GENERAL INFORMATION

A. Purpose

The Howard County Public School System (HCPSS) has issued this Request for Proposal (RFP) to solicit submittals from qualified organizations to provide a cloud based adapted reading instructional program for grades K-8 students.

B. Background

- The Howard County Public School System (HCPSS) currently has 58,000 students in 77 schools and is located between the metropolitan areas of Baltimore, Maryland and Washington, DC. While it is a suburban system in many respects, parts of it are becoming more urbanized with an influx of students and families from the two major metropolitan areas, many of them coming because of the outstanding reputation of the school system.
- Respondents to this solicitation are encouraged to review the data contained in HCPSS' website for a better understanding of HCPSS, its organization and management, and the services it provides. The website includes a summary of the approved Operating Budgets. This website may be accessed at <http://www.hcpss.org/>

C. Obligations of HCPSS

- HCPSS shall pay no costs or other amounts incurred by any entity in responding to this RFP or prior to the effective date of the contract entered into for the services provided. HCPSS reserves the right, in their sole discretion, to select qualified responses to this RFP without discussion of responses with respondents. HCPSS reserves the right to reject any or all submitted responses. All submittals will become a part of the HCPSS official procurement files, and will be available for public inspection.

D. Respondent Obligations

- Submittals must identify any proposed subcontractors, and outline the contractual relationship between Consultant and each joint respondent or subcontractor. Future additional or substitute subcontractors must be approved by HCPSS in advance of service award. An individual with authority to bind each proposed subcontractor or joint respondent must sign a statement to the effect that the subcontractor or joint respondent has read and agrees to abide by the Consultant's obligations under the Contract. The Consultant's submittals must include originals of these statements.
- Consultant will be the sole point of contract responsibility. HCPSS will look solely to the Consultant for performance of the contract. Consultant will indemnify and hold harmless HCPSS from any claim asserted by or against Consultant, Consultant's subcontractors or joint respondents.
- Although not detailed in this document, HCPSS reserves the right to negotiate a contract amendment with the Consultant for additional services that may be required.

E. Respondent Understanding of RFP

- By submitting a signed submittal, a respondent represents that it fully understands this RFP and will abide by its terms and conditions, including those appearing in Part V of this RFP and the HCPSS Standard Contract that appears in Appendix E of this RFP. No exceptions,

amendments, or deviations from this RFP will be allowed in any submittals unless agreed to in writing and raised by the Consultant prior to or during the pre-submittal conference. Unauthorized exceptions, amendments, or deviations in the response may result in disqualification of the submittal.

F. Deadline for Submission of Responses

- To be considered, submittals shall be submitted electronically via email in their entirety (all pages) in PDF format no later than the time and date specified in the Notice to Bidders to BidsandProposals@hcpss.org, in order to be considered for this project/service.

G. Right to Amend, Modify or Withdraw RFP

- HCPSS reserves the right, in their sole discretion, to amend, or modify any provisions of this RFP, or to withdraw this RFP, at any time prior to the award of a Contract, if it is in the best interest of HCPSS to do so. The decision of HCPSS shall be administratively final in this regard.

H. Issuing Office

- Purchasing is the Issuing Office and the sole point of contact for the RFP. HCPSS is the only office authorized to clarify, modify, amend, alter, or withdraw the specifications, terms, and conditions of this RFP and any contract awarded as a result of this RFP. All communications concerning this procurement must be in writing and addressed to:

Douglas Pindell
Director of
Purchasing

I. Open Records

- Following the award and execution of the Contract, responses to this RFP are subject to release as public information unless HCPSS has determined that parts of the submittal are confidential. It is recommended that respondents consult with their legal counsel regarding disclosure issues and take the appropriate precautions to safeguard trade secrets or any other proprietary information.
- In the event HCPSS receives a public information request for records related to this RFP, the school system may contact respondents if it believes a portion of this submittal could be considered confidential under the Maryland Public Information Act or other applicable state and federal law. Once contacted, respondents will be asked to submit in writing specific detailed reasons, including any relevant legal authority, stating why it believes the material to be confidential. Vague and general claims as to confidentiality will not be accepted. - Transparency in the use of public funding is fundamental to HCPSS operations. Prior to the award of bids and contracts, the Board of Education of Howard County reviews and approves costs to be incurred by the school system – therefore, respondents should be aware that submission to this RFP may subject your pricing offer to release in a public forum. Additionally, pricing and payments made by HCPSS under the resulting Contract may also become subject to release as public information. HCPSS may consider both the ability to obtain necessary pricing from future respondents as well as the potential to cause harm to the competitive position of respondents in determining release of pricing detail.
- Copyrighted submittals are unacceptable and will be disqualified as non-responsive. All submittals become the property of HCPSS.

