

Q1. 3.0 Scope of Project, Page 18, Staffing – Can the stated direct care ratio of 2:4-5 also be considered at 1:2 or 1:1? (example- single parent home settings)

R1. Yes.

Q2. 3.0 Scope of Project, Page 18, Staffing – Does the direct care ratio refer only to children served by the program, or does this also include other children living in the home? (examples- potential foster parent biological children and/or non-therapeutic siblings)

R2. Includes all children.

Q3. 3.0 Scope of Project, Page 17, Transportation – In extenuating circumstances, such as longer distances, will the referring county be able to partner with the provider to secure transportation aides?

R3. Transportation should be discussed at the individualized service plan meeting.
