3.0 REQUEST FOR PROPOSAL INSTRUCTIONS

- 3.1 Proposal Instruction and Information:** In order to receive consideration, companies responding to this RFP are required to submit their proposal via DocuSign at <https://www.kent.edu/procurement/bids> and the Certificate of Completion must be timestamped “Signed” no later than the date and time specified. Proposals timestamped after that date and time will be rejected.

All of section 5 and Forms 1 through 9, must be completed, dated, and signed by a responsible company official, in addition to the information requested of your company.

It is the responsibility of the respondent to ensure that all required documentation, as enumerated above, is submitted on time. Any submissions received after the stated date and time, or those that do not contain the required information as enumerated above, will be considered incomplete and unresponsive, and will be disqualified.

Instructions, manufacturer’s model or catalog numbers, etc., where shown herein, are for descriptive purposes to guide the proposer in interpretation of the quality, design, and performance desired, and shall not be construed to exclude proposals based on furnishing other types of material or service which may be judged as an acceptable alternate. If the description of your offer differs in any way, you must give a complete detailed description of your quotation including pictures and literature where applicable. Unless specific exception is made, assumption will be that you are submitting a proposal exactly as the specifications of this document require. All prices **MUST BE FIRM**. Proposers will be expected to deliver on order(s) at the price quoted.

This RFP is part of a competitive procurement process which helps to serve the University’s best interests. It also provides contractors with a formal and unrestrictive opportunity for their services to be considered. The process of competitive negotiation being used in this case should not be confused with the process of competitive sealed bidding. The latter process is usually used where the goods and services being procured can be precisely described and price is generally the determinative factor. With an RFP and competitive negotiation, however, price is not required to be the determinative factor, although it may be, and the University has the flexibility to negotiate with one or more contractors to arrive at a mutually agreeable relationship. Check your proposal carefully for it may not be corrected after the proposal has been opened.

- 3.2 RFP Question and Answer Period:** Questions concerning this RFP must be submitted by email to **Janet Schramm in the Procurement Department via email at jschramm@kent.edu no later than January 28, 2022**. The University evaluation team will review and attempt to answer any and all questions received. All questions and their corresponding answers will be posted to the Kent State University Procurement Website <https://www.kent.edu/procurement/bids> .
- 3.3 New Product Lines:** Upon written request by the successful proposer, new related product lines not available at the time of proposal bidding, may be added during the course of any agreement resulting from this RFP at like discounts for the represented manufacturers.
- 3.4 Specifications:** Specifications have been based on products familiar to the University and are used for the purpose of description and establishing quality desired. Acceptable alternates will also be considered.
- 3.5 Exceptions to Specifications:** The proposer shall clearly state in the quote any exceptions to, or deviations from, these specifications, terms or conditions; otherwise, the proposer will be responsible for compliance with all requirements listed herein. Proposers shall provide a separate, itemized list of any and all exceptions. Such list must be cross referenced to the corresponding numbered item in this bid.
- 3.6 Additional Information:** In the event that information submitted by the Respondent is unclear to the University, the University may request additional explanation from the Respondent for the purpose of evaluation and decisions. The respondent shall answer requests for additional information or clarification in writing, and these responses will become part of the company’s overall submission. Respondents failing to provide adequate information on any issue in a timely manner to allow a comprehensive evaluation by the University shall be considered unresponsive, and their proposal subject to rejection.

3.7 Verbal Information: Respondents shall NOT base the proposal on verbal information from any employee of the University from the date and time the RFP is received by the proposer, unless otherwise noted elsewhere in the RFP. Any such incident will invalidate the proposal, and bar that particular vendor from receiving a purchase or contract award. In case errors or omissions are found in the proposal document, companies submitting proposals shall at once inform the signee in the Procurement Department who will publish the correction to all companies.

3.8 Evaluation and Contract Award: Selection and award of contract will be made to the supplier(s) whose proposal, in the sole opinion of Kent State University, represents the best overall value to the University. Factors which determine the award are more fully detailed in the specifications, and will include, but will not be limited to, the following: The proposer's responsiveness to all specifications in the RFP, quality of the proposer's products and/or services, ability to fulfill the contract, and general responsibility as evidence of past performance. Payment terms and cash discounts will be considered as determining factors in the contract award.

Should the total potential spend of the contract resulting from this RFP, inclusive of all possible renewals, exceed or appear to exceed \$1.0 million, the final selection will be pending Board of Trustees approval at its next scheduled meeting; and appropriate contract review, approval and execution pursuant to University Policy.

Notwithstanding the above, this RFP does not commit the University to enter into any contracts as described in this document. The University reserves the right to reject any or all offers and to waive formalities and minor irregularities in the proposals it receives.

3.9 Proposer Presentations: Proposers submitting proposals which meet the selection criteria, and which are deemed to be the most advantageous to the University may be required to give an oral presentation to the University selection team. Scheduling of these oral presentations will be done by the Procurement Department.

3.10 Samples: Requested samples necessary for evaluation must be provided without cost or obligation to Kent State University and shall become the property of the University. Upon request by the supplier, unless destruction, alteration or retention of the sample is required for evaluation purposes, samples may be returned to supplier at supplier's expense.

