Event Information

Number: 22-145866 Addendum 2
Title: Bergin Substation Rebuild - Civil Work
Type: Construction Bid
Issue Date: 1/19/2022
Question Deadline: 2/14/2022 02:00 PM (MT)
Response Deadline: 2/24/2022 02:00 PM (MT)
Notes:

The City of Farmington Utility System (FEUS) is seeking bids for the civil work associated with the expansion and improvement to the Bergin Substation. The civil work expansion and improvements will include the following items:

- 1) Expand the existing substation yard approximately 25.0' to the west. Work includes topsoil removal, cut and fill earthwork and placement of erosion control material, for the west yard expansion only.

- 2) Construction of trapezoidal shaped, filter fabric and riprap lined drainage channels on the east and west sides of the existing substation yard. East channel extends from new diversion dike south to the outfall. West channel to extend from new HDPE pipe culvert southeast to existing drainage ditch.

- 3) Installation of approximately 133 linear feet of 24" HDPE pipe and two (2) Agri Drain stainless steel rat guard at each end.

- 4) Construction of approximately 441 linear feet of rectangular shaped open concrete drainage channel along the north side of the substation yard with a concrete headwall interfacing with the northeast end of the 24" HDPE pipe.

- 5) Installation of wire wrapped rip-rap slope stabilization materials along the north and east sides of the substation.

- 6) Construction of approximately 91.0 lineal feet of trapezoidal shaped concrete diversion dike structure and V-shaped swale along the east side of the substation.

- 7) Installation of (1)20.0' vehicle gate, (2)3.0' panic gates, and approximately (23) new fence posts 20.0' to the west of the existing west substation fence. No fence fabric, barbed wire, top & bottom rails or braces to be installed on new fence posts to the west of the existing substation at this time.

8) Installation of approximately 860.0 lineal feet of new security fence along the north & east sides of the substation and (2) 10.0' long isolation fence sections. Includes fence fabric, barbed wire, top & bottom rails, braces, etc. for a complete fence system. Also includes installation of (1) 14.0' vehicle gate and (1) 3.0' panic gate.

9) Excludes work to existing ground grid. Should the existing ground grid be exposed and/or damaged during construction contractor shall contact FEUS immediately.

10) Excludes any civil work within the existing substation fence.

Bid Activities

Pre Bid Conference

2/9/2022 10:30:00 AM (MT)

A Pre-Bid Conference will be at the Bergin Substation, 1675 W. Blanco Blvd., Bloomfield, NM 87413 on February 9, 2022 @10:30 a.m.

The purpose of this pre-bid conference is to answer any questions, as might arise, with respect to the requirements and execution of the bid. Questions resolved at this meeting will be included in an addendum. The recording will be kept in the bid file. The recording will be available with the electronic bid file.

Deadline for questions

2/14/2022 2:00:00 PM (MT)

Questions and/or clarifications concerning this solicitation will be accepted in writing through the deadline date/time. Responses to questions will be released via addendum. No Bidder/Offeror may rely upon oral responses made by any City employee or any representative of the City. Questions may be submitted to the buyer via email; however, in order to ensure questions are not missed, entering questions via this electronic bidding system is encouraged. The only approved contact must be with purchasing staff. Bidders/Offerors contacting any other City official, evaluation committee member, or City employee regarding this Bid/RFP may be disqualified. Bidders/Offerors have no claim against the City for failure to obtain information made available by the City which the Bidder/Offeror could have remedied through the exercise of due diligence.

Bid Opening

2/24/2022 2:00:00 PM (MT)

The bid opening will be held virtually via Google Meets. Click on the link below to attend.

7 Contractor's List of Subcontractors

As required in the Bid Documents, Tab I titled "Bidding Requirements," page BR-2, paragraph 8 titled "Subcontractors and Manufacturers." Bidder shall submit the following information pursuant to Section 13-4-31 through 13-4-43 NMSA 1978, with emphasis added for completion of this form.

The Category of Work, Subcontractor's Name, and City or County of Subcontractor for each Subcontractor must be completed.

In compliance with Public Works Section 13-4-36 C & D NMSA 1978, Substitution of Subcontractor.

C. No contractor whose bid is accepted shall permit any subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original bid without the consent of the using agency.

D. No contractor whose bid is accepted, other than in the performance of change orders causing changes or deviations from the original contract, shall sublet or subcontract any portion of the work in excess of the listing threshold as to which his original bid did not designate a subcontractor unless:

(1) the contractor fails to receive a bid from a category of work. Under such circumstances, the contractor may subcontract. The contractor shall designate on the listing form that **no bid was received** or;

(2) the contractor fails to receive more than one bid for a category of work. Under such circumstances, the contractor may subcontract. The contractor shall state on the listing form that **only one subcontractor's bid was received**, together with the name of the subcontractor. This designation shall not occur more than one time on the subcontractor list.

