INSTRUCTIONS TO PROPOSERS

1.1 Introduction

The Office of the Jefferson County Property Valuation Administrator (PVA) is now accepting Proposals for Document Scanning Services.

The process of accepting Proposals and choosing the successful proposer shall be by sealed Requests for Proposals ("RFP's") using the competitive negotiation process under KRS 45A.370. The Office of the Jefferson County Property Valuation Administrator, if it chooses to award a contract based on this Proposal, shall do so on the basis of the Proposal which is most advantageous to it based upon the Evaluation Criteria set forth herein. (KRS 45A.370(5)).

The PVA finds that a purchase through competitive negotiation is necessary because specifications cannot be made sufficiently specific to permit an award on the basis of either the lowest bid price or the lowest evaluated bid price.

The PVA shall conduct written or oral discussions with all responsible proposers who submit Proposals determined in writing to be reasonably susceptible of being selected for award, except as otherwise provided by law. Where the PVA can clearly demonstrate and document from the existence of adequate competition or accurate prior cost experience with the particular supply, service or construction item, the PVA may make an award on the basis of the original submitted Proposals.

1.2 Considerations Prior to Submitting a Proposal

1.2.1 Revenue Commission

If you are a Metro Government vendor or you are doing business in Metro Louisville, you should already be registered with the Revenue Commission and have all of your required taxes paid. If you become the successful Proposer, you must be properly registered with the Revenue Commission and have all of your required taxes paid prior to the award of a contract.

You must provide your Revenue Commission Number on the Proposer Information and Proposal Signature Document, unless you do not yet have one. Contact the Louisville Metro Revenue Commission at (502) 574-4860 for information related to obtaining an account number or verifying current compliance.

1.2.2 Human Relations Commission

There are two affirmative action requirements which apply to Metro Government Contracts: a) Affirmative Action in Employment and b) Affirmative Action in the subcontracting of Minority, Female and Handicapped-owned businesses.

1.2.2.1 Affirmative Action in Employment

1.2.2.1.1 The Louisville Metro Human Relations Commission ("HRC") is required determine whether contractors' employment policies assure employment opportunities are available to all citizens without regard to race, color, religion, national origin, marital status, handicap, sex, sexual orientation or gender identity, or age.

- 1.2.2.1.2 To make this determination, the HRC will make an inquiry of the successful Proposer pursuant to Louisville Metro Ordinances Section 37.27.
- 1.2.2.1.3 If you are contacted by Purchasing Division staff notifying of award, and you have not already been "HRC Prequalified", you will need to contact the HRC at 502-574-3631 for information and assistance on procedures to follow in becoming approved and qualified.
- 1.2.2.1.4 Proposer acknowledges that the resulting Agreement from this RFP is subject to Louisville/Jefferson County Metro Government Ordinances §37.25-§37.36 and failure to comply with the terms of those Ordinances will be cause for suspension, termination or cancellation of a contract executed hereunder, or rejection of Proposer's Proposal.

1.2.2.2 Affirmative Action in Subcontracting

- 1.2.2.2.1 Generally, either a Proposer will use subcontractors or it will do all the work itself.
- 1.2.2.2.2 If **Not** Using Subcontractors, you must complete and sign Form GFE-1, which is included with this Proposal in the HRC's "Good Faith Efforts Requirements" document, to indicate work will be self-performed.

Failure to include a completed Form GFE-1 with your proposal will cause the proposal to be rejected and deemed nonresponsive.

- 1.2.2.2.3 If Using Subcontractors, you must follow the instructions and complete the forms in the "Good Faith Efforts Requirements" document included with this Proposal. This includes but is not limited to making the required good faith effort, as that term is defined in the document.

1.3 Preferences

1.3.1 Minimum Wage Preference

- 1.3.1.1 Per Louisville Metro Ordinance Chapter §37.56, preferences shall be given to businesses, which provide their employees a minimum wage equal to or exceeding the minimum wage set forth in §37.55 ("minimum wage business") which is currently \$10.10/hour. This minimum wage rate is the rate set by Louisville Metro Council for all full-time Louisville Metro employees.
- 1.3.1.2 If a business provides its employees at least \$10.10/hour, regardless of location or position, the offer price in the Proposal shall be reduced by 5% for the purpose of determining which offer is most advantageous to Metro Government.
- 1.3.1.3 If this Proposal is for services, and the business intends to use subcontractors to perform all or part of the work required under the contract, the business shall not subcontract more than 20% of the work to non-minimum wage businesses unless such services are not available from minimum wage businesses.
- 1.3.1.4 If a business receives the Minimum Wage Preference and is awarded a contract under this Proposal, then it must post a sign of the \$10.10 minimum wage rate in a conspicuous place and manner so as to inform employees and the public of your minimum wage policy.
- 1.3.1.5 If you certify your business as a minimum wage business, are subsequently awarded a contract, and the Metro Government discovers you do not pay your employees at least \$10.10 per hour, your business will be liable to the Metro Government for 30% of the amount of the contract awarded.