J. Written Questions and Official Responses

- Inquiries concerning this RFP must be in writing and received by the Issuing Office no later than the date and time specified in this RFP. Telephone inquiries will not be accepted. Responses to inquiries of a specific nature that are not addressed in the RFP or would be beneficial for all potential firms to have will be addressed in an written addendum. HCPSS reserves the right, in its sole discretion, to determine whether a request is of a general or specific nature.
- If a respondent discovers any ambiguities, conflicts, discrepancies, exclusionary specifications, omissions, or other errors in this RFP, respondent must immediately notify the Issuing Office. If a respondent fails to so notify the Issuing Office, such respondent submits a response at its own risk and under such conditions. If such respondent is awarded a contract, then it is not entitled to additional compensation, relief, or time by reason of the error or its later correction.

Failure to request such clarification is a waiver to any claim by the Bidder for expenses made necessary by reason of later interpretation of the RFP document's by HCPSS. Request shall include the RFP number and title.
- HCPSS reserves the right to change the contents of this solicitation. Changes will be made in the form of written addenda and posted to the HCPSS Purchasing web site at, <https://purchasing.hcpss.org/business-opportunities>.
- It is the bidder's sole responsibility to monitor the Purchasing web site prior to submitting their bid and acknowledge receipt of said addenda on the proper bid form. Failure to do so may result in non-receipt of important information and may not relieve such bidder from any obligation under his/her proposal submittal.

2. Submittals shall comprehensively address all of the desired services outlined in the Request for Proposal and shall demonstrate the successful performance of similar contracts by the contractor making the submittal, and shall offer the most cost effective submittal for the desired services.
3. Submittals shall be evaluated by a Selection Advisory Committee that may request additional technical assistance from any source. The Committee shall first review each submittal for compliance with requirements of the Request for Proposal. The Committee may recommend that the HCPSS waive minor irregularities in order to assure quality of service in the remaining areas and if it determines that, the decision is in the best interests of HCPSS.
4. **Only the firms whose proposal has achieved the required 70% minimum or better technical score will be considered for award.** HCPSS reserves the right to make an award with or without negotiations or request best and final offers or to make an award without further review.
5. Based on the results of the preliminary evaluation, the highest rated offerors may be invited by the Director of Purchasing to make oral presentations and/or product demonstrations to the Selection Advisory Committee. This committee shall then conduct a final evaluation of the proposals. The Selection Advisory Committee shall then negotiate a contract with the highest rated offeror. At this time, the offeror and the Selection Advisory Committee may negotiate any changes desired in the offer if deemed in the best interest of HCPSS. If a satisfactory contract cannot be negotiated with the highest qualified offeror, negotiations shall be formally terminated. Negotiations shall then be undertaken with the second rated offeror and so on.
6. The Director of Purchasing may arrange for discussions with firms submitting proposals, if required, for the purpose of obtaining additional information or clarification.
7. Offerors are advised that, in the event of receipt of an adequate number of proposals, which, in the opinion of the Director of Purchasing, require no clarifications and/or supplementary information, such proposals may be evaluated without further discussion. Hence, proposals should be submitted initially on the most complete and favorable terms from a technical standpoint which offerors are capable of submitting to HCPSS. U. OPTIONAL USE OF CONTRACT

The Mid-Atlantic Purchasing Team (MAPT) is the title of the agreement between the Metropolitan Washington Council of Governments and the Baltimore Metropolitan Council to aggregate the purchasing volumes in the Maryland, Virginia and Washington D.C. regions. A lead agency format is used to accomplish this work, and neither the lead agency nor MWCOG or BMC are compensated through the contract.