3.11 Rights Reserved:

The University reserves, and in its sole discretion may, but shall not be required to, exercise the following rights and options with respect to the proposal submission, evaluation and selection process under this RFP:

- To reject any proposal if, in the University's sole discretion, the proposal is incomplete or is not responsive to the requirements of this RFP, the Respondent does not meet the Qualifications set forth in the RFP, or it is otherwise in the University's best interest to do so;

- To request that some or all of the respondents modify proposals based upon the University’s review and evaluation;

- To inspect and otherwise investigate projects performed by the respondent, whether or not referenced in the proposal, with or without the consent of or notice to the respondent;
- To conduct such investigations with respect to the financial, technical, and other qualifications of respondents as the University, in its sole discretion, deems necessary or appropriate.
- To enter into post-submission negotiations and discussions with any one or more respondents regarding price, scope of services, and/or any other term of their proposals, and such other contractual terms as the IUC-PG may require, at any time prior to execution of a final contract. The University may, at its sole election, enter into simultaneous, competitive negotiations with multiple respondents or negotiate with individual respondents seriatim. In the event negotiations with any respondent(s) are not satisfactory to the University, the University reserves the right to discontinue such negotiations at any time; to enter into or continue negotiations with other respondents; and, to solicit new proposals from entities that did not respond to this RFP.

3.12 Valid Proposals: Proposals will be considered valid for a period of one hundred-eighty (180) days after the scheduled due date, unless otherwise noted.

3.13 Preferred Invoicing and Payment Methods: The successful proposer must invoice products or services awarded exactly as indicated on a resultant University purchase order, to include cost, unit specified, quantity ordered, item descriptions, etc.

The University prefers to receive invoices for goods and services via electronic means. It is the goal of the University to make payment on invoices via Automated Clearing House (ACH) transfer. To that end, please indicate your company’s capabilities for electronic invoicing and payment where appropriate in Section 8 of this document.

3.14 Dun and Bradstreet Data: Kent State University reserves the right to request data from Dun and Bradstreet concerning history of company’s financial and payment statistics. Proposals from companies failing to provide the requested data to Dun and Bradstreet will not be considered.

Kent State University is committed to a proactive and a comprehensive supplier diversity program that ensures an active and full participation of historically disadvantaged, economically and socially underutilized businesses located within the University’s geographic region and beyond with specific attention to include Minority Business Enterprises (MBE), Women-Owned Business Enterprises (WOBE), and State of Ohio EDGE Enterprises. Information about Kent State University’s Supplier Diversity Program including the Vendor Registration Process can be found on the Procurement Department Web site at www.kent.edu/procurement/diversity

Further, Kent State University encourages the participation of women, minority groups, and EDGE vendors in all University contracts. Kent State University therefore requires that all prospective suppliers demonstrate good faith efforts to obtain the participation of minority-owned, women-owned, and EDGE business enterprises in the work to be performed under contract(s) resulting from this RFP. The respondent is required to furnish appropriate information about its effort to include women-owned, minority, and EDGE vendors in the contract, including the identities of such enterprises and the dollar amount supplied under the contract.

A listing of Ohio certified minority businesses, as well as the services and commodities they provide, is available from the State of Ohio Minority Business Enterprise Unit and can be reviewed at <http://eodreporting.oit.ohio.gov/searchEODReporting.aspx>

- 3.16 Preference to United States and Ohio Products:** State of Ohio Am. H.B. 271 requires that preference be given to products produced or mined in the United States and in Ohio
- 3.17 Buy America:** Proposals will be evaluated to determine that a proposer's offering is for a "domestic source end product", as defined in the Federal Buy America Act, 41 U.S.C.A., section 10a-10d. Any proposer's offering that does not meet this requirement shall be rejected, except in those circumstances where a determination has been made that certain articles, materials and supplies are not mined, produced or manufactured in the U.S. in sufficient and reasonably available commercial quantities and of satisfactory quality.
- 3.18 Buy Ohio:** Sections 125.09 and 125.11 of the Ohio Revised Code require that in the evaluation of bids, the University give preference to products which are "mined, excavated, produced, manufactured, raised, or grown in the state by a person where the input of Ohio products, labor, skill, or other services constitutes no less than 25% of the manufactured cost", or products offered by bidders who have a "significant Ohio presence", defined to mean that the bidders: (1) pay required taxes to the state of Ohio; (2) are registered and licensed to do business in the state of Ohio with the Office of Secretary of State; and (3) have ten or more employees based in Ohio, or seventy-five percent or more of their employees based in Ohio.
- Any bids meeting the above criteria will be given a preference of up to five (5) percent over the lowest price "non-Ohio" bid submitted; except that such preference will not be applied against vendors from bordering states, provided that the border state imposes no greater restrictions than contained in sections 125.09 and 125.11 of the Ohio Revised Code. Where it has been determined that selection of the lowest Ohio proposer, if any, will not result in an excessive price or a disproportionately inferior product or service, the contract shall be awarded to the low Ohio proposer at the proposal price quoted. Where it is advantageous to award the contract to other than an Ohio proposer or Proposers from a border state, then the contract shall be awarded accordingly.
- 3.19 H.B. 476, State Contract and Boycotting:** Pursuant to R.C. 9.76(B), by responding to this RFP, respondent warrants that it is not boycotting any jurisdiction with whom the State of Ohio can enjoy open trade, including Israel, and will not do so during the term of any contract that may result from this RFP.