- 1.3.1.6 You must complete the Minimum Wage Preference Certification on the Proposer Information and Signature Page included in this Proposal.

1.3.2 Local Vendor Preference

The Metro Government gives Proposals submitted by local vendors a preference.

- 1.3.2.1 To qualify as a local vendor, a company must:
 - 1.3.2.1.1 Be established in the Louisville Metropolitan Statistical Area ("MSA"), as defined by the United States Census Bureau for twelve (12) consecutive months.
 - 1.3.2.1.2 Possess a current Louisville Revenue Commission account number.
 - 1.3.2.1.3 Have its headquarters located in the Louisville MSA or have a branch office currently located in the Louisville MSA for at least twelve (12) consecutive months prior to the broadcast date of this Request for Proposal.
 - 1.3.2.1.4 Determine whether the City or County within the Louisville MSA in which your business is located has the required reciprocal ordinance which recognizes business located within the Louisville MSA as local businesses for the purpose of a procurement preference. If that City or County does have such an ordinance, you must include a copy of that document in your response to this RFP.
 - 1.3.2.1.5 Utilize local businesses to furnish at least 75% of the services under a contract awarded hereunder unless such services are not available locally.
- 1.3.2.2 If the Metro Government determines your business is a local business, based on the standards described here, then your business shall receive a 5% reduction of the total amount you propose or 5 points added to your evaluated Proposal total, depending on the type of proposal evaluation process the Metro Government has decided to use.
- 1.3.2.3 If the Metro Government concludes your business is a local business for the purposes of this Proposal, and that determination is based on false information, the Proposer shall be subject to a fine equal to 25% of the price quoted in this Proposal.
- 1.3.2.4 Any petition challenging the designation or award of local vendor preference shall follow the procedures set forth in LMCO §37.03.

1.3.3 Kentucky Statutory Preferences

SECTION 2

SPECIFICATIONS

1. INTRODUCTION

The Office of the Jefferson County Property Valuation Administrator (hereinafter "PVA") is requesting proposals to establish a contract for document scanning services with a qualified vendor.

Proposals shall be reviewed and rated on the basis of qualifications, specific experience, references, familiarity with the services and pricing. The PVA will then determine which proposal best meets the PVA's requirements listed in Scope of Services.

The PVA reserves the right to reject any or all proposals, to waive any informality in any proposal and to select the proposal that best meets the PVA's needs.

2. BACKGROUND

Our office is located in the Glassworks Building in Downtown Louisville at 815 W. Market St. We are an unclassified office of state government, meaning that we are not merit system employees. We currently have approximately sixty employees working in the following departments: Residential Valuation, Commercial Valuation, Motor Vehicles and Personal Property, Mapping and Ownership, Products and Services, Information Services, and Administration. We are responsible for assessing over 300,000 real estate parcels and processing 22,000 tangible tax returns in the county.

Our Mission: *To provide fair and equitable assessments with best-in-class customer service.*

The PVA has been working towards digitizing its records. We have now come to the realization that the annual quantity of the tangible tax returns exceeds our in-house abilities to scan them in a timely manner.

The selected vendor will scan all tangible tax returns and deliver the data to the PVA in a form that can be stored in PVA databases to be used in our applications.

3. SCOPE OF WORK

The PVA is seeking a qualified vendor to provide scanning services for approximately 50 banker boxes of tangible tax return documents (example attached). The returns are typically received in the PVA office beginning in mid-March continuing through the May 16, 2022 deadline and a week or so after. In addition to the paper documents, there will be emailed digital documents. These will be forwarded to the Proposer by electronic mail for OCR and indexing only and added to the image database.

Standard returns are 8 ½" x 11". However, there may be documents that are of different sizes and/or double-sided. Proposers may assume that most paper records are in good condition. The PVA will open the mail and place the returns in file boxes for delivery to the vendor.

The following criteria must be met:

- **Standards**

- Any and all PVA documents in the possession of the Proposer must be stored in a climate controlled safe and secure location.
- The PVA must have access to all documents outsourced for scanning upon request, with a hard copy or electronic file provided within 24 hours
- Resolution – 300 dpi + Color
- Individual Multi Page – .PDF files. One file for each tangible return.
- Duplex scan documents to capture both front and back of document where needed
- Images must be oriented correctly for viewing
- Image Clean-up: the scanned document should be de-skewed and de-speckled, blank pages and black borders removed and background suppression where the image will be enhanced by such processes
- QA of every images for clarity, quality, cut- offs or compression errors
- Documents indexed with up to 20 fields. Indexing sources may include scan sheets, file folders, and/or image verification
- Indexing and image OCR data in .CSV or .XLSX format (documentation and sample available upon request)
- All scan dimensions must be the same size as the original document
- Images are to be provided daily on an SFTP site and at the end of the project on an archival quality external hard disk drive.
- OCR all content with guarantee of 99.5% accuracy on images

- **Quality Control**

The PVA's expectation is for a high level of quality control for images and indexing. Contractor's quality control measures shall meet the following criteria for all images:

- Images are of the same or better quality than the original
- All documents are to be scanned in the same order they exist in paper form
- All images are accurately labeled and indexed
- The PVA shall perform a QA of images and associated indexing. If the PVA discovers unacceptable images, the Contractor, at no additional cost to the PVA, will correct all such unacceptable images.

