

## **ADDENDUM 1**

DATE: January 21, 2021

PROJECT: StarDate Radio Production

ITB NO: ITB 02101259

OWNER: The University of Texas at Austin

TO: Prospective Bidders

This Addendum forms part of Contract Documents and modifies Bid Documents dated January 6, 2021 with amendments and additions noted below.

### **Questions and Answers:**

1. **Question: Are you looking for same-day delivery of mix and master on the day of recording?**

*Answer: No, we need delivery of mix and master within five business days of completion of one month of programs.*

2. **Question: Could you be any more specific about the deliverables i.e. format, bit rate, would we have to print physical copies, etc.**

*Answer: Format: WAV and MP3; 44.1K bit rate; generally, post the files online for download by the producer, although occasional CDs might be required.*

3. **Question: What are your exact requirements for Source-Connect?**

*Answer: Connect to the voice talent via Source-Connect, with the producer connected through Zoom.*