Participating entities, through their participation, agree to the terms and conditions of the resulting contract to the extent that they can be reasonably applied to the participating entity. Participating entities may also negotiate additional terms and conditions specific to their local requirements upon mutual agreement between the parties.

The supplier agrees 1) this contract shall be governed by and construed in accordance with the laws of the State in which the participating entity officially resides; 2) the regional coordinators of cooperative purchasing in MWCOG and BMC shall be provided reasonable contract usage reporting on demand and without further approval of contract participants; 3) contract obligations rest solely with the participating entities only; and 4) significant changes in total contract value may result in further negotiations of contract pricing for the participating entities.

V. SEX OFFENDER NOTIFICATION

Maryland law requires certain sex offenders to register with the local law enforcement agency; See Maryland Annotated Code, Criminal Procurement Article, §11-704. One of the purposes of this law, found in Article 27§ 792, is to inform school systems when a Registered Sex Offender is residing or working in the area. When the sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

As a contractor working for Howard County Public School System (HCPSS), we require that you do not employ Registered Sex Offenders to work on projects for our school system if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services **on HCPSS property**. Further, Maryland Law that became effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender; See §11-722 Criminal Procurement Article. An employer who violates this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000 fine.

Each contractor shall screen their work-forces to ensure that a Registered Sex Offender does not perform work at a county public school and also ensure that a subcontractor and independent contractor conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the contractor's direct employees and subcontractors and/or independent contractors it uses to perform the work. Violations of this provision may cause HCPSS to take action against the contractor up to and including termination of the contract.

Effective July 1, 2015, amendments to § 6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school property with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving a sexual offense, child sexual abuse and crimes of violence.

The Contractor shall submit to HCPSS a listing of any employees assigned to perform under this agreement and certify that the necessary criminal history records checks have been conducted and that employee complies with the requirements.

W. CRIMINAL HISTORY BACKGROUND CHECKS

All employees, agents, or representatives of the awarded Contractor who will be performing work on any phase of the contract arising out of this Bid may be subject to a criminal history background check by the school system. Such persons, if requested by the school system, must provide fingerprints and other required information to facilitate such a check, as well as the necessary fees to obtain such a check from the federal or state government. At the completion of a background check, the school system may, at its sole discretion, decide that a particular employee, agent, or representative of the Contractor be barred from school system property.

X. ETHICS REGULATIONS

Z. ASSIGNMENTS

The Contractor may not assign or transfer this contract, any interest herein or any claim hereunder, except as expressly authorized in writing by the Howard County Public School System. Unless the performance is expressly waived in writing by the Howard County Public School System, an assignment does not release the Contractor from responsibility for performance of this contract. Assignment or subcontracting without the written approval of the Howard County Public School System will be cause for termination.

AA. SUBCONTRACTORS

In the event that some or all of the professional services under this agreement are assigned to one or more subcontractors with the permission of the HCPSS, the contractor must advise the HCPSS Contract Administrator of the current names and addresses of all subcontractors and shall verify that all subcontractors adhere to all requirements and responsibilities under this contract including, but not limited to, professional licensure and insurance requirements. Contractors and its subcontractors shall remain jointly and severally liable to the Board for any breaches, act, or omissions committed by a subcontractor. Nothing contained in these contract documents shall create any contractual relation between any subcontractor and the Howard County Public School System.

BB. TOBACCO FREE AND ALCOHOL/DRUG FREE ENVIRONMENT

The Board of Education of Howard County maintains a tobacco, alcohol/drug free environment. The sale or use of tobacco, alcohol or drugs, in any form, or related product, is prohibited in school buildings and grounds at all times. Persons found violating this policy will be requested to remove the product and themselves from school premises. Repeated use or sale of tobacco on HCPSS property, or any use or sale of alcohol, misuse of other drugs, or any use of illegal drugs by a contract employee while servicing this contract or while on HCPSS property will result in a prohibition of that employee from servicing the HCPSS contract. Repeated instances of violations by contract employees may result in a default ruling and lead to contract termination.