- **Pickup/Return of Documents**
 - Contractor must provide a “pickup slip” or other document as proof of pick-up, to be signed by the Contractor staff and PVA staff.
 - Contractor must pick-up original documents according to an established schedule.
 - Contractor will retain documents for six months after scanning in the boxes in the order they were received. The Contractor will then destroy the documents and provide PVA with Certificate of Destruction.

- **Scanning Process**
 - Contractor is to provide a test run prior to commencing project. Test sample size is to be determined. Project will not continue until PVA has signed off on quality and job performance of test.
 - Contractor is to enhance any “low quality” images that are determined, by the contractor, to have enough quality to produce a readable digital image
 - Contractor to add an image stating “Poor Quality Original” to any image that contains unreadable text or graphics. Stamp is only to be used after 2 scan attempts to improve quality and is not to be used as a substitute for thorough and accurate scanning. If this is necessary, the contractor must relay this to the PVA.

- **Delivery of Images**
 - Delivered images will be individual PDF documents including any indexing, metadata, and OCR text. The documents should require no post processing by the PVA other than the importing of data.
 - Transfer images to an SFTP site daily and deliver them on an archival quality external hard disk drive at the end of the project.
 - Deliver images in agreed upon format and within agreed upon timelines -
Provide report of documents scanned

Note: The number of documents eligible for scanning on a yearly basis is an estimate. No guarantees are offered as to the volume of images to be captured. The PVA will not be held responsible for any or all variations in the estimated volumes.

4. PROPOSAL EVALUATION

The proposals will be evaluated based on the following criteria:

- Qualifications and experience
- Methodology should include the steps taken by the contractor to ensure all documents are tracked, scanned, indexed and quality checked to PVA standards and should include demonstrated understanding of the services requested
- Cost

EVALUATION CRITERIA

3.1 Evaluation Process

After receipt of proposals the Office of the Jefferson County Property Valuation Administrator shall evaluate all responses based on the criteria below. During that evaluation, the Office of the Jefferson County Property Valuation Administrator shall rank all responses, again based on the criteria described below. Once the RFP Responses are ranked, the Office of the Jefferson County Property Valuation Administrator shall determine in writing which responses are reasonably susceptible of being awarded the work. The Office of the Jefferson County Property Valuation Administrator shall thereafter conduct negotiations with each of those “reasonably susceptible” Proposers, unless the Office of the Jefferson County Property Valuation Administrator concludes that an award may be made without negotiations, as allowed by KRS 45A.370 (3).

The Office of the Jefferson County Property Valuation Administrator will conduct a multi-stage process for selecting proposals that are determined to be reasonably susceptible to award.

Pre-Stage

There are two affirmative action requirements which apply to Metro Government contracts: a) Affirmative Action in Employment and b) Affirmative Action in the subcontracting of Minority, Female and Handicapped-owned businesses. The Louisville Human Relations Commission (HRC) is responsible for compliance of these requirements. Failure to submit the HRC “Good Faith Effort” requirements identified in this RFP document will cause the proposal to be deemed non-responsive.

Stage 1

The RFP evaluation committee shall score all proposals based upon the evaluation criteria detailed herein as well as any preferences authorized in Louisville Metro County Ordinance identified in this RFP. Upon completion of the scoring, the committee shall recommend short-listing the proposals that are reasonably susceptible of being awarded.

Stage 2

Vendors whose proposals have been identified as reasonably susceptible to award may be invited to discuss their proposal with the RFP evaluation committee. The date, time and location of the meetings will be negotiated.

The committee may carry out contract negotiations for the purpose of obtaining best and final offers, terms, and conduct detailed reference checks on the short listed vendors. The Office of the Jefferson County Property Valuation Administrator reserves the right to contact respondents with requests for clarification.

Award

There exists the possibility that an award may be made on the basis of initial offers if it can be clearly demonstrated and documented from the existence of adequate competition or accurate prior cost experience that acceptance of an initial offer without discussion (Stage 2) would result in fair and reasonable prices (KRS 45A.370(3)(c)).

Award will be made to the responsible offeror whose proposal is determined in writing to be the most advantageous to Office of the Jefferson County Property Valuation Administrator based upon the evaluation factors set forth in this RFP.

3.2 Evaluation Criteria

The Proposals received pursuant to this **Request for Proposals** will be evaluated on the following selection criteria:

Fee Schedule	25 pts
Qualifications & Experience	15 pts
