

INSTRUCTIONS TO BIDDERS

I. General

1.1 Examination and Procurement of Documents

- A. Documents may be examined at the following locations Friday, January 21, 2022:

Washtenaw Community College
Office of Facilities Management
Damon Flowers Building
4800 East Huron River Dr.
Ann Arbor, MI 48105

- B. Electronic documents will be available at the following website:
<https://www.wccnet.edu/about/purchasing/bids-rfp.php> additional documents may be issued by the Owner and will be posted on the website. Vendor is responsible for ensuring they have the most accurate documents.

II. Execution

2.1 Examination of Documents and Site

- A. Bidders shall carefully examine the Contract Documents and the construction site to obtain first-hand knowledge of existing conditions.
B. Successful bidder will be denied any application for extra payments for conditions which can be determined by visually examining the site and the Contract Documents.

2.2 Pre-bid Meeting / Site Visit

- A. A site visit is required and bids will not be accepted from bidders who have not inspected the site to obtain first-hand knowledge of existing conditions.
B. A pre-bid meeting will be conducted at the start of the scheduled site visit.
C. Each bidder shall inspect the site and become familiar with existing conditions and limitations of the site, means of access to the site and to work areas, relationship of existing and new work, and other conditions which might affect the proper performance and completion of the work.
D. No allowance will be made after bid opening for cost estimation errors attributable to any failure to account for existing conditions and/or consider of any and all limitations on or of this scope of work.
E. Successful bidder will be denied any application for extra payments for conditions which can be determined by visually examining the site.
F. Bidder's representative shall report to the Owner's Representative and register his name, phone number, and name of the company, signing in as verification of his site visit.
G. The scheduled site visit is as follows:

Date: January 31, 2022
Time: 9:00 a.m. EST
Location: Outside Damon Flowers Building, NW Entrance
Washtenaw Community College, Ann Arbor, MI

Bid Due Date: February 11, 2022 at 2:30 p.m. EST

2.3 Questions, Interpretations, and Addenda

- A.** Should any bidder find discrepancies between the site markings and the Project Manual, or be in doubt as to their exact meaning, he should notify the Owner at once. The Owner may then, at his option, issue Addenda clarifying the same to all bidders.
- B.** The Owner will not be responsible for oral instructions or for the Contractor's misinterpretations of the Contract Documents.
- C.** Questions must be directed to Don Harrison, Purchasing Agent at dharriso1@wccnet.edu. All communication should be directed to the Purchasing Department. Vendor should NOT contact any department directly with questions. All questions must be submitted by **February 4, 2022 at 2:00 p.m. EST**. All emails must reference the bid number and title. All questions received by the deadline date will be answered and posted to the WCC Budget & Purchasing website <https://www.wccnet.edu/about/purchasing/bids-rfp.php> by **February 8, 2022 at 2:00 p.m. EST**.

2.4 Bid Security, Bonds, and Insurance

- A.** A Bid Bond is required in the amount of five percent (5%) of the total bid, minimum, and shall be enclosed with the Bid Proposal, *for all base bids categories in excess of \$50,000.00*.
- B.** Performance Bond and Payment Bond requirements are described in the General and/or Supplementary Conditions and are one hundred percent (100%) of the total bid, minimum, *for all bids in excess of \$50,000.00*.
- C.** Insurance requirements are described in the General and Supplementary Conditions.

2.5 Modification and Withdrawal

- A.** Proposals may be withdrawn and/or changed any time prior to the bid opening.
- B.** Proposals may not be withdrawn or changed after the bid opening time and shall be deemed a firm offer continuing for a minimum of ninety (90) calendar days.
- C.** Bids received after the time and date of the bid opening will not be considered for Contract award.

2.6 Receipt of Bids

- A.** All bids must be received by the WCC Purchasing Department via email pur@wccnet.edu on or before the date and time as specified. Late bids will not be considered. Telephone bids will not be accepted. If you have any questions concerning this bid, please do not hesitate to contact the WCC Purchasing Department. It is the responsibility of the Contractor to ensure that bids are received at the location stated below on or before the due date and time. The college normal office hours are 8:00 AM to 4:30 PM EST. The Contractor assumes all responsibility for delivery to the location given above regardless of the method of shipment and delivery used and the time received to the specified location on campus.
- B.** Bids will be received by the Purchasing Department of Washtenaw Community College until **2:00 p.m. EST, February 11, 2022**. The public opening for Bid 6427 Service Drive Replacement will be held electronically via the link below:

Bid Due Date: February 11, 2022 at 2:30 p.m. EST

**Public Opening – Bid 6427 Service Drive Replacement
February 11, 2022 at 2:30 p.m. EST**

Join Zoom Meeting

<https://zoom.us/j/94836995942?pwd=OG5zVnlmaXBsakxDaUszdnRoTTFMdz09>

Meeting ID: 948 3699 5942

Passcode: 3UAet2

- C. Contractor shall complete, sign, and submit the Bid Proposal Form and Washtenaw Community College Contractor Responsibility Form as a condition of Contract award.

