change, modify or revise the RFP at any time. Any revision to this RFP will be posted on eContract Philly with the original Opportunity Details. It is the Applicant’s responsibility to check the eContract Philly website frequently to determine whether additional information has been released or requested.

B. City Employee Conflict Provision

City of Philadelphia employees and officials are prohibited from submitting a proposal in response to this RFP. No proposal will be considered in which a City employee or official has a direct or indirect interest.

C. Proposal Binding

By submitting its proposal, each Applicant agrees that it will be bound by the terms of its proposal for a minimum of 180 calendar days from the application deadline for this RFP. An Applicant’s refusal to enter into a contract which reflects the terms and conditions of this RFP or the Applicant’s proposal may, in the City’s sole discretion, result in rejection of Applicant’s proposal.

D. Contract Preparation Fee

Pursuant to Chapter 17-700 of the Philadelphia Code, the successful Applicant must generally pay a contract preparation fee. Regulations promulgated by the City Solicitor currently establish the following schedule of fees for preparation of the initial contract and subsequent amendments, based upon the amounts involved and whether the successful Applicant is a for-profit or nonprofit entity:

<u>Amount of Contract or Amendment</u>	<u>For-Profit Fees</u>		<u>Non-Profit Fees</u>	
	<u>Contract</u>	<u>Amendment</u>	<u>Contract</u>	<u>Amendment</u>
\$0-\$30,000	\$50	\$50	\$50	\$50

\$30,001-\$100,000	\$200	\$170	\$100	\$85
\$100,001-\$500,000	\$500	\$340	\$200	\$170
\$500,001-\$1,000,000	\$900	\$520	\$300	\$260
Over \$1,000,000	\$1,500	\$1,000	\$500	\$500

In its discretion, the Law Department may grant a full or partial waiver of any of the above fees in exceptional cases for good cause shown, such as violation of a grant covenant. Governmental entities are exempt from the fees. The Law Department reserves the right to collect up to twice the stated fee if extensive negotiation is required to reach a final contract with the successful Applicant.

E. Reservation of Rights

By submitting its response to this notice of contract opportunity as posted on the eContract Philly web site (“eContractPhilly”), the Applicant accepts and agrees to this Reservation of Rights. The term “notice of contract opportunity,” as used herein, means this RFP and includes all information posted on eContract Philly in relation to this “New Contract Opportunity” as published on eContract Philly, including, without limitation, the information posted for this opportunity on the “Detailed Information for Opportunity” page, in the eContractPhilly “Opportunity List,” and including in addition to this RFP, any other document linked to the Detailed Information for Opportunity Page or otherwise displayed on or linked to this notice of contract opportunity.

2. Proposal Selection and Contract Negotiation

The City reserves and may, in its sole discretion, exercise any one or more of the following rights and options with respect to proposal selection:

(a) to reject any proposal if the City, in its sole discretion, determines the proposal is incomplete, deviates from or is not responsive to the requirements of this notice of contract opportunity, does not comply with applicable law (including, without limitation, Chapter 17-1400 of the Philadelphia Code), is conditioned in any way, or contains ambiguities, alterations or items of work not called for by this notice of contract opportunity, or if the City determines it is otherwise in the best interest of the City to reject the proposal;

(b) to reject any proposal if, in the City's sole judgment, the Applicant has been delinquent or unfaithful in the performance of any contract with the City or with others; is delinquent, and has not made arrangements satisfactory to the City, with respect to the payment of City taxes or taxes collected by the City on behalf of the School District of Philadelphia, or other indebtedness owed to the City; is not in compliance with City regulatory codes applicable to Applicant; is financially or technically incapable; or is otherwise not a responsible Applicant;

(c) to waive any defect or deficiency in any proposal, including, without limitation, those identified in subsections(a) and (b) preceding, if, in the City's sole judgment, the defect or deficiency is not material to the proposal;

(f) to enter into negotiations with any one or more Applicants regarding price, scope of services, or any other term of their proposals, and such other contractual terms as the City may require, at any time prior to execution of a final contract, whether or not a notice of intent to contract has been issued to any Applicant and without reissuing this notice of contract opportunity;

(g) to enter into simultaneous, competitive negotiations with multiple Applicants or to negotiate with individual Applicants, either together or in sequence, and to permit or require, as a result of negotiations, the expansion or reduction of the scope of services or changes in any other terms of the submitted proposals, without informing other Applicants of the changes or affording them the opportunity to revise their proposals in light thereof, unless the City, in its sole discretion, determines that doing so is in the City's best interest;

(h) to discontinue negotiations with any Applicant at any time prior to the execution of a final contract, whether or not a notice of intent to contract has been issued to the Applicant, and to enter into negotiations with any other Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(i) to rescind, at any time prior to the execution of a final contract, any notice of intent to contract issued to an Applicant, and to issue or not issue a notice of intent to contract to the same or a different Applicant and enter into negotiations with that Applicant, if the City, in its sole discretion, determines it is in the best interest of the City to do so;

(j) to elect not to enter into any contract with any Applicant, whether or not a notice of Intent to Contract has been issued and with or without the reissuing this notice of contract opportunity, if the City determines that it is in the City's best interest to do so;

(k) to require any one or more Applicants to make one or more presentations to the City at the City's offices or other location as determined by the City, at the Applicant's sole cost and expense, addressing the Applicant's proposal and its ability to achieve the objectives of this notice of contract opportunity;

(l) to conduct on-site investigations of the facilities of any one or more Applicants (or the facilities where the Applicant performs its services);

(m) to inspect and otherwise investigate projects performed by the Applicant, whether or not referenced in the proposal, with or without consent of or notice to the Applicant;