In compliance with Public Works Section 13-4-13.1 NMSA 1978, Public Works Contracts, Registration of Contractors and Subcontractors. Contractors submitting bid pricing more than \$60,000 shall be registered with the New Mexico Department of Workforce Solutions prior to submitting a bid to the City of Farmington. If a Contractor is not registered at the time of Bid opening, their Bid shall be considered non-responsive and will be rejected. Contractor's subcontractors shall also be registered. If a Contractor's Bid includes any subcontractor that is not registered, their Bid may be considered for award following substitution of a registered subcontractor for any unregistered subcontractor in accordance with Section 13-4-36 NMSA 1978. Bidders may find additional information on the registration requirements and forms at the following website: <http://www.dws.state.nm.us/dws-pubwage.html>

-
In compliance with Public Works Section 13-4-37 A NMSA 1978, it is the responsibility of each subcontractor submitting a bid to a contractor to be prepared to submit a faithful performance and payment bond if so requested by the contractor.

In compliance with Procurement Section 13-1-148.1 NMSA 1978, a subcontractor shall provide a performance and payment bond on a public works building project if the subcontractor's contract for work to be performed on a project is one hundred twenty-five thousand dollars (\$125,000) or more.

Contractor's Safety Certification

The Contractor named below hereby certifies and shall comply with all applicable Federal, State, County laws, rules, regulations, City ordinances, and best safety practice guidelines for the health and safety of contractor and sub-contractor employees when performing work for the City of Farmington. The City of Farmington Compliance Contractor Safety Verification Program shall require contractors and subcontractors to comply with the law, and use all safety precautions to protect their employees, and the public when engaged in construction projects. The personal safety and health of contractor's and subcontractor's employees is of primary importance. The prevention of occupationally induced injuries and illnesses is of such consequence that it shall be given precedence over operating productivity whenever necessary.

Regulatory Standards: All applicable federal, state and local safety, health and environmental regulatory requirements, including but not limited to: OSHA -29 CFR.

BASIS: It is the responsibility of the general contractor to ensure contractor, and sub-contractors working within the City of Farmington adhere to all applicable safety, health, and environmental standards while conducting business on the construction site or on City Property. When a general contractor arranges to have employees of another employer (sub-contractors) perform work that involves activities that may put personnel at risk, the general contractor will inform the sub-contractor that the workplace contains specific hazards and that the work to be done shall be allowed only if all workers have the proper training, necessary certification(s), proper equipment, and work conditions to complete the work safely.

GENERAL: The contractor will ensure that safe work practices are used by contractor and sub-contractor personnel to provide for the control of risks associated with hazards, by using established procedures for; lock-out-tag-out, confined space entry, welding, trenching, piping, PPE, fall protection, dust control, hearing protection, public safety, and general safety. At the request of the City's Safety Division, the contractor shall provide information regarding the contractor's past safety performance and current safety program.

Responsibility: The contractor shall be responsible for complying with the safety standards applicable to the work they are performing. The contractor agrees that he/she is responsible to enforce compliance with all safety regulations from everyone, including sub-contractors, who work on the contract as a condition of employment on the contract.

Contractor Safety Inspections: Contractor work site safety inspections may be conducted periodically by a City of Farmington Safety Inspector.

By submitting a bid, I hereby swear that I am duly authorized to legally bind the prospective contractor to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of New Mexico.

Hereby Certified

(Required: Check if applicable)

2
3 **Drug-Free Workplace Certification**

The Contractor named below hereby certifies to be in compliance with 49 CFR parts 40 and 382 by establishing a program designed to help prevent accidents and injuries resulting from the misuse of alcohol or use of controlled substances by drivers of commercial motor vehicles and to provide a workplace free of drug use and alcohol misuse.

The below Contractor will:

1. Have in place a policy in compliance with 49 CFR Parts 40 and 382 that provides for pre-employment, post-accident, random, reasonable suspicion, return-to-duty, and follow -up testing for controlled substances and alcohol.
2. 49 CFR Part 382, section 382.603 requires that persons designated to supervise drivers receive at least 60 minutes of training on alcohol misuse and receive an additional 60 minutes of training on controlled substances use.
3. Have in place a drug free and alcohol free workplace policy that applies to everyone that works on the project described in the contract. The drug free and alcohol free workplace policy shall include an education and training program that informs employees about the following:
 - a. The dangers of drug use and alcohol misuse in the workplace;
 - b. The person's or organization's policy in maintaining a workplace free of drug use and alcohol misuse;
 - c. Any available counseling, rehabilitation and employee assistance programs;
 - d. Penalties that may be imposed upon employees for violations; and,
 - e. Provisions for pre-employment and reasonable suspicion testing.
4. All of the contractor's employees who perform work on this project must be provided with a copy of the above referenced policies as those policies apply to them, i.e. not all employees are commercial drivers, but all employees would be subject to the drug-free and alcohol-free workplace policies.
5. That everyone who works on the contract agrees to abide by the terms of the Contractor's Statement as a condition of continued employment on the contract.
6. That no one who has tested positive within the past year will be allowed to perform work on this project.

By submitting a bid, I hereby swear that I am duly authorized to legally bind the prospective contractor to the above described certification. I am fully aware that this certification, executed on the date and in the county below, is made under penalty of perjury under the laws of the State of New Mexico.