2.7 Codes, Ordinances, Regulations, Etc.

- A. All labor and materials shall be furnished and installed in strict accordance with the latest to-bid-date applicable codes, ordinances, and regulations of any and all governing bodies that have jurisdiction over this project.
- B. If the quality of the labor and materials required by the Drawings and Project Manual exceeds the requirements of the applicable codes, ordinances, and regulations, the Drawings and Project Manual shall take precedence.
- C. If the quality of the labor and materials required by the applicable codes, ordinances, and regulations exceed the requirements of the Drawings and Project Manual, then the applicable codes, ordinances, regulations, etc. shall take precedence.

2.8 Subcontractors and Material Suppliers

- A. The successful bidder shall submit to the Owner within 24 hours after Notice of Award, a complete and final list of all sub-contractors, all material suppliers, and all superintendents (general construction and principal sub-contractors) he proposes to engage on the work. Subcontracts and material contracts shall not be awarded unless and until they have been approved by the Owner. Superintendents (primary contractors and principal sub-contractors) shall not be changed during the construction on this project without the Owner's prior approval in writing.
- B. Names of proposed principal sub-contractors must be listed on the Bid Proposal Form.

2.9 Award of Contract

- A. Material proposals to be used for the completion of work, the competency, solvency, reputation, and responsibility of the bidders, start/completion/duration times, and other issues deemed relevant by the Owner and the Engineer will be considered. All responsible bidders will receive due consideration before the awarding of this contract.
- B. In the reception of proposals for the Work, the Owner incurs no obligation to accept the lowest priced proposal.
- C. The right to accept or reject any and all bids is reserved by the Owner.
- D. The Owner reserves the right to require testimony or legal documents pertaining to the qualifications of a Contractor.
- E. If applicable, the Owner may award to multiple vendors if it is the best interest of the College.
- F. The Owner reserves the right to consider apprenticeship status as defined by question #12 of the Contractor Responsibility Form as a criterion for award.
- G.

Bid Due Date: February 11, 2022 at 2:30 p.m. EST

III. Requirements

3.1 Proof of Insurance - shall be maintained and a copy shall be provided to the College. No changes are permitted in the insurance coverage unless agreed to in writing by the College. Insurance shall be maintained for the following coverages in the amounts stated below.

1. Commercial general liability insurance (occurrence form) with respect to the premises, including contractual and products/completed operations coverages. The limits of liability are not to be less than \$1,000,000 combined single limit of bodily injury and property damage per occurrence and \$2,000,000 combined single limit of bodily injury and property damage annual aggregate.
2. Automobile liability insurance with limits not less than \$1,000,000 combined single limit of bodily injury and property damage per accident. Statutory workers' compensation employer's liability.
3. Umbrella or excess liability with limits not less than \$2,000,000 per occurrence and aggregate.
4. Professional liability insurance. Specify amounts carried.

3.2 Contract Terms and Conditions – The awarded Contractor will be required to sign a standard contract for the work to be performed per this bid. Sample contract is attached. (Attachment A – Sample Large Project Construction Contract).

IV. Bid Scope

4.1 The work shall adhere to all specifications as outlined in the Contract Documents and Bid Drawings. **This project is scheduled to begin May 16, 2022 with a date of final completion on or before July 1, 2022.**

4.2 General Requirements

- A.** Contractor shall be aware of the milestone schedule durations for this project.
- B.** The contractor shall provide a schedule/workplan on obtaining the necessary permits, materials, and procurement of long-lead items, to begin work and complete the work as scheduled for review by the Construction Manager at the Post-Bid Conference.
- C.** Provide barricades, including shoring and fencing required to maintain required safety regulations as defined by OSHA.
- D.** Coordinate and adhere to all state and local building codes relative to this contractor's work.
- E.** This contractor is to obtain and pay for all special permits associated with this category.
- F.** This contractor **MUST** comply with MI-OSHA requirements for this work. This will be closely monitored.
- G.** Smoking is prohibited on the Washtenaw Community College campus.
- H.** On an on-going basis all identifiable trash or debris is to be cleaned up by the trade contractor who created it on a daily basis. This includes mud or other debris on College drives and public streets created as a result of moving trucks or other equipment into and out of the site.

4.3 Scope of Work

The work of this bid category includes but is not limited to providing all labor, equipment, materials, scaffolding, hoisting and incidentals to complete the service drive replacement work in accordance with the specifications, drawings and applicable codes. All work is to be performed as shown on the plans and specified herein.