CC. RIGHT TO ASSIGN WORK

DD. SPECIFICATIONS AND SCOPE OF WORK

QQ. PRICE ADJUSTMENTS

The Howard County Public School System will only consider adjustments on labor rates based only upon federal minimum wage increases and decreases in the Consumer Price Index (CPI-W), Baltimore Region, as published by the Bureau of Labor Standards. Requested increases above a 10% cap will not be considered. In order to receive consideration for a price increase, the Contractor must submit to The Howard County Public School System, sixty (60) days prior to the contract expiration date, a statement of any change in the hourly rate wage actually to be paid to its employees during the renewal term. Adjustments will be calculated by comparing the current index with the previous year's index so as to determine the change in index points. The point change will then be divided by the price index to obtain the percentage of change. The percentage of change will then be multiplied by .75 to obtain the adjustment to be applied to the current prices.

The Howard County Public School System will also consider adjustments based on fees outside of the control of the Contractor, such as manufacturer price increases. However, such increases will be a "pass through" to the Howard County Public School System with no mark up allowed. For such changes to be

considered by the Howard County Public School System, documentation from the manufacturer (or any other applicable party) assessing a cost increase must accompany a written request from the Contractor. 1.1 - The Contractor shall not commence Work until he has obtained at his own expense all of the insurance as required hereunder and such insurance has been approved by the Board of Education of Howard County Maryland; nor shall the Contractor allow any Subcontractor to commence Work on his subcontract until all similar insurance required of the Subcontractor has been so obtained and approved by the Contractor. Approval of insurance required of the Contractor will be granted only after submission to the Board of Education of Howard County Maryland of original, signed certificates of insurance or, alternately, at the Board of Education of Howard County Maryland's request, certified copies of the required insurance policies.

1.2 - The Contractor shall require all Subcontractors to maintain during the term of this agreement, commercial general liability insurance, business automobile liability insurance, and Workers' Compensation and employers' liability insurance, in the same manner as specified for the Contractor. The Contractor shall furnish Subcontractors' certificates of insurance to the Board of Education of Howard County Maryland immediately upon request.

1.3 - All insurance required hereunder shall include the following provision: "It is agreed that this policy is not subject to cancellation, non-renewal, material change, or reduction in coverage until sixty (60) days prior written notice has been given to the Board of Education of Howard County Maryland."

The phrases "endeavor to" and "... but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

1.4 - No acceptance and/or approval of any insurance by the Board of Education of Howard County Maryland shall be construed as relieving or excusing the Contractor, or the Surety, or his bonds, from any liability or obligation imposed upon either or both of them by the provisions of the Contract Documents.

1.5 - The Board of Education of Howard County Maryland and its elected or appointed officials, agents and employees are to be named as an additional insured under all coverages except Workers compensation and business automobile liability, and the certificate of insurance, or the certified policy, if requested, must so state this. Coverage afforded under this paragraph shall be primary as respects the Board of Education of Howard County Maryland, its agents and employees.

Maryland from supervising or inspecting the project as to the end result. The Contractor shall assume all on-the-job responsibilities as to the control of persons directly employed by it and of the Subcontractors and any persons employed by the Subcontractor.

1.9- Nothing contained in the specifications shall be construed as creating any contractual relationship between any Subcontractor and the Board of Education of Howard County Maryland. The Contractor shall be fully responsible to the Board of Education of Howard County Maryland for the acts and omissions of the Subcontractors and of persons employed by them as it is for acts and omissions of persons directly employed by it.

All existing structures, utilities, roads, services, trees and shrubbery shall be protected against damage or interruption of service at all times by the Contractor and its Subcontractors during the term of the contract, and the Contractor shall be held responsible for any damage to property occurring by reason of its operation on the property.

The notification required by this section shall be made as soon as commercially practicable after the law enforcement agency determines that notification will not impede or compromise the investigation. VENDOR shall cooperate with law enforcement in accordance with applicable law provided however, that such cooperation shall not result in or cause an undue delay to remediation of the Incident. VENDOR shall promptly take appropriate action to mitigate such risk or potential problem at VENDOR's expense. In the event of an Incident, VENDOR shall, at its sole cost and expense, restore the Confidential Information, to as close its original state as practical, including, without limitation any and all Data, and institute appropriate measures to prevent any recurrence of the problem as soon as is commercially practicable.