THE SCOPE OF WORK IS TO INCLUDE, but is not limited to, the following items:

- A. Complete the scope of work as detailed in Washtenaw Engineering design documents provided with this package. This includes all preparations, removals, excavation, concrete, underground piping, grading, subbase preparation and pavement as detailed.
- B. All concrete spoils and debris to be removed off campus daily. No stock piling of materials on campus allowed. Contractor to include daily cleanup of areas including sweeping. No access through campus for construction traffic will be allowed.
- C. Contractor is responsible to protect all work areas. Contractor to provide all barricades, shoring and fencing as required to maintain required safety regulations
- D. Contractor to review site access and travel paths with WCC project management prior to starting construction.
- E. WCC will assume costs for performing quality testing on the concrete and subbase if required. Contractor to provide 48-hour notice to WCC before any testing requests.
- F. Contractor will assume the responsibility of the site restoration around the concrete including restoration of sod, beds, or existing pavement. This includes placement of top soil and reseeding.
- G. All identifiable trash or debris is to be cleaned up by the contractor on a daily basis. This includes mud or other debris on College drives and public streets created as a result of moving trucks or other equipment into and out of the site.
- H. Coordinate and adhere to all State and local building codes relative to this Contractor's work. This Contractor is to obtain and pay for all special permits associated with this category.
- I. Contractor shall submit and include costs for all permits required including County, and Township permits. This includes soil erosion permits.
- J. Contractor shall verify all quantities provided by engineer for accuracy.
- K. The scope of work to be completed in entirety 5/16/22 – 7/1/22.

V. **Bid Specifications**

Vendor shall comply with all bid documents and Addenda issued prior to bid opening.

List of attachments:

- Attachment A – Sample Large Projects Construction Contract
- Attachment B – General Conditions
- Attachment C – Drawings
- Attachment D – Special Provisions

Bid Due Date: February 11, 2022 at 2:30 p.m. EST

Washtenaw Community College Contractor Responsibility Form

Firm: _____

(Insert name, address and telephone number of firm submitting certification)

Project Name: Service Drive Replacement

Type of Work/Project: Large construction project

Bid/RFQ/RFP Number: Bid 6427

As a condition of performing work on a contract for Washtenaw Community College, a contractor submitting a bid shall complete this form with the responsible contractor qualification standards set forth below. Bids will not be accepted unless they are accompanied by a completed copy of this form. The form is required for all bona fide solicited contracts greater than or equal to \$20,000. Washtenaw Community College will use this form and the items noted below in consideration of awarding the bid for the project identified above.

This form must be completed by an employee or other person representing the submitting firm who has the authority to execute this form and has adequate knowledge to address all matters specified herein. The person completing this form shall answer each question and execute the signature requirement at the end of this form in the presence of a notary. If this form has already been completed and submitted by a responding contractor for a previous bid or contract, it shall be valid for a period of no longer than two years from the date of receipt.

Contractor Qualification Standards

(1) Does the firm meet the bonding requirements for the contract, as required by applicable law or contract specifications and any insurance requirements, as required by applicable law or contract specifications, including general liability insurance, workers compensation insurance and unemployment insurance?

YES _____ NO _____

(2) Has the firm been debarred or suspended by any federal, state or local government agency or authority in the past three years?

YES _____ NO _____

(3) Has the firm defaulted on any contract in the past three years?

YES _____ NO _____

(4) Has the firm had any type of business, contracting or trade license, registration, or other certification revoked or suspended in the past three years?

YES _____ NO _____

Bid Due Date: February 11, 2022 at 2:30 p.m. EST

(5) Have the firm or its owners been convicted of any crime relating to the contracting business in the past ten years?

YES _____ NO _____

(6) Has the firm within the past three years been found in violation of any law applicable to its contracting business, including, but not limited to, licensing laws, tax laws, prompt payment laws, wage and hour laws, prevailing wage laws, environmental laws or others, where the result of such violation was the payment of a fine, back pay damages or any other type of penalty in the amount of \$5,000 or more?

_____ YES _____ NO _____

(7) Is the firm currently a party to any pending litigation and/or arbitration?

YES _____ NO _____

If the answer to above is "YES", please describe: _____

(8) Does the firm pay all craft employees that it employs on the contract the current wage rates and fringe benefits as required under applicable federal, state or local wage laws?

_____ YES _____ NO _____

(9) Will all individual workers on the contract be "W-2 employees"?

YES _____ NO _____

(10) Have all craft labor, who will be employed by the firm for the contract, completed at least the OSHA 10 hour training course for safety established by the U.S. Department of Labor, Occupational Safety & Health Administration?

YES _____ NO _____

(11) Will the firm employ craft employees in all classifications and individual trades required to successfully perform the work related to this contract?

YES _____ NO _____

(12) Does the firm participate in a Class A Apprenticeship Program for each separate trade or classification in which it employs craft employees and will the firm continue to participate in such program or programs for the duration of the contract? For the purposes of this section, Washtenaw Community College defines "Class A Apprenticeship Program" as any apprenticeship program that is currently registered with and approved by the U.S. Department of Labor or appropriate state apprenticeship agency and has successfully graduated apprentices to journeyman status for at least three of the past five years.
